Many Ways to Fight Nazism at Home

Legion Urges an Alert Public to Guard Against Fifth Column

Submitted by Paul Carroll, Commander Merle Guild Post

The American people will defend their country unitedly and to the utmost. This action is needed not only against the threat of armed invasion, but against the present invasion by the Fifth Column, whether Nazi, Fascist or Communist.

The present activity of the Nazi Fifth Column in the United States is proceeding along the same lines as that which preceded the invasion of Czechoslovakia, Poland, Denmark, Norway, Holland, Belgium and France, not to speak of the British Isles. It follows the lines prophesied by Hitler himself years ago when he said: "The place of artillery will in the future be taken by revolutionary propaganda, to break down the enemy psychologically, before the armies begin to function at all.

"The enemy people must be demoralized and ready to capitulate before military action can even be thought of; mental confusion indecisiveness, panic, these are our weapons. The results at which I aim are only to be obtained by the systematic corruption of the possessing and governing classes. Business advantages, erratic satisfactions and ambition are the three main stops in our propaganda organ."

The activity of Captain Wiedemann, Nazi Consul-General in San Francisco, in attempting to influence Congress, and Hitler's public congratulations of him for such action, instance Nazi activity here with our officials. The work of the discredited Dr. Westrich, Commercial Counselor to the Nazi Embassy at Washington, instances their activity with our industrial leaders.

Similarly the Nazi Consul-General at New Orleans, Baron Von Spiegel, threatened an American Newspaper editor with Nazi retaliation, if articles were printed unfavorable to Germany. Another Nazi official, Dr. Fredrich Ried, while in Brazil, with Nazi-supplied funds, built many schools in which Brazilian children were inoculated with Nazi theories. He financed German language newspapers and spread propaganda pamphlets far and wide. Due to the unfavorable publicity given him there, he was transferred to New York City, and on the staff of the Nazi Consul. Happily, the publicity given him here, so largely terminated his effectiveness, that he has been recently transferred to Japan.

The focal point for distribution of propaganda in the United States is the German Library of Information with its headquarters next to those of the Nazi Consulate at 17 Battery Place, New York City. This organization was recently certified by the Nazi Embassy at Washington, in formal court proceedings, to be an agency of the Nazi government. Of course its prime purpose is to follow the above Hitler recipe and create in the American people "mental confusion and indecisiveness."

Note that these attempts to influence the governmental and industrial life of the United States are not on the part of irresponsible individuals, but of officials acting on behalf of the Nazi government itself.

Labor and even the clergy have been similarly deluded into harming their own country. In France the Fifth Column played upon labor to cause strikes in the armament industry, creating alleged disputes over hours. Today, French labor works for its Nazi overlords many more hours per week without extra pay for overtime, and for Germany, not their motherland, France, which such strikes crippled.

Specific instances in this country have already occurred, where labor has been induced to strike in our national defense industries, such strikes having been fomented by Nazi sources. That American labor is patriotic to the core is not doubted.

The point is that labor should realize that insiduous attempts are being made to delude them into harming their country unwittingly. Similarly many of the clergy in the United States, exactly as in England, have been deluded into obstructing the national defense. Many highminded citizens of this country have doubtless been duped by the high-sounding titles of such organizations as the American Fellowship Forum, Youth Committee Against War, and American Destiny Party. Unfortunately they were ignorant of the fact that the American Fellowship Forum, for instance, was organized by one Dr. Fredrich E. Auhagen, a Nazi agent recently arrested by the F. B. I. as he was about to leave this country for Japan.

As to the Bund, it is headed internationally by a Nazi official, a state secretary of the government foreign office. The Bund storm troopers engage in weekly military drills, with rifle practice. The sworn testimony of an ex-Bundsman shows that this is in order that they may "be prepared for a certain day," which would mean the overthrow of this government and establishment of a government like they have in Nazi Germany. The Bund was further told to prepare for "the time blood will uow in the streets of the

These recommendations were prepared and submitted by the National Americanism Commission, the National Law and Order Committee and the National Defense Committee of the American Legion and was approved by the National Department of American Legion.

Arlington Heights is Fifty-five Years Old

The village of Arlington Heights, officially, was 55 years old Jan. 18, 1941. Attorney Hugo J. Thal exhibited to the members of the village board Monday evening, a copy of the court records which he had obtained for presentation to the government as part of the data that must accompany application for a radio transmitter to be installed in the police car.

The incorporation of the municipality was approved by the electors of the proposed village by a vote of 126 to 34 in the Chas. Taege hall Jan. 18, 1887. A month later the county court canvassed the election returns, approved the organization of the municipality and directed that an election for the purpose of selecting officers of the village be held April 19, 1887. The judges named for said election were Chas. Lorenzen (father of William Lorenzen), Osmon Wheeler (son of E. B. Wheeler who settled here in 1837), and D. W. Noyes (father of Burton A. Noyes).

Uncle Sam Treats His Boys Well — Sergeant Ernst

Army life is not at all bad, according to staff Sergeant Ernst of the 202nd coast artillery, who addressed the members of St. James Young people of Arlington Heights the other evening, giving them a resume of an average day in camp and the entertainment that is provided for the boys at Fort Bliss, Texas.

Sgt. Ernst said that army life has its joys as well as its hard work. Every other Friday evening the girls from the Texas School of Mines come to the camp for a social evening, entertainment and dancing, which ends at eleven o'clock when taps are sounded.

The food is very good; chicken on Sunday and steak at least twice a week. The water supply comes from a reservoir in the mountains. The men are paid the first of each month, $21 for the first four months and $30 thereafter. Laundering of clothes is $2.25.

Here is the average day schedule:

5:30—First call.
5:40—Second call.
5:50—Mess call.
6:00 to 7:00—Your own time to cleanup bunks, etc.
7:00 to 11:30—Drill.
12:00 to 1:00—Retreat.
1:00 to 4:30—Drill.
5:00 to 11:00—Day is over until taps.

Men are off duty Wednesday and Saturday afternoons and all day Sunday. Every eight weeks, a man receives 2½ days off at one time. At the end of six months he receives 15 days furlough.

The young people enjoyed the talk of Sgt. Ernst and hope that he will again visit them when a larger number are present. The organization is planning to hold a dance April 25. Full details will appear in later issues of the Herald.

Prison Sentence Given Man Apprehended by Mt. Prospect Police

Orleigh Caylor, who with his companions, attempted burglary a month ago at the Sistler residence, Mt. Prospect on January 14, was convicted by a jury of 7 women and 5 men and sentenced to from 1 to 14 years in the State Penitentiary. Sentence was pronounced by Judge Rush on February 17. Caylor will be eligible for parole after 3 years, provided his record is good, but will not be released as he is wanted by the F. B. I. and the local authorities in Oklahoma and Iowa.

Caylor's capture was effected by the resourcefulness of Officer Gosch.

Two Given Sentences for Robberies

Oliver D. Forest and Horton Anderson, the two young men who stole a car at Des Plaines, and also entered the De Mir Cleaners and the Prince Castle store, were each given one to three years in the penitentiary Monday when they had their hearing in county court at Chicago. This sentence was given on each of three counts and is to run concurrently.

They were arrested in St. Louis after committing the local robberies and stealing a car here and taking it to St. Louis. They were also charged with robberies in Normal and in Chicago, but these were not heard Monday.

NOTICE

To Whom it May Be of Interest

To dispel a rumor that has come to my attention, kindly be advised that if I am successful in my candidacy for township collector in the forthcoming township election, I will resign my present office of village collector.

Signed: Fred H. Lorenzen,
Regular Party Candidate
For Township Collector.

Local Women To Aid British War Relief

Will Welcome Assistance From Neighboring Towns

A new unit of the British War Relief Society has just been organized at the home of Mrs. George Hartford, 100 Drury Lane, Arlington Heights.

Mount Prospect and Palatine will belong to this unit. The officers are:

Mrs. George Hartford of Arlington Heights, unit chairman; Mrs. George Price of Mount Prospect, wool chairman; Mrs. R. Mundt of Mt. Prospect, sewing chairman; Mrs. H. Ashton of Arlington Heights, co-chairman of sewing; Mrs. Thos. Coleman of Arlington Heights, ways and means chairman; Mrs. Emil Fues of Mt. Prospect, chairman of used clothes collections; Mrs. Walter Woolmer of Arlington Heights, treasurer; Mrs. H. Van Deusen of Arlington Heights, publicity chairman.

Anyone wishing to help may come to the home of Mrs. George Hartford, 100 Drury Lane, Arlington Heights on Wednesday mornings from nine till twelve o'clock where the committees of the various branches of work will be glad to give out sewing and knitting materials, instructions, etc.

Anyone with used warm clothes to donate may call Mrs. Emil Fues at Mount Prospect 1180 or contact her on Wednesday mornings at Arlington Heights 321.

Within two days after this unit was organized twenty women of Arlington Heights and Mount Prospect volunteered and we expect to keep on growing.

Noted Speakers to Appear at Lenten Fellowship Suppers

The First Methodist church of Arlington Heights is sponsoring a series of Lenten Fellowship suppers, at 6:30 p. m., each Wednesday evening during Lent. The suppers which are pot-luck style offer the inspiring messages of noted Methodists of Chicagoland.

At the supper Wednesday evening, March 5, Professor T. O. Firing, the president of the Evanston Collegiate Institute, presented the evening address.

Next Wednesday, March 12, the address will be brought by Dr. Aubrey S. Moore, superintendent of The Chicago Home Missionary and Church Extension society. Dr. Moore is well known throughout Chicagoland for his intensive study and work in City Missions. His message will draw upon a remarkable fund of knowledge, and will undoubtedly prove one of the most impressive messages of the series.

Everyone is cordially invited to enjoy the supper fellowship and to hear Dr. Moore's worthwhile address.

Only a Chimney Fire, But it Created a Lot of Excitement

Arlington Heights fire department responded Monday evening to the first fire alarm since Dec. 27, and then it was not a real fire and went down on the department's records as a false alarm. John Annen, North Highland ave., was watching his chimney burn out when a neighbor, seeing the blaze, sent in the alarm. When the firemen arrived, none of the fire fighting equipment was pressed into service and the firemen joined Mr. Annen in watching the blaze slowly subside.

Prospect Heights to Change Its School Government

With a population in the district of over a thousand inhabitants, Prospect Heights and the rural territory that comprises Wheeling township, school district No. 23, a change in the school board from three members to a board of education will take place next month. The proper petition has been presented to the school board, which has accepted it and authorized the calling of an election for a board of education, comprising six members and a president.

The present members of the school board will be candidates for the new board. They are: Wm. Lancaster, Ed. Mueller and Frank Raup. No announcement has yet been made as to other candidates.

Mt. Prospect Man Taken Into Custody For Leaving Accident

Irvin Myhre, 10 N. Wille st., Mt. Prospect while driving on Maple st. between Evergreen and Busse ave., last Sunday evening, ran into a car owned by Emil Greinke. Mr. Greinke's car was parked in front of his home at 3 north Maple st. No one was in the car at the time.

Mr. Myhre drove on and some boys who witnessed the accident reported it to the police department. Though they were unable to catch the license number they did know the make of car. Red paint left on the damaged car of Mr. Greinke, was an added clue. A check of local cars led to the arrest of Mr. Myhre by warrant.

The case will be tried before Judge Ahmer on Saturday, March 8.

They Placed Township on a Cash Basis

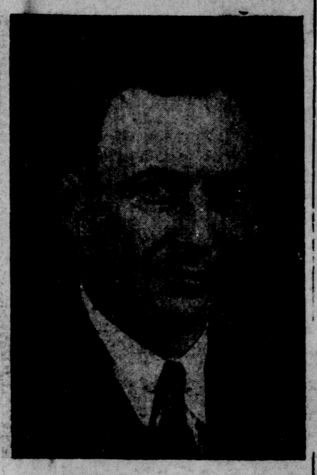

GILBERT KLEHM, Supervisor

HOWARD HELM, Town Clerk

WM. WEBER, J. P.

CARL M. BEHRENS, J. P.

Upon these four men fell the responsibility two years ago of placing the affairs of Wheeling township on a sound financial basis. They succeeded. They will hold their last meeting as a town board of four members Tuesday, March 25, when they will compile the financial budget for the coming year and approve payment of outstanding bills against the township.

After the coming election their number will be increased by three members as all justices of the peace in a township are automatically members of the board of auditors.

Dan Schueren Answers His Country's Call a Second Time

CAPT. DAN SCHUEREN, who entered regular army service Wednesday for the second time in 26 years. He started as a private in 1914.

Capt. Dan Schueren, Scarsdale, Arlington Heights, this week answered the call of his country for the second time. He and his regiment were inducted into U. S. service Wednesday morning and will leave next week for Camp Forrest at Tullahoma, Tennessee.

There is nearly 24 years between the first and second time he entered regular U. S. army service, but those have been busy years for Mr. Schueren, who is today the senior captain in the 122nd artillery and heads the headquarters battery of that organization.

Dan Schueren was hardly in his teens when he enlisted in the national guard April 27, 1914, as a private. July 25, 1917, he was inducted into the regular army as a mess sergeant. He was sent overseas and became a sergeant Oct. 14, 1917.

The way he earned the rank of a commissioned officer as a second lieutenant is best told by the following citation that brought to him the distinguished service cross:

"Sergeant Schueren, acting as a laison agent with an assaulting infantry battalion, on his own initiative, took command of a platoon of infantry when its leader was wounded. He ordered the advance resumed and under his leadership, machine gun nests that threatened to hold up the advance of the entire battalion were flanked and silenced. He showed marked bravery, constantly inspiring his men during the attack."

Schueren was overseas from May 26, 1918 to 1919 and was discharged June 23, 1919. Within six months he had assisted in the reorganization of the headquarters battery of the 122nd field artillery.

Since that time he has spent two evenings a week at the armory and from two to three weeks each summer in training camp. During the past month a group of Arlington Heights young men have enlisted in the 122nd artillery, hoping to be assigned to the Schueren battalion. One of them, Melvin Gaare, was successful. The others are in other batteries of the regiment.

During these years Capt. Schueren has been encouraged in his army work by Mrs. Schueren, the "sister of a soldier, who married a soldier" well aware of the life that she must lead if her husband is called to active duty.

Captain and Mrs. Schueren motored to Tennessee a short time ago to look for living quarters and have rented a home on the campus of the college at Marfresboro, Tennessee, which is about forty miles from the army camp.

Mrs. Schueren and their daughter, Ingrid Helene, will follow Captain Schueren to Tennessee very soon. Their home in Scarsdale has been rented.

Two Tickets at Mt. Prospect

Mt. Prospect will also have a hotly contested election contest this year. M. B. Pendleton, a member of the board of trustees, tendered his resignation Tuesday evening and heads a second ticket with candidates for all the offices except village clerk. Both of the candidates for the latter office Edwin L. Busse and Stanley Burda will run as independents.

Last Call for Pickup of Old Newspapers for Dental Clinic Benefit

This is the last chance for you to cooperate with the American Legion and the boy scouts by letting them know that you have old newspapers or magazines which they may pick up and sell for the benefit of the dental clinic fund.

If you have old newspapers or magazines which you would like to dispose of, please call Arlington Heights 485, 142, 604, or 284, and the scouts and Legion members will be glad to call and pick them up Saturday, March 8.

No better project exists than the Arlington Heights dental clinic which makes it possible for the children of Arlington Heights who need dental care to receive that care even though their parents are not able to pay for that care. A large amount of money is needed by the Arlington Heights Public Health committee if all these children are to be cared for at the clinic.

Employees' Pay Awaits Payment Of Business Fees

Police to Make a "Friendly Call" on Every Business House

Members of the Arlington Heights police department are going to be given an opportunity to earn not only their own salary for March 15, but also the salary of the other village employees. Their success will depend on the attitude of the local business firms which will be asked to pay their 1941 business license prior to that date.

The police department was directed Monday night to collect the business licenses with the gentle suggestion that if the license money was not forthcoming there might not be any payday March 15. Of course the police will do their part.

The village will make an effort to find ways and means to remedy drainage conditions on South Chestnut st. The rain Sunday night flooded several basements and did considerable damage. Messrs. Christ Madsen and Paul E. Vouter told their troubles to the board members who agreed with the two property owners that something should be done. Present sewer is inadequate. If the Catholic organization will cooperate there is a possibility that a "short cut" to the big sewer will remedy conditions.

A request for purchase of $80 more glass and appliances to properly repair damaged street lights in Stonegate was presented by the street lighting department. The department was authorized to purchase a smaller amount and strive to repair the damage with a lesser amount of material.

Routine reports included:

Seventeen police arrests, netting $74 in fines.

Delinquent water users had paid $671 of the charges assessed against them with promises from others.

Water consumption during February, 434,700 gallons a day.

Pumpage at sewage treatment plant averaged 1,730 gallons a day.

The new well is down 425 feet.

February building permits totaled $11,250.

A bracket light was authorized for the intersection of Walnut and Willow sts.

Local Red Cross Unit Seeks More Knitters for Relief of Refugees

The local production unit of the American Red Cross is waiting and hoping for more cooperation on the part of the women of Arlington Heights in knitting and sewing for refugee relief.

"Sewing hours at the field house are Monday from 12 noon to 3:30 p. m. on Thursday from 10:00 a. m. to 3:30 p. m., but anyone may do sewing or knitting at their own home if they wish to do so—and very few women are so busy that they can not give a few hours a week to make warm clothes for some man, woman or child somewhere in the war area, who isn't able to say that they are 'so busy at home' because, you see they have been forced to leave that home," state the local committee.

An unending supply of materials is available for the making of children's clothes in particular, now, although women's dresses, skirts, and hospital gowns, as well as diapers, baby bootees, and gowns are also under construction by the local unit.

Mrs. Paul Carroll, 116 W. Euclid st. is the local production chairman of the American Red Cross, and she will be very happy to answer questions about the work or see to it that you obtain supplies for sewing or knitting if you are unable to go to the field house for them on sewing days, phone Arlington Heights 142.

Mrs. Albert Mors, 202 N. Belmont ave., has been officially appointed as Mrs. Carroll's assistant. Mrs. Mors has already completed her 144 credit hours which entitles her to wear the service in which the American Red Cross presents to all volunteer workers who have completed 144 hours in the service of the American Red Cross. Her extensive knowledge of sewing makes her a valuable asset to the local unit.

Mrs. Henry St. John of 202 S. Walnut st., continues to be a very capable and willing knitting instructor, phone Arlington Heights 1552.

Smith & Dawson Teams Play Tonight in Final Home Games

Smith & Dawson basketball teams ran into two tough games against Evanston last week.

The lights lost the first game 41 to 36 in a hard fought battle. The heavies lost their game 57 to 55 almost nipping Evanston in the final quarter after a slow first half.

Smith & Dawson teams are putting on their final home games at Arlington high gym this Thursday.

The first game is at 8 o'clock when the lightweights engage Roselle of the Northwest Lutheran League. In the second game Smith and Dawson heavies take on the fast Concordia five from River Forest. The boys hope to see all the fans out to the final home game.

Flentie, Krause Retire; Two Tickets in the Field

Independent Candidates For Park Board

Paul Patrick and Elmer Karstens are independent candidates for the Arlington Heights Park District for the full term and will oppose George A. Glow, present incumbent.

Marion Hogate is candidate for the short term to fill a vacancy. The election will be held the same day as the town election. The polling place for all except those who reside in Elk Grove township is the field house. The few people who reside in the district in Elk Grove township will vote at the Greening residence, South Vail.

Six Tickets Appear on Wheeling Township Ballot

The ballot for the coming Wheeling township election will be eighteen inches long. There are six tickets. Three of them show only one candidate. There is only one full ticket.

There are eight candidates for the five positions as justices of the peace and a similar number of candidates for the five constable positions that are to be filled.

Alfred H. Botterman Is New Candidate for J. P. In Elk Grove Twp.

Alfred H. Botterman filed his petition for justice of the peace in Elk Grove township near the deadline late Tuesday night, February 25th. He is the only independent candidate for that office. The first ticket filed contains the names of Walter Weiss and Willert Beer.

Patriotic-Christian Service Attracts Huge Crowd to Luth. Church

The capacity of Arlington Heights Lutheran church is frequently taxed at regular services in that edifice, but the attendance at the eleven o'clock service last Sunday seemed to pass all recent records when fully 700 attended the special service of flag dedication and consecration in honor of seven boys who are entering army service. Pastor Fricke had prepared a service in keeping with the solemn occasion. His talk was evidence that Christianity is an important part in the true patriotism.

Traffic Safety Expert To Speak, Show Movies Before Dorcas Aid

George W. Fleming, general secretary of Mayor Kelly's Keep Chicago Safe committee, will be the guest speaker on the traffic safety program Tuesday evening of the Dorcas Aid of St. Peter's Lutheran church in Arlington Heights. Mr. Fleming will reveal the functions of the mayor's committee and its success in conducting a traffic educational program each year.

The movement last year, he will state, contributed to a reduction of 42 traffic fatalities in Chicago as compared with 1939. He will point out that concentration on pedestrian fatalities also showed salutary results last year with fewer deaths having been registered among persons on foot than during the previous year.

Mrs. Arthur W. Schroeder, program chairman, has arranged for the showing of three traffic safety sound films entitled "Screwdrivers of 1941," "Man at the Wheel," and "Bicycling with Complete Safety."

Good Fellows Help Rudy Stein Move

Rudy Stein, who had to move his business because of changes in the movie house, is now certain that this is the "City of Good Neighbors." A company of the "boys" came in and moved his stock of confections and supplies to a new store in a Kelling building south of his old stand and settled everything so thoroughly that Rudy could carry on from there. His many friends are glad to know that he is well located.

'Vic' Pecchia Is Home

"Vic" Pecchia returned this week to his home following a four months hospital experience, and while "Vic" is not ready to be "up and at 'em" as yet, he is jubilant to be back in his own home town, and hopes that a few more weeks will see him back "in the harness."

Mt. Prospect Hires New Attorney

Henry O. Nichels of Chicago, was appointed attorney for the village of Mt. Prospect at the regular meeting of the village board Tuesday evening. He takes the place of Rev. Samuel Wodika who resigned at a recent meeting of the board.

Mrs. George Kost Dies

Mrs. George Kost, Sr., 507 N. Belmont, Arlington Heights, died Wednesday afternoon at her home. She had suffered an illness of four years duration. Her age was 83.

Henry F. Muller Ticket First on Ballot; Kossack To Oppose McElhose

Arlington Heights will have two complete tickets in the field for the coming election. Henry F. Muller heads one ticket and Albert F. Goedke the other. The Muller ticket under the name, "Good Neighbor" was the first to be filed and will receive first place on the ballot. Candidates for aldermen on this ticket are George F. Schneberger, Fred H. Kehe and Wm. Franke. Arthur L. McElhose is candidate for re-election as village clerk and is associated with the above group.

Rev. H. A. Kossack is candidate for village clerk on the Goedke ticket. Candidates for aldermen are Rudolph Rizzi, Richard Wilke and no announcement has been made regarding the third candidate for alderman on this ticket.

The library board will have its own ticket; two to be elected for full terms and one to fill a vacancy. Alfred T. Capps is candidate for re-election for full term. Mrs. Ashton, whose term expires this year is not a candidate.

Who's Who

For the benefit of those who may not be personally acquainted with the candidates this brief resume tells who they are and may help the stranger to identify them.

Henry Muller

Mr. Muller is a member of the firm F. W. Muller Sons, manufacturers of carbonated waters. He has had a long service as a public official on the high school and village boards. He was a member of the original high school board that erected the first building, remaining on that body until the building was paid for. Many Ways to Fight Nazism at Home

Legion Urges an Alert Public to Guard Against Fifth Column

Submitted by Paul Carroll, Commander Merle Guild Post

The American people will defend their country unitedly and to the utmost. This action is needed not only against the threat of armed invasion, but against the present invasion by the Fifth Column, whether Nazi, Fascist or Communist.

The present activity of the Nazi Fifth Column in the United States is proceeding along the same lines as that which preceded the invasion of Czechoslovakia, Poland, Denmark, Norway, Holland, Belgium and France, not to speak of the British Isles. It follows the lines prophesied by Hitler himself years ago when he said: "The place of artillery will in the future be taken by revolutionary propaganda, to break down the enemy psychologically, before the armies begin to function at all.

"The enemy people must be demoralized and ready to capitulate before military action can even be thought of; mental confusion indecisiveness, panic, these are our weapons. The results at which I aim are only to be obtained by the systematic corruption of the possessing and governing classes. Business advantages, erratic satisfactions and ambition are the three main stops in our propaganda organ."

The activity of Captain Wiedemann, Nazi Consul-General in San Francisco, in attempting to influence Congress, and Hitler's public congratulations of him for such action, instance Nazi activity here with our officials. The work of the discredited Dr. Westrich, Commercial Counselor to the Nazi Embassy at Washington, instances their activity with our industrial leaders.

Similarly the Nazi Consul-General at New Orleans, Baron Von Spiegel, threatened an American Newspaper editor with Nazi retaliation, if articles were printed unfavorable to Germany. Another Nazi official, Dr. Fredrich Ried, while in Brazil, with Nazi-supplied funds, built many schools in which Brazilian children were inoculated with Nazi theories. He financed German language newspapers and spread propaganda pamphlets far and wide. Due to the unfavorable publicity given him there, he was transferred to New York City, and on the staff of the Nazi Consul. Happily, the publicity given him here, so largely terminated his effectiveness, that he has been recently transferred to Japan.

The focal point for distribution of propaganda in the United States is the German Library of Information with its headquarters next to those of the Nazi Consulate at 17 Battery Place, New York City. This organization was recently certified by the Nazi Embassy at Washington, in formal court proceedings, to be an agency of the Nazi government. Of course its prime purpose is to follow the above Hitler recipe and create in the American people "mental confusion and indecisiveness."

Note that these attempts to influence the governmental and industrial life of the United States are not on the part of irresponsible individuals, but of officials acting on behalf of the Nazi government itself.

Labor and even the clergy have been similarly deluded into harming their own country. In France the Fifth Column played upon labor to cause strikes in the armament industry, creating alleged disputes over hours. Today, French labor works for its Nazi overlords many more hours per week without extra pay for overtime, and for Germany, not their motherland, France, which such strikes crippled.

Specific instances in this country have already occurred, where labor has been induced to strike in our national defense industries, such strikes having been fomented by Nazi sources. That American labor is patriotic to the core is not doubted.

The point is that labor should realize that insiduous attempts are being made to delude them into harming their country unwittingly. Similarly many of the clergy in the United States, exactly as in England, have been deluded into obstructing the national defense. Many highminded citizens of this country have doubtless been duped by the high-sounding titles of such organizations as the American Fellowship Forum, Youth Committee Against War, and American Destiny Party. Unfortunately they were ignorant of the fact that the American Fellowship Forum, for instance, was organized by one Dr. Fredrich E. Auhagen, a Nazi agent recently arrested by the F. B. I. as he was about to leave this country for Japan.

As to the Bund, it is headed internationally by a Nazi official, a state secretary of the government foreign office. The Bund storm troopers engage in weekly military drills, with rifle practice. The sworn testimony of an ex-Bundsman shows that this is in order that they may "be prepared for a certain day," which would mean the overthrow of this government and establishment of a government like they have in Nazi Germany. The Bund was further told to prepare for "the time blood will now in the streets of the

Arlington Heights is Fifty-five Years Old

The village of Arlington Heights, officially, was 55 years old Jan. 18, 1941. Attorney Hugo J. Thal exhibited to the members of the village board Monday evening, a copy of the court records which he had obtained for presentation to the government as part of the data that must accompany application for a radio transmitter to be installed in the police car.

The incorporation of the municipality was approved by the electors of the proposed village by a vote of 126 to 34 in the Chas. Taege hall Jan. 18, 1887. A month later the county court canvassed the election returns, approved the organization of the municipality and directed that an election for the purpose of selecting officers of the village be held April 19, 1887. The judges named for said election were Chas. Lorenzen (father of William Lorenzen), Osmon Wheeler (son of E. B. Wheeler who settled here in 1837), and D. W. Noyes (father of Burton A. Noyes).

Uncle Sam Treats His Boys Well — Sergeant Ernst

Army life is not at all bad, according to staff Sergeant Ernst of the 202nd coast artillery, who addressed the members of St. James Young people of Arlington Heights the other evening, giving them a resume of an average day in camp and the entertainment that is provided for the boys at Fort Bliss, Texas.

Sgt. Ernst said that army life has its joys as well as its hard work. Every other Friday evening the girls from the Texas School of Mines come to the camp for a social evening, entertainment and dancing, which ends at eleven o'clock when taps are sounded.

The food is very good; chicken on Sunday and steak at least twice a week. The water supply comes from a reservoir in the mountains. The men are paid the first of each month, $21 for the first four months and $30 thereafter. Laundering of clothes is $2.25.

Here is the average day schedule:

5:30—First call.
5:40—Second call.
5:50—Mess call.
6:00 to 7:00—Your own time to cleanup bunks, etc.
7:00 to 11:30—Drill.
12:00 to 1:00—Retreat.
1:00 to 4:30—Drill.
5:00 to 11:00—Day is over until taps.

Men are off duty Wednesday and Saturday afternoons and all day Sunday. Every eight weeks, a man receives 2½ days off at one time. At the end of six months he receives 15 days furlough.

The young people enjoyed the talk of Sgt. Ernst and hope that he will again visit them when a larger number are present. The organization is planning to hold a dance April 25. Full details will appear in later issues of the Herald.

Prison Sentence Given Man Apprehended by Mt. Prospect Police

Orleigh Caylor, who with his companions, attempted burglary a month ago at the Sistler residence, Mt. Prospect on January 14, was convicted by a jury of 7 women and 5 men and sentenced to from 1 to 14 years in the State Penitentiary. Sentence was pronounced by Judge Rush on February 17. Caylor will be eligible for parole after 3 years, provided his record is good, but will not be released as he is wanted by the F. B. I. and the local authorities in Oklahoma and Iowa.

Caylor's capture was effected by the resourcefulness of Officer Gosch.

Two Given Sentences for Robberies

Oliver D. Forest and Horton Anderson, the two young men who stole a car at Des Plaines, and also entered the De Mir Cleaners and the Prince Castle store, were each given one to three years in the penitentiary Monday when they had their hearing in county court at Chicago. This sentence was given on each of three counts and is to run concurrently.

They were arrested in St. Louis after committing the local robberies and stealing a car here and taking it to St. Louis. They were also charged with robberies in Normal and in Chicago, but these were not heard Monday.

NOTICE

To Whom it May Be of Interest

To dispel a rumor that has come to my attention, kindly be advised that if I am successful in my candidacy for township collector in the forthcoming township election, I will resign my present office of village collector.

Signed: Fred H. Lorenzen,
Regular Party Candidate
For Township Collector.

Local Women To Aid British War Relief

Will Welcome Assistance From Neighboring Towns

A new unit of the British War Relief Society has just been organized at the home of Mrs. George Hartford, 100 Drury Lane, Arlington Heights.

Mount Prospect and Palatine will belong to this unit. The officers are:

Mrs. George Hartford of Arlington Heights, unit chairman; Mrs. George Price of Mount Prospect, wool chairman; Mrs. R. Mundt of Mt. Prospect, sewing chairman; Mrs. H. Ashton of Arlington Heights, co-chairman of sewing; Mrs. Thos. Coleman of Arlington Heights, ways and means chairman; Mrs. Emil Fues of Mt. Prospect, chairman of used clothes collections; Mrs. Walter Woolmer of Arlington Heights, treasurer; Mrs. H. Van Deusen of Arlington Heights, publicity chairman.

Anyone wishing to help may come to the home of Mrs. George Hartford, 100 Drury Lane, Arlington Heights on Wednesday mornings from nine till twelve o'clock where the committees of the various branches of work will be glad to give out sewing and knitting materials, instructions, etc.

Anyone with used warm clothes to donate may call Mrs. Emil Fues at Mount Prospect 1180 or contact her on Wednesday mornings at Arlington Heights 321.

Within two days after this unit was organized twenty women of Arlington Heights and Mount Prospect volunteered and we expect to keep on growing.

Noted Speakers to Appear at Lenten Fellowship Suppers

The First Methodist church of Arlington Heights is sponsoring a series of Lenten Fellowship suppers, at 6:30 p. m., each Wednesday evening during Lent. The suppers which are pot-luck style offer the inspiring messages of noted Methodists of Chicagoland.

At the supper Wednesday evening, March 5, Professor T. O. Firing, the president of the Evanston Collegiate Institute, presented the evening address.

Next Wednesday, March 12, the address will be brought by Dr. Aubrey S. Moore, superintendent of The Chicago Home Missionary and Church Extension society. Dr. Moore is well known throughout Chicagoland for his intensive study and work in City Missions. His message will draw upon a remarkable fund of knowledge, and will undoubtedly prove one of the most impressive messages of the series.

Everyone is cordially invited to enjoy the supper fellowship and to hear Dr. Moore's worthwhile address.

Only a Chimney Fire, But it Created a Lot of Excitement

Arlington Heights fire department responded Monday evening to the first fire alarm since Dec. 27, and then it was not a real fire and went down on the department's records as a false alarm. John Annen, North Highland ave., was watching his chimney burn out when a neighbor, seeing the blaze, sent in the alarm. When the firemen arrived, none of the fire fighting equipment was pressed into service and the firemen joined Mr. Annen in watching the blaze slowly subside.

Prospect Heights to Change Its School Government

With a population in the district of over a thousand inhabitants, Prospect Heights and the rural territory that comprises Wheeling township, school district No. 23, a change in the school board from three members to a board of education will take place next month. The proper petition has been presented to the school board, which has accepted it and authorized the calling of an election for a board of education, comprising six members and a president.

The present members of the school board will be candidates for the new board. They are: Wm. Lancaster, Ed. Mueller and Frank Raup. No announcement has yet been made as to other candidates.

Mt. Prospect Man Taken Into Custody For Leaving Accident

Irvin Myhre, 10 N. Wille st., Mt. Prospect while driving on Maple st. between Evergreen and Busse ave., last Sunday evening, ran into a car owned by Emil Greinke. Mr. Greinke's car was parked in front of his home at 3 north Maple st. No one was in the car at the time.

Mr. Myhre drove on and some boys who witnessed the accident reported it to the police department. Though they were unable to catch the license number they did know the make of car. Red paint left on the damaged car of Mr. Greinke, was an added clue. A check of local cars led to the arrest of Mr. Myhre by warrant.

The case will be tried before Judge Ahmer on Saturday, March 8.

They Placed Township on a Cash Basis

GILBERT KLEHM, Supervisor

HOWARD HELM, Town Clerk

WM. WEBER, J. P.

CARL M. BEHRENS, J. P.

Upon these four men fell the responsibility two years ago of placing the affairs of Wheeling township on a sound financial basis. They succeeded. They will hold their last meeting as a town board of four members Tuesday, March 25, when they will compile the financial budget for the coming year and approve payment of outstanding bills against the township.

After the coming election their number will be increased by three members as all justices of the peace in a township are automatically members of the board of auditors.

Dan Schueren Answers His Country's Call a Second Time

CAPT. DAN SCHUEREN, who entered regular army service Wednesday for the second time in 26 years. He started as a private in 1914.

Capt. Dan Schueren, Scarsdale, Arlington Heights, this week answered the call of his country for the second time. He and his regiment were inducted into U. S. service Wednesday morning and will leave next week for Camp Forrest at Tullahoma, Tennessee.

There is nearly 24 years between the first and second time he entered regular U. S. army service, but those have been busy years for Mr. Schueren, who is today the senior captain in the 122nd artillery and heads the headquarters battery of that organization.

Dan Schueren was hardly in his teens when he enlisted in the national guard April 27, 1914, as a private. July 25, 1917, he was inducted into the regular army as a mess sergeant. He was sent overseas and became a sergeant Oct. 14, 1917.

The way he earned the rank of a commissioned officer as a second lieutenant is best told by the following citation that brought to him the distinguished service cross:

"Sergoant Schueren, acting as a laison agent with an assaulting infantry battalion, on his own initiative, took command of a platoon of infantry when its leader was wounded. He ordered the advance resumed and under his leadership, machine gun nests that threatened to hold up the advance of the entire battalion were flanked and silenced. He showed marked bravery, constantly inspiring his men during the attack."

Schueren was overseas from May 26, 1918 to 1919 and was discharged June 23, 1919. Within six months he had assisted in the reorganization of the headquarters battery of the 122nd field artillery.

Since that time he has spent two evenings a week at the armory and from two to three weeks each summer in training camp. During the past month a group of Arlington Heights young men have enlisted in the 122nd artillery, hoping to be assigned to the Schueren battalion. One of them, Melvin Gaare, was successful. The others are in other batteries of the regiment.

During these years Capt. Schueren has been encouraged in his army work by Mrs. Schueren, the "sister of a soldier, who married a soldier" well aware of the life that she must lead if her husband is called to active duty.

Captain and Mrs. Schueren motored to Tennessee a short time ago to look for living quarters and have rented a home on the campus of the college at Marfresboro, Tennessee, which is about forty miles from the army camp.

Mrs. Schueren and their daughter, Ingrid Helene, will follow Captain Schueren to Tennessee very soon. Their home in Scarsdale has been rented.

Two Tickets at Mt. Prospect

Mt. Prospect will also have a hotly contested election contest this year. M. B. Pendleton, a member of the board of trustees, tendered his resignation Tuesday evening and heads a second ticket with candidates for all the offices except village clerk. Both of the candidates for the latter office Edwin L. Busse and Stanley Burda will run as independents.

Last Call for Pickup of Old Newspapers for Dental Clinic Benefit

This is the last chance for you to cooperate with the American Legion and the boy scouts by letting them know that you have old newspapers or magazines which they may pick up and sell for the benefit of the dental clinic fund.

If you have old newspapers or magazines which you would like to dispose of, please call Arlington Heights 485, 142, 604, or 284, and the scouts and Legion members will be glad to call and pick them up Saturday, March 8.

No better project exists than the Arlington Heights dental clinic which makes it possible for the children of Arlington Heights who need dental care to receive that care even though their parents are not able to pay for that care. A large amount of money is needed by the Arlington Heights Public Health committee if all these children are to be cared for at the clinic.

Employees' Pay Awaits Payment Of Business Fees

Police to Make a "Friendly Call" on Every Business House

Members of the Arlington Heights police department are going to be given an opportunity to earn not only their own salary for March 15, but also the salary of the other village employees. Their success will depend on the attitude of the local business firms which will be asked to pay their 1941 business license prior to that date.

The police department was directed Monday night to collect the business licenses with the gentle suggestion that if the license money was not forthcoming there might not be any payday March 15. Of course the police will do their part.

The village will make an effort to find ways and means to remedy drainage conditions on South Chestnut st. The rain Sunday night flooded several basements and did considerable damage. Messrs. Christ Madsen and Paul E. Vouter told their troubles to the board members who agreed with the two property owners that something should be done. Present sewer is inadequate. If the Catholic organization will cooperate there is a possibility that a "short cut" to the big sewer will remedy conditions.

A request for purchase of $80 more glass and appliances to properly repair damaged street lights in Stonegate was presented by the street lighting department. The department was authorized to purchase a smaller amount and strive to repair the damage with a lesser amount of material.

Routine reports included:

Seventeen police arrests, netting $74 in fines.

Delinquent water users had paid $671 of the charges assessed against them with promises from others.

Water consumption during February, 434,700 gallons a day.

Pumpage at sewage treatment plant averaged 1,730 gallons a day.

The new well is down 425 feet.

February building permits totaled $11,250.

A bracket light was authorized for the intersection of Walnut and Willow sts.

Local Red Cross Unit Seeks More Knitters for Relief of Refugees

The local production unit of the American Red Cross is waiting and hoping for more cooperation on the part of the women of Arlington Heights in knitting and sewing for refugee relief.

"Sewing hours at the field house are Monday from 12 noon to 3:30 p. m. on Thursday from 10:00 a. m. to 3:30 p. m., but anyone may do sewing or knitting at their own home if they wish to do so—and very few women are so busy that they can not give a few hours a week to make warm clothes for some man, woman or child somewhere in the war area, who isn't able to say that they are 'so busy at home' because, you see they have been forced to leave that home," state the local committee.

An unending supply of materials is available for the making of children's clothes in particular, now, although women's dresses, skirts, and hospital gowns, as well as diapers, baby bootees, and gowns are also under construction by the local unit.

Mrs. Paul Carroll, 116 W. Euclid st. is the local production chairman of the American Red Cross, and she will be very happy to answer questions about the work or see to it that you obtain supplies for sewing or knitting if you are unable to go to the field house for them on sewing days, phone Arlington Heights 142.

Mrs. Albert Mors, 202 N. Belmont ave., has been officially appointed as Mrs. Carroll's assistant. Mrs. Mors has already completed her 144 credit hours which entitles her to wear the service in which the American Red Cross presents to all volunteer workers who have completed 144 hours in the service of the American Red Cross. Her extensive knowledge of sewing makes her a valuable asset to the local unit.

Mrs. Henry St. John of 202 S. Walnut st., continues to be a very capable and willing knitting instructor, phone Arlington Heights 1552.

Smith & Dawson Teams Play Tonight in Final Home Games

Smith & Dawson basketball teams ran into two tough games against Evanston last week.

The lights lost the first game 41 to 36 in a hard fought battle. The heavies lost their game 57 to 55 almost nipping Evanston in the final quarter after a slow first half.

Smith & Dawson teams are putting on their final home games at Arlington high gym this Thursday.

The first game is at 8 o'clock when the lightweights engage Roselle of the Northwest Lutheran League. In the second game Smith and Dawson heavies take on the fast Concordia five from River Forest. The boys hope to see all the fans out to the final home game.

Flentie, Krause Retire; Two Tickets in the Field

Independent Candidates For Park Board

Paul Patrick and Elmer Karstens are independent candidates for the Arlington Heights Park District for the full term and will oppose George A. Glow, present incumbent.

Marion Hogate is candidate for the short term to fill a vacancy. The election will be held the same day as the town election. The polling place for all except those who reside in Elk Grove township is the field house. The few people who reside in the district in Elk Grove township will vote at the Greening residence, South Vail.

Six Tickets Appear on Wheeling Township Ballot

The ballot for the coming Wheeling township election will be eighteen inches long. There are six tickets. Three of them show only one candidate. There is only one full ticket.

There are eight candidates for the five positions as justices of the peace and a similar number of candidates for the five constable positions that are to be filled.

Alfred H. Botterman Is New Candidate for J. P. In Elk Grove Twp.

Alfred H. Botterman filed his petition for justice of the peace in Elk Grove township near the deadline late Tuesday night, February 25th. He is the only independent candidate for that office. The first ticket filed contains the names of Walter Weiss and Willert Beer.

Patriotic-Christian Service Attracts Huge Crowd to Luth. Church

The capacity of Arlington Heights Lutheran church is frequently taxed at regular services in that edifice, but the attendance at the eleven o'clock service last Sunday seemed to pass all recent records when fully 700 attended the special service of flag dedication and consecration in honor of seven boys who are entering army service. Pastor Fricke had prepared a service in keeping with the solemn occasion. His talk was evidence that Christianity is an important part in the true patriotism.

Traffic Safety Expert To Speak, Show Movies Before Dorcas Aid

George W. Fleming, general secretary of Mayor Kelly's Keep Chicago Safe committee, will be the guest speaker on the traffic safety program Tuesday evening of the Dorcas Aid of St. Peter's Lutheran church in Arlington Heights. Mr. Fleming will reveal the functions of the mayor's committee and its success in conducting a traffic educational program each year.

The movement last year, he will state, contributed to a reduction of 42 traffic fatalities in Chicago as compared with 1939. He will point out that concentration on pedestrian fatalities also showed salutary results last year with fewer deaths having been registered among persons on foot than during the previous year.

Mrs. Arthur W. Schroeder, program chairman, has arranged for the showing of three traffic safety sound films entitled "Screwdrivers of 1941," "Man at the Wheel," and "Bicycling with Complete Safety."

Good Fellows Help Rudy Stein Move

Rudy Stein, who had to move his business because of changes in the movie house, is now certain that this is the "City of Good Neighbors." A company of the "boys" came in and moved his stock of confections and supplies to a new store in a Kelling building south of his old stand and settled everything so thoroughly that Rudy could carry on from there. His many friends are glad to know that he is well located.

'Vic' Pecchia Is Home

"Vic" Pecchia returned this week to his home following a four months hospital experience, and while "Vic" is not ready to be "up and at 'em" as yet, he is jubilant to be back in his own home town, and hopes that a few more weeks will see him back "in the harness."

Mt. Prospect Hires New Attorney

Henry O. Nichels of Chicago, was appointed attorney for the village of Mt. Prospect at the regular meeting of the village board Tuesday evening. He takes the place of Rev. Samuel Wodika who resigned at a recent meeting of the board.

Mrs. George Kost Dies

Mrs. George Kost, Sr., 507 N. Belmont, Arlington Heights, died Wednesday afternoon at her home. She had suffered an illness of four years duration. Her age was 83.

Henry F. Muller Ticket First on Ballot; Kossack To Oppose McElhose

Arlington Heights will have two complete tickets in the field for the coming election. Henry F. Muller heads one ticket and Albert F. Goedke the other. The Muller ticket under the name, "Good Neighbor" was the first to be filed and will receive first place on the ballot. Candidates for aldermen on this ticket are George F. Schneberger, Fred H. Kehe and Wm. Franke. Arthur L. McElhose is candidate for re-election as village clerk and is associated with the above group.

Rev. H. A. Kossack is candidate for village clerk on the Goedke ticket. Candidates for aldermen are Rudolph Rizzi, Richard Wilke and no announcement has been made regarding the third candidate for alderman on this ticket.

The library board will have its own ticket; two to be elected for full terms and one to fill a vacancy. Alfred T. Capps is candidate for re-election for full term. Mrs. Ashton, whose term expires this year is not a candidate.

Who's Who

For the benefit of those who may not be personally acquainted with the candidates this brief resume tells who they are and may help the stranger to identify them.

Henry Muller

Mr. Muller is a member of the firm F. W. Muller Sons, manufacturers of carbonated waters. He has had a long service as a public official on the high school and village boards. He was a member of the original high school board that erected the first building, remaining on that body until the building was paid for. He served a total of ten years as a member of the village board. He has held many offices in church and fraternal organizations. He resides at 110 West Fremont.

Albert Goedke

Mr. Goedke is a member of the firm of Malzahn & Goedke, plumbers and heating experts, which have been in business 20 years. He was first elected to the village board in 1928, serving two terms of two years each. In 1937 he was elected to the present four year term. He resides at 220 West Wing.

George Schneberger

Mr. Schneberger, after leaving Northwestern university entered the coal and building material business with his father operating under the name of Arlington Elevator & Coal Co., the past 25 years. He was first elected to the village board in 1935 and has held continuous office since that time, serving as chairman of the police committee. He was one of the first graduates of the local high school and served six years as a member of its board of education. He has been a director of the Civic & Trade association and the Rolling Green Country club. He resides at 514 East Euclid.

Fred H. Kehe

Mr. Kehe operates a fleet of trucks and is engaged in the motor transport business between Chicago and the northwest towns the past twenty years. He served a term of six years as school board member of the St. Peter school. He resides at 723 North Highland.

William G. Franke

Mr. Franke sales manager for the American Mexican Petroleum Corporation, came to Arlington Heights in 1932. He has never aspired to public office, but during the nine years he has been in Arlington, he has made many warm friends who are the ones who really placed him on the Muller ticket. Mr. Franke is married, has two daughters and resides at 120 So. Pine.

Rudolph Rizzi

Mr. Rizzi has been employed by Kraut & Dohnal, a wholesale barbers supply house for 35 years, and is a world war veteran, has been commander of the Arlington Heights Post of the V. F. W., and is chairman of the selective service board of the first district. He resides at 102 S. Dunton.

Richard Wilke

Mr. Wilke operates the Emerald Cleaners and is one of the younger business men of the community. He is a member of the Lions club and an active member of the Trade and Civic Association. He resides at 408 West Campbell.

Arthur L. McElhose

"Mac" as A. L. McElhose, village clerk is familiarly called by past and present members of village boards, has been village clerk 17 years, and is recognized as an authority on village matters. In every day life, he and Mrs. McElhose operate the Arlington Baths and Massage, 816 N. Belmont.

Rev. H. A. Kossack

Mr. Kossack recently retired from the pulpit of the local Presbyterian church and has a large acquaintance in this vicinity. This is the first time that he has aspired to public office. Since leaving the ministry, he has taken up insurance work and intends to make Arlington Heights his permanent home.

Your presence at the Sunday morning service and at the special Lenten Supper Fellowship is your best insurance of religious freedom and truth. Your worship will lead you into the truth of God, and will establish the freedom of your conscience more than any government decree. But if your religious life is prejudiced and ill-kempt, God's truth and freedom are lost to you long before nationalism tries to outlaw the faith. Worship with the purpose of knowing God, of living in His ways, and of loving His truth, and then nothing can disturb the freedom that God gives.

There are classes for all ages, from the tiny tots to the adults, with competent teachers.

The Sunday school is interdenominational in character, and non-sectarian in spirit.

Prayer meeting every Thursday evening at 8 o'clock in the Foxworthy home on McDonald rd. Everybody welcome.

CHRISTIAN SCIENCE CHURCHES

"Christ Jesus" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 2.

The Golden Text was, "Unto us a child is born, unto us a son is given. . . . Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever" (Isaiah 9:6, 7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us" (Matthew 1:23).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Jesus was the son of a virgin. He was appointed to speak God's word and to appear to mortals in such a form of humanity as they could understand as well as perceive. Mary's conception of him was spiritual, for only purity could reflect Truth and Love, which were plainly incarnate in the good and pure Christ Jesus" (p. 332).

Fresh Perch Fry Every Friday At Dam Inn

The Dam Inn announces in an ad. of this issue that they will offer fresh Lake Erie perch every Friday evening. They also feature "always fresh," chicken dinners (not frozen).

The Dam Inn is located one-half mile south of Wheeling on Milwaukee ave., across from Dam No. 1. Preparations are being made for a gala St. Patrick's party. The management features good food and a "homey" atmosphere.

Life Insurance

The total amount of life insurance in legal reserve insurance companies in the United States in 1939 was estimated at $120,000,000,000, an increase of 3 per cent over 1938, according to the 1940 Encyclopedia Britannica Book of the Year. During the year these companies paid out $2,850,000,000 to policy holders and beneficiaries.

Care of the Children To be Brought out In Health Conference

What can I do about that "lingering" cold my child has? What diseases strike youngsters the hardest in the spring? What should I feed my baby to best build up his resistance and keep him healthy?

These questions and the many problems of child health confronting mothers will be answered at the regular infant conferences sponsored each month by the Arlington Heights health committee. Next Tuesday from 1 to 3 p. m., the committee invites mothers to bring their babies under 2 years of age to the clinic at the Arlington Heights health center, Wing and Vail streets, Arlington Heights.

"Keep well babies well" is the purpose of these conferences, the committee emphasized. Mothers who have no regular physician are urged to attend the clinic and obtain advice for the proper care, feeding and good health habits of their children. Dr. B. T. Best will be assisted by Mrs. Adele Pino, R. N. of the Arlington Heights health center.

"Remember When" Fashions Shown in "Cavalcade of Shoes"

The lofty shoes (with 11 buttons, count them) which peeked out shyly from beneath grandmother's petticoat fifty years ago, heads the "Cavalcade of Shoes," pictured this week in a window display at Arlington Bootery.

Changes in shoe fashions, decade by decade, down to 1941, are shown as part of the Red Cross Shoe Golden Anniversary celebration, in which Arlington Bootery is taking an active part.

As part of this celebration, which pays tribute to 50 years of fine shoe making, Arlington Bootery is presenting a special Golden Anniversary Collection of Red Cross Shoes especially designed for the occasion.

According to Mr. Ewert, this Golden Anniversary Collection represents the finest styling, craftsmanship and value in the history of this famous line of footwear.

"Perhaps the greatest tribute to what the makers of these shoes have accomplished in 50 years is the fact that today over 14,000 women buy these shoes, every day," said Mr. Ewert.

Third Annual Niles Independent Cage Tourney Starts Monday

Niles Township Independent basketball league's third annual amateur independent cage tournament will get under way Monday night at 7 o'clock at the Niles township high school gym in Skokie with four games nightly until semifinals and finals nights.

Among the entries are two local quintets, the Smith-Dawson five of Arlington Heights and the Bensenville Lions. The defending tourney champion is General Electric of Highland Park. The Nile-hi alumni, led by Eby and Boyk, took the first meet in 1939.

Cookery QUERY CORNER

1 SHOULD A ROAST BE COVERED?

No, the cover for a roasting pan can be put on the shelf with the moustache cup. A roast that is covered becomes a pot-roast, for the enclosed steam makes moist heat. Roasting is possible only with dry heat, so we add no water and use no cover.

2 HOW DO YOU GET CRISPY, BROWNED POTATOES?

DO 3 THINGS

Pare uniform, medium potatoes and parboil ten minutes; drain, place around roast and bake forty minutes (or until soft); turn often and baste with the meat drippings to brown. Delicious that way? They're called Franconia potatoes, when you want to be fancy.

Milk by Plane

Milk and ice cream are delivered by airplane to the mining camps in northern Canada. In some localities the miners pay a dollar for a quart of milk.

10:00 a. m. Church school. M. W. Prellberg, superintendent; J. Everett, assistant superintendent; A. L. Ashcraft, secretary. Classes for every age and interest.

11:00 a. m. Divine worship. Choir director, J. Everett; organist, Mrs. R. H. Manley. Special music by organist and choir. An inspiring sermon by Dr. W. A. Whipple on the topic "Influence." You are cordially invited to attend this service.

7:00 p. m., Epworth League devotional meeting in the chapel.

Calendar

Thursday, March 6, at 8 p. m., choir rehearsal in the Sanctuary under Director Everett.

Tuesday, March 11, at 8 p. m., meeting of the Woman's Society of Christian service in the chapel. All women of the church are welcome.

Wednesday, March 12, at 6:30 p. m., Lenten Fellowship supper (pot-luck style) in the dining hall. Dr. Aubrey S. Moore will bring an inspiring message well worth our hearing. Bring your family; invite your friends.

Your presence at the Sunday morning service and at the special Lenten Supper Fellowship is your best insurance of religious freedom and truth. Your worship will lead you into the truth of God, and will establish the freedom of your conscience more than any government decree. But if your religious life is prejudiced and ill-kempt, God's truth and freedom are lost to you long before nationalism tries to outlaw the faith. Worship with the purpose of knowing God, of living in His ways, and of loving His truth, and then nothing can disturb the freedom that God gives.

March 12, Sunshine club will meet with Mrs. Geo. Petersen, N. Dunton ave.

Mrs. Alois Reinert and daughter, born Feb. 14, in hospital in Elgin, have come to their home in W. Euclid ave.

Mr. J. S. Tisdall has been ill the past week in his home N. Belmont ave.

Mrs. Miller and two grandchildren from Humboldt Park, visited her brother, Mr. Chas. Peters and family last week Thursday.

Mrs. Paul Hoffman spent the week-end in Milwaukee with her daughter and husband, Mr. and Mrs. Richard Stack.

Mr. Steve Bauer, N. Douglas ave., is suffering with a cut on the left hand, injured when at work Monday. Five stitches were taken in the wound.

Jackie Martin from the city spent the week-end with his chum, Jack Peters in No. Dunton ave.

Mr. and Mrs. Elmer Harth's son, Bob, is ill and has been taken to Evanston hospital for treatment.

Dr. W. A. Schimmel's new residence in No. Belmont ave., is nearing completion and will soon be ready for the doctor and family to move in.

The lower apartment in 409 N. Evergreen ave., has been remodeled, redecorated, etc., and when finished will be occupied by Mr. and Mrs. Chas. Close.

Mr. and Mrs. Julius Vogel visited her brother, Mr. Max Stoeckel and family Saturday in Des Plaines. They are well and active, but worried about her son, Marvin Haskins, who has been in failing health for some time.

The Misses Carrie and Lydia Blume of Edison Park, called at the home of Mr. and Mrs. H. M. Blume Sunday. They were accompanied by their nephew, Leroy Blume, who leaves home Friday for army training and came to make a faewell call on his uncle Henry.

Mr. and Mrs. Hawkins, who have been visiting their daughter, Mrs. W. Franke and family, have returned to their home in Renssalaer, Ind.

Mrs. Raoul Peeters, who has been with her sister and family in Nevada several weeks, writes she and Bud are now in San Bernardino, Calif., visiting her aunt.

Al Weidner was taken suddenly ill last week and taken to a hospital for surgical care.

Several members of Presbyterian Missionary Society and friends will attend a Presbyterian Missionary meeting Friday at Erie Chapel, Chicago.

Mrs. Louise Hansing, 204 So. State rd., enjoyed a happy birthday Sunday, when her children and grandchildren came home to greet her with congratulations and other tokens of affection.

Warner, son of Mr. and Mrs. Paul Stoeckel, was 5 years old and had a party Saturday with guests who were his age and enjoyed the entertainment. Warner's mother provided for the happy day.

Mrs. Chas. Granzin celebrated her birthday Feb. 22, with eleven guests who enjoyed her fine hospitality with games and choice refreshments.

Thursday evening, Feb. 27, Mr. Louis Miller in W. Wing st. was honor guest when the Vogel families and other friends met to wish him happy birthday.

A group of relatives and friends had a surprise on Mr. and Mrs. Edwin Segesmann, of Roselle, on the occasion of their 25th wedding anniversary at the home of Mr. and Mrs. Harry Heinberg of Bloomingdale, Ill. They all enjoyed a happy evening.

Mr. and Mrs. Charles W. Peters, 1330 No. Dunton ave. on Feb. 26, were married 40 years. The last week in February has several happy dates for them. Mr. Peters and son, Bob, share the 23rd as their birthday and all the family were entertained in the home to celebrate the day. Wednesday, the 26th, the Sunshine club met in regular session with the usual happy, social time, when a neighbor gave the hostess a cake, a marvelous confection, the secret popped out Mrs. Peters had ot told friends of the eventful date, thinking some one might feel it was a suggestion to rally round. But there was a happy ending and everyone enjoyed the cake as best ever ate. Thursday, the 27th, at the O. E. S. meeting, the spotlight was turned on the Peters and a bridal bouquet was presented to Mrs. Peters and she was a blushing bride. Their son, Jackie in the next scene presents his parents with tickets for the opera "Student Prince" for the 27th, which they enjoyel happily, as a beautiful finale for their anniversary dates. May they enjoy many more is the wish of many friends.

Mrs. Chas. Fitzpatrick received a message early Saturday morning that a cousin's daughter, Lucille Miller, met a tragic death Friday, Feb. 28. A party of four friends were driving to their homes in Libertyville when near Half Day, a truck smashed into the auto, killing three of the passengers. The driver was taken to a hospital still in serious condition and not knowing of the tragic outcome of their drive toward home. Miss Miller and her girl friend were life-long friends and in the midst of plans forclosing year in college, only sorrow and memories for the friends who survive. Several relatives and friends of the Miller family went to Libertyville Sunday to express sympathy in this sad time of testing. Among those from Arlington Heights were Mr. and Mrs. Chas. Fitzpatrick and son, Mr. John Firnbach and daughter, Mrs. Fred Sieburg, Mrs. Ella Knopf and others.

Myron Blume, 905 N. Highland ave., underwent an operation for appendicitis at the Sherman hospital, Elgin, Tuesday morning. He is reported getting along as well as can be expected.

Jeanne Boss, 211 N. Belmont, will be ten years old Saturday, March 15, and will entertain just as many children as she is old, on that day. The usual games will be played and the table decorations will be in various colors.

Mrs. Florence Sieloff wishes to thank all her friends for the kind remembrances that she received during her stay at the hospital. Florence has not returned to work as yet, but plans to do so at an early date.

Rest Home Notes

Last Saturday Mrs. H. Garnet Plumly and Mr. Walter B. Hansen, attended the funeral of Mrs. John D. Putt at Edison Park. In November of 1939 Mrs. Putt was stricken with a cerebral hemmorrhage which rendered her entirely helpless. She had been in the care of the Home since May, 1940. During all this time she was most patient, and was in every sense of the word a model patient. In token of their respect and friendship practically all of the personnel of the Home visited the chapel where the funeral services were held. Mr. Hansen acted as pall bearer.

Mrs. Anna Hans, mother of Dr. Hans of Chicago, has returned to the Home for care. This is the third time she has been in the Home, and it is indeed a compliment to the Home to have her. Her sons, Albert of Arlington Heights, Otto of Des Plaines, and the doctor of Chicago, are frequest visitors at the Home.

Mrs. Harry Striggow of S. Dunton ave., continues to improve and expresses her appreciation for the thoughtfulness of her friends.

Miss Helen Keller is improving and is so kindly remembered by her many friends in Park Ridge and surrouding towns. Miss Keller is an accomplished musician, and hopes to gain strength so that she may be able to return to her most loved profession.

Mrs. Josephine Bullis of Oak Park, had a number of her Eastern Star friends call upon her Sunday. She always welcomes her friends.

Miss Dorothy Lambert of the South Shore district in Chicago, had a happy birthday Friday, February 28. Her mother enjoyed lunch with her and it was a happy day in the home. Dorothy was showered with birthday cards and many lovely gifts.

A strange coincidence — Mrs. Harry Striggow, one of the patients, Mrs. Fred H. Gieseke of Campbell st., who has served in the capacity of cook in the Home for the past four years, and Mrs. Plumly, director of the Home, all celebrated their birthday February 27. They all had a happy day and were delighted with lovely cards and other expressions of birthday wishes.

Mrs. Martha Leseberg celebrated her birthday on February 22. A group of her relatives and friends called at her home and enjoyed the evening. The hostess served lovely refreshments. Mrs. Leseberg has been one of the workers in the Home since August, 1939.

BEWARE OF SPRING FEVER

"When winter comes, can spring be far behind?" So a poet described the certain march of the seasons.

Just as sure as spring follows winter there comes a change in one's tastes, habits, inclinations. Often one has become so adjusted to battling with winter that the early days of spring bring on a certain lassitude, a weariness described in the time honored way as "Spring Fever."

Do not meet spring with weariness of mind and body. It was meant for enjoyment, gladness, health.

See your doctor before the advent of milder days. Prepare by a well advised schedule of diet and rest for glowing health and thorough pleasure in every sunny day.

If medication is prescribed ask your doctor to suggest a druggist.

Camp Fire Girls Plan Public Council Fire Sunday

The public Council Fire of the Camp Fire Girls, will be given at the Methodist church Sunday, March 9, at 6 p. m. to which interested parents and friends are invited.

Council Fire? Camp Fire Girls? You don't know what it's all about?

Well—Camp Fire is planned for girls, ten years of age and up. They play and learn and work together. Being a Camp Fire girl is fun. A girl grows in Camp Fire—as she progresses she takes rank: she begins as a Blue Bird (pre-Camp Fire age) then Trail Seeker, Wood Gatherer, Fire Maker and Torch Bearer. She learns by doing; honor beads are awarded for many achievements in the seven crafts—home, health, hand, camp, nature, business and citizenship. In Camp Fire, there's always something to do—and someone to do things with. Girls of all ages like Camp Fire because it is fun—because it gives them interesting things to do, the comradeship of friends, and the inspiration of high ideals.

Camp Fire was founded in 1912 and since then there have been more than two million Camp Fire girls—most of them in the United States, a good many in England, and some in a number of other countries. A Camp Fire group was started in Arlington Heights in 1913 and was one of the first 6 groups formed. The name, Camp Fire Girls was chosen for two reasons — because the fire on the hearth has symbolized the heart of the home since the earliest times; and because the Camp Fire suggests the out of doors, its beauty the health giving qualities of quiet fresh air and sunshine and the happiness there is in becoming acquainted with the world of nature.

The Council Fire is a dignified occasion at which honors are presented and the various ranks are awarded. It is impressive, with its beautiful ritual and symbolic ceremony. When the eighty Camp Fire Girls of Arlington Heights file into the candlelighted church, just at sundown, to present the Council Fire, you'll thrill to the beauty and sincerity of purpose and inspiration of Camp Fire. The Law of the Fire—seek beauty, give service, pursue knowledge, be trustworthy, hold on to health, glorify work, be happy, is a true design for living.

Taking part in the Council Fire are twenty Blue Birds under the direction of Mrs. Ross Richards, assisted by Mrs. M. F. Boss, Mrs. A. P. Sledz and Mrs. Ray Chidley. There are four groups of Camp Fire Girls. Mrs. B. H. Jarvis has the beginners who will take rank as Trail Seekers. They are Barbara Atkinson, Barbara Bishop, Shirley Helfers, Joan Dodge, Carol Koeppen, Helene Baker, Jean Baldwin, Priscilla Glow, Ann Sherwood, Diane Rector, Clara Judge, Jacquelin Lingren, Joan Mary Cahill, Ann Marie Schwartz, Joy Hermesdorf, Barbara Lloyd and Verlene Rogers.

Mrs. Raymond Hayes group, assisted by Frances Schneberger, is working for Wood Gatherer's rank: Carol Engel, Rhoda Jeanette Manley, Carla Bloecker, Patsy Collins, Jean Freyermuth, Jane Hayes, Janet Ninnemann and Mary Lou Richards who will take rank as Trail Seeker.

Mrs. Rex Volz's girls, assisted by Mrs. W. Kincheloe, are working toward Fire Maker's rank: Jean Blackburn, Marion Helfers, Dorothy Williams, Joan Lewke and Anne Volz.

Mrs. J. M. Kumler, assisted by Mrs. Paul Collins, is directing her girls toward the Torch Bearer's rank. They are Nancy Krumlish, Nancy Kumler, Nan Sommer, Pauline Russell, Joan Pate, Lois Kossack, LaEta Garms, Burneta Burns and Rose-Mary Heller. Burneta Burns also takes Fire Maker's rank.

For the Council Fire, Miss Harriet Roney will be the soloist, Mrs. Ralph Manley, organist, and Carol McWharter will play the cello accompaniment.

Camp Fire in Arlington Heights is sponsored by the Woman's Club and the Parent-Teacher Association.

Mrs. George Doyle entertained a group of friends at a dessert bridge party on Wednesday afternoon in honor of her mother, Mrs. Johnson, of Omaha, Neb., who is visiting here.

Young People Hear Art Talk

Mr. Gibas, art teacher in the north school gave an interesting talk before the young people of the Presbyterian church on Sunday evening on "Religion and Art." Following the program games and refreshments were enjoyed. The young people of the Wheeling Presbyterian church were guests at the meeting.

Woman's Christian Society to See Movies

The Woman's Society for Christian Service of the Methodist church will meet on Tuesday evening, March 11, and will enjoy movies, presented by Mr. Mieneke of the Honey farm. Music will also be furnished. The meeting will be held in the church parlor.

John Y. Beatty To Speak Before Garden Club

Mr. John Y. Beaty of Arlington Heights, author and naturalist, will be the speaker at the next meeting of the Arlington Heights Garden club, which will be held on the third Wednesday evening of March, instead of the usual time. The meeting will be held in the north school at 8 p. m.

Mr. Beaty will tell of his experiences on the desert of Arizona, where, for four months last year, he studied desert life, gleaning scientific data for a series of children's science books, which he is preparing.

Mr. Beaty will illustrate his talk with colored slides and pictures of cacti and flowers of Arizona.

Book Review at Friendly Class

The Friendly Class of the Presbyterian church will meet next Tuesday in the church parlor. Dessert will be served at 2 p. m., and election of officers will take place at the business meeting. Mrs. Jarvis will present a book review as the program for the afternoon.

Attend Illini Alumni Dance

Mr. and Mrs. Walter Armstrong of Stonegate attended on Saturday evening the dinner dance given by the Illini Alumni of Chicago at the Columbia Yacht Club honoring the 73rd anniversary of the University of Illinois. These affairs were held all over the country, and were broadcast over a coast to coast hook up, with WMAQ the Chicago outlet.

Speakers for the evening were President A. C. Willard and Dean C. M. Thompson who spoke from Urbana; Dr. R. B. Allen, executive Dean of the three colleges of the University of Illinois, located in Chicago; Mr. Charles H .Dennis a member of the tenth graduating class and editor emeritus of the Daily News, and Carl Van Doran, well known author of New York City, who spoke from the Illini club at Columbia University, New York City.

Harry F. Glair of FlossMoor acted as master of ceremonies.

Mr. and Mrs. Lloyd LaPlant of Skokie and Mr. and Mrs. Haase of the village were Saturday evening dinner guests of Mr. and Mrs. Ross Richards.

Mr. and Mrs. Clyde Meredith were Sunday guests of the Frank Hall and Herbert Hall families, and in the afternoon the group motored to Pleasant Lake, Wis., to inspect their properties.

Mrs. Stanley Myer was hostess to her bridge club on Thursday afternoon for cards and dessert.

Mrs. V. A. Pecchia appeared on the "Americanism" program presented by the Business Men's association of Logan Square, which was held last week in the Logan Square Masonic Temple before a capacity audience. Mrs. Pecchia talked on the flag.

Radio Artists, Two Real Homemakers, To Appear On Afternoon Program

Well known WLS 'Homemakers' who will appear on program of Missionary society of Arlington Methodist church Mar. 18.

"Martha" and "Helen" will give a talk on "Behind the Scenes in Radio" after meeting with radio friends at dessert luncheon.

Two women, well known to every housewife, will make a personal appearance in Arlington Heights, when the Missionary society of the Arlington Heights Methodist church brings Martha Crane anl Helen Joyce, WLS Feature Foods "Homemakers," here as guest artists at a dessert luncheon which they have planned for the afternoo of March 18, in the Methodist church.

Martha and Helen, as they are known to their thousands of "mike" friends, are old timers in the radio world. Their Feature Foods program, broadcast from 11 to 11:30 a. m. daily (except Sunday) over Station WLS, is filled with useful household hints, recipes, and lively homely chatter.

Women everywhere, having listened to the program for many years, have come to regard this team as personal friends. And being two home-loving everyday women themselves, Martha and Helen spend much of their free time meeting personally these unseen friends of theirs.

According to advance information, Martha and Helen plan to present an informal talk at this meeting on "Behind the Scenes in Radio." They will picture for those present, something of what goes on inside a radio station, along with some of the radio "trade secrets" every one wonders about. In adlition, these popular stars will present bits of their useful household "gossip." And it will not be at all surprising if there will be gifts for every one present.

Dessert will be served at one o'clock and reservations must be made in advance, with tickets priced at 25c each. Tickets may be purchased from any member of the Missionary Society or by calling Mary Meyer, tel. 1345 or Lydia Hausam, tel. 145-J.

The advance sale shows an evidence of much interest in the program and those desiring reservations should not delay. The date, March 18 the place, the Methodist church; the time, 1 p. m.

Theta Chi Dinner

The Beta chapter of Theta Chi met on Monday evening at the home of Mrs. H. E. Johnson, and enjoyed their annual dinner. The dinner this year was in honor of St. Patrick's day and the color scheme through the rooms was carried out in green and white.

Miss Lawless, a teacher in the north school, presented the program for the evening.

Series of Teas At M. E. Church

The Sunday school teachers of the Methodist church are giving a series of teas, which are held each second Monday afternoon of the month from 3:30 to 5:00 p. m. in the church parlor. The second of these teas will take place Monday afternoon, March 10. Any one interested is invited to attend, to enjoy a social hour and entertainment anl a cup of tea. A free will offering will be taken. These teas will continue throughout the months.

American Legion Auxiliary Notes

Tuesday evening the American Legion Auxiliary held its March business meeting at Legion house, with all officers present.

Each standing committee is supposed to furnish a program some time during the year, and Mrs. Joseph Wisersky, community service chairman had charge of the March program, and introduced Mr. Marion Hogate, who came from a Park board meeting to tell the members of the auxiliary what is being done and planned for Recreation Park. Supervised play and the ever present Ways and Means were discussed informally.

After adjournment, Mr. G. Rex Volz assisted by Mr. Frank Jahn entertained the group, by showing a number of movies, beginning with a showing of the Youth Parade which was held in the village last June, and including a number taken by Mr. Albert Volz on his western trip last summer.

Refreshments were served by the hostesses for the evening, Mrs. Harvey Daggett and Mrs. George Jorgensen.

What the well-dressed foot will not wear in 1941. (But it was oh, so smart 50 years ago!)

Mrs. Vawter and son, Jay, returned Saturday from a month's vacation in Florida.

Mr. and Mrs. Guy Baxter returned this week from a six week's business and vacation trip through the south and west.

Thirty members and friends of the Epworth League of the Methodist church motored to Elgin on Saturday evening to enjoy a roller skating party.

Corephelia Society met on Monday evening at the home of Mrs. Fayette Briggs, and enjoyed an evening of pictures.

Miss Butterwick of Chicago was a week-end guest at the Oris B. Cunningham home.

Mrs. Sieloff (formerly Florence Proctor) is recovering in a Chicago hospital, following an appendectomy.

Miss Gertrude Adam was hostess to ten friends at a dinner party on Friday evening, when the guests enjoyed an "evening at the races." The center of the table formed a small race track, where miniature horses appeared and the track was decorated with flowers and greens. Following the dinner the guests enjoyed playing racing games, and even the prizes carried out the theme for the evening.

Mr. and Mrs. F. W. Wiedman of Dundee announce the birth of a son born Feb. 26 at the Sherman hospital in Elgin. Mrs. Wiedman is the daughter of Mr. and Mrs. Albert Hansing of 201 S. Evergreen ave.

Mrs. Clara Hefferen of 110 So. Highland ave., who recently recovered from an eye operation, is home ill due to an infection and will be unable to return to her employment for some time. She is to undergo another operation in the very near future.

P-TA Council to Convene At Park Ridge March 14

The Council of Northwest Suburbs, Illinois Congress of Parents and Teachers will convene in all day meeting on Friday, March 14 in the St. Mary's church, 306 Prospect ave., Park Ridge, with registration at 9:45 a. m.

Mrs. Leonard Graf, Illinois Congress Summer Round-up chairman, will talk on Summer Round-Up, and local units will report health accomplishments in their own P.-T.A. or community.

Luncheon will be served at noon by the ladies of the church for 50c and reservations must be made by Wednesday, March 12, with Mrs. J. M. Sommer, tel. 483.

The afternoon session will open at 1 p. m. with music by the Park Ridge grade school band under the direction of Mr. P. M. Keast. A motion picture appreciation lesson on "Jerry Pulls the Strings" will be followed by the showing of the picture. This is under the direction of Mrs. Wilbur C. Howard, Council co-chairman of Visual Education.

Mrs. F. A. Hess, Mrs. T. A. Copple and Mrs. John Reusser, three presidents who have attended several conventions will informally discuss "Getting the Most Out of the State Convention."

Mrs. Geo. Wheeler, district assistant and council Visual Education chairman, will present an appreciation lesson on "Fantasia."

Chairmen of local committees are urged to attend.

Mr. and Mrs. O. G. Barrett motored Bud Mills and his wife to their home in East Lansing, Mich., last week, and enjoyed a few days visit in Addison, Mich. Mrs. Joseph Burbank and daughter, JoAnn of Chicago, were guests at the A. D. Hines home last week.

News Of Prospect Heights

WE WELCOME

Mr. and Mrs. Robert E. Wallor of Willow rd., and Mr. and Mrs. J. C. Teborak of Maple ave., to our community and hope they enjoy their new home.

Mr. C. A. Smith of Smith & Dawson Co., informs us that Mr. Francis W. Major and Mr. Hugh L. Galbraith will be proprietors of the Rexall Drug store which will open in Prospect Heights on April 15, and that Mr. and Mrs. H. L. Galbraith will take up residence in the apartment above the office and stores at about the same time. Mr. Major who has a lot out here, will become a resident as soon as his home can be completed.

Mr. and Mrs. A. Allord moved into the Irwin residence on Willow rd. last Sunday and are now busy getting it into order.

SCHOOL BOARD ELECTION CHANGED

The Wheeling Center school board has been presented with a petition requesting a board of education. Due to the increase in population of the school district our school may now have a governing body of from five to seven members, which at present only has three. Posters had been posted regarding March 15, as the date for special election, but a new law has been passed nullifying the necessity of special election and a notification has come through from Supt. Noble Puffer that the school election should take place on April 12. Don't forget the date and be sure to get out and vote.

P.-T.A. NEWS

The next regular meeting of the Wheeling Center Parent-Teacher's association, will be held next Tuesday evening, March 11, at 8:00 o'clock at the Wheeling Center school, Palatine and Schoenbeck rds. Nomination of officers for the 1941-42 term will take place and all eligible members of the association are requested to be present and show their membership cards or be vouched for if they have not their cards. Refreshments will be served at the close of the business meeting.

The executive board of the P.-T.A. met at the home of Mrs. Roy A. Hartke, Tuesday evening and worked out many plans for the future as well as the business on hand.

P.-T.A. TOUR

The P.-T.A. is sponsoring a tour of the Olson Rug company, Diversey and Crawford aves., in Chicago, at 2:00 o'clock Tuesday, March 18. This is an excellent chance to see rugs and carpets in the making, from raw materials to beautiful works of art as well as one of the most modern industrial plants in the country. For your convenience Mrs. Roy C. Bolt will make reservations for transportation if you will call her at 7021-R. If you have a car available, will you please notify Mrs. Bolt just how many you could accommodate? As usual, the proceeds will go for something our school children need, so we hope to see a lot of the mothers and neighbors at the tour.

P.H.I.A. NOMINEES NAMED FOR 1941-42 TERM

At the last regular meeting of the Prospect Heights Improvement Association meeting, the order of business called for nominations for officers of the association for the term of 1941-42 election, which will be held at the annual meeting the 21st of May. Nominated for the office of president were Roy C. Bolt, Geo. H. Moritz, Carl K. Stehman and Wm. Hopewell. For vice president, Chas. Darfler, James E. Meehan, Robert Rankine and Robert M. Paulson. For secretary, Homer Torreyson, present secretary, who has held the same office for two consecutive years. For treasurer, Bertram E. Olson, Edw. F. Rauen, Daniel C. Robertson, Sr. and Edw. Vallely. For financial secretary, Vincent I. Shepherd was the only nominee.

Nominated for manager of the board for the northeast district were James M. Nielsen, Rudolph Lhotsky, and Edw. F. Rauen. For the northwest district, Frank A. Portman, Robert M. Paulson, Edw. Mueller. For the southwest district, Carl K. Stehman, Arthur H. Henke, Harold Lamb. For the southeast district, and the district with the largest amount of homes in the community, Daniel C. Robertson, Sr., Earl Neighbors, J. Wayne Bowman, Chas. Darfler, Jas. E. Meehan, Roy C. Bolt, Ben B. Peters, Edw. Vallely, Bertram Olson, Harry Gardner and Chas. Ledyard were nominated.

CONGRATULATIONS

To Mrs. E. Spears, who celebrated her 80th birthday at the home of her son and daughter-in-law, Mr. and Mrs. Wm. (Billy) Spears) on Marion ave., last Monday evening. The honored lady was surprised by a house full of guests who gathered to wish her many more happy birthdays. Howard Osborne and his gang, the original Hungry Five, Herr Louie and Fred Geske, of the Milwaukee Journal and radio fame, came out to pay homage to the guest of honor. Needless to say this was a happy occasion for Mrs. E. Spears.

Little Arline Rowader celebrated her 4th birthday on the 24th of the month and Mrs. J. Burch and Mrs. Jos. Knollmueller came over in the afternoon to wish the little one well. Mr. and Mrs. Harvey F. Barber dropped in to pay their respects to the birthday child in the evening, which completed a happy birthday, but we guess the best present of all was the fact that Grandma Bilski was visiting for the week. Mrs. J. Bilski returned to her home in St. Paul, Minn., on Sunday after a most pleasant stay.

A happy birthday to two of our fast growing young men who reached the age of 11 years last week. They were Donald Schramek and Edward Bowman.

Another Edward, who had a birthday last week, but we know it was quite distant from the ages of the above was Mr. Edward Mille of McDonald rd. Hope you have many more too, Ed.

Margie, Lorraine and Clarence Peterson, Jr., had a very exciting week-end. Their aunt, Mrs. F. Ziehlke, of Norwood Park, took them down to Field's on Saturday where they had lessons with their Puppets which were a Christmas present from their aunt, and later enjoyed lunch and a show, returning to Norwood Park with Mrs. Ziehlke, and staying with their aunt and uncle until Sunday evening. Perhaps these young folks will put on a show with their puppets for us some time.

Mr. and Mrs. Chas. Ledyard visited Mr. and Mrs. G. Platt of Evergreen Park, on Monday. Mrs. Platt is a sister of Mrs. Ledyard.

Mrs. Roy A. Hartke attended her club at the home of Mrs. V. Viscounti of Chicago, on Thursday evening.

Mr. and Mrs. B. Olson had as their dinner guests on Sunday, Mr. and Mrs. Erwin Behling and daughter, Mr. and Mrs. G. Will of Palatine and Mr. and Mrs. E. Will of Chicago.

Mr. and Mrs. Roy C. Bolt and family were supper guests at the Hartke home on Sunday and in the afternoon the Hartke's were surprised with a visit from Mr. and Mrs. A. Hartke and Mr. and Mrs. V. Viscounti, who were anxious to see how little Heather Joyce had recovered from her tonsilectomy.

Mr. and Mrs. Roy C. Bolt were guests at a birthday party on Saturday evening, where they, and others of their family, had gathered to pay their respects to Mrs. Bolt's aunt, Mrs. E. Josetti, who celebrated her 75th birthday.

On Thursday evening Mrs. Geo. Boerher was summoned to the bedside of her father, Mr. W. Ramspeck, of Escanaba, Mich., who has been ill for the past year. Upon her arrival she found that her mother was very ill with the flu. We hope that both of her parents will soon recover.

Mr. and Mrs. Daniel C. Robertson, Sr., entertained Mr. and Mrs. Chas. Ledyard and Mr. and Mrs. L. Lederer at a pinochle party. Mr. Ledyard and Mrs. Lederer, proved who was the best pinochle players and why, by winning the prizes, while Mr. L. Lederer walked off with the booby prize. There was much fun and laughter and the folks enjoyed a delightful midnight repast. Mr. L. Lederer plans on taking lessons from his wife, might not be such a bad idea, seeing that Harriet walked off with the prize most of the time. Who was it that said, "Women don't have card sense?"

Mr. and Mrs. Jos. F. Orose entertained Mr. and Mrs. Quell of Mt. Prospect, and Mr. and Mrs. Wetzel of Cary, on Friday evening. On Sunday the Orose enjoyed dinner at "Phil Johnson's" on Waukegan rd. Tuesday evening Mrs. Orose attended her bridge club in Chicago.

Sunday evening Mr. and Mrs. J. Burch entertained Mr. and Mrs. Andrew Pape, their daughter, Betty and son, Leonard, of Chicago. On Tuesday Mrs. L. Skibbe, mother of Mrs. Burch, came out for a few days stay, and Miss E. Nelson spent Tuesday visiting with Mrs. Burch and her mother. On Thursday Mrs. Burch attended a tea at the home of her cousin, Mrs. Robert Fick, of Chicago.

PLANS FOR P.H.I.A. SPRING FROLIC FORGING AHEAD

Mr. Roy C. Bolt, chairman and Mr. Roy A. Hartke, co-chairman, report that plans for the Prospect Heights Improvement Association Spring Frolic, to be held at the Arlington Heights field house Saturday evening, April 19, are taking great shape. Tickets will be off the press some time this week and one of the committee will soon be calling at your door with your tickets.

A great deal of fun is in store for those who plan to attend, and there will be plenty judging from the many requests for tickets already. This annual affair is looked forward to by all in the community and the advantage of having a larger place to hold this frolic will make this even a larger success than the parties in the past. Novelties are being planned for your entertainment, refreshments and so many other novel ideas that you will have only yourself to blame if you do not include this date in your schedule. There has been a change in orchestra. Wally Hahnfeldt previously stated, will be unable to play, because of a previous booking, but the committee has procured Gilbert Oldenburg of Mt. Prospect to bring out the Gilbert's Harmony Boys and they're plenty good. So it's a date! We'll be seeing you!

The children of the school received their membership cards in the "Sheriff's Safety Club" of Cook county. On Jan. 9, they were given their list of safety regulations by deputy sheriffs from O'Brien's office, who visited our school, and they were asked to try to keep them. They are to keep their membership card and will lose it only if they violate some law. Their card may be retracted at any time by the teachers on complaint of the bus driver, through their observations, or on authentic reports of violations.

The teachers believe that membership in this club has been a help already in loading and emptying a crowded bus, and hope it will lead to safer bicycle riding this spring. Cook county would like to eliminate night riding of bicycles, but if your child must be on a bicycle at night, he must have a headlight, a rear reflector and wear something white. At no time are there to be two children on a bicycle.

Won't you please cooperate with the teachers in stressing the importance of keeping all safety laws and the honor of keeping their safety cards.

Mabel R. Fowler, Prin.

Wednesday afternoon Mrs. W. E. Abbs attended her bridge club at the home of Mrs. Walter Armbruster.

In the event that a few of the ladies in our community would be interested in attending a dessert luncheon, which will be held March 18, with service commencing at 1:00 p. m. at the Arlington Heights Methodist church, Dunton ave. will they kindly get in touch with Mrs. Mary Meyer by calling Arlington Heights 1435. The guest speakers for the afternoon will be Martha Crane and Helen Joyce of WLS radio fame. A very pleasant afternoon is assured everyone who attends, and the tickets are only 25c.

Mr. and Mrs. Harry Steele drove down to South Bend on Monday with Dick's sister, Mrs. Tad Hyatt, where they had a very pleasant time visiting a very old friend, Mrs. Charles Kuss.

Mr. and Mrs. Jim Nielsen entertained Mr. and Mrs. Charles Bushee, of Oak Park, and their newly married daughter and husband. As usual when the Bushee family and Nielsens get together, they had an exciting evening playing pinochle.

Sunday forenoon Mr. and Mrs. Joseph Maxwell visited with the Nielsens and enjoyed dinner with them.

Mr. and Mrs. Foy were guests Sunday afternoon at the home of Harry and Dick Steele.

Sunday Mr. and Mrs. Rudolph Lhotsky entertained Rudy's parents, Mr. and Mrs. Frank Lhotsky, a brother and his wife, Mr. and Mrs. Jerry Lhotsky, Mr. and Mrs. Joseph Kopeckesky, and Miss Beatrice Fineglass. The folks all had a grand time playing ping pong, cards, and later Marge served a delicious supper.

It seems we never let a week pass in our community that some one does not have to take a trip down to Elmhurst hospital. This week we had two of our folks in the hospital, Mr. Edward Mueller, suffering from a bad arm infection, which has been giving Eddie trouble for some time. Eddie returned from the hospital last Friday, and at this time he is reported getting along very well. The other hospital patient was Heather Hartke, who went in Saturday to have her tonsils and adenoids removed. Heather returned home Saturday evening, and is now feeling pretty good. Mrs. Nan Rauen also had a busy time all of last week driving back and forth to Elmhurst hospital, visiting Ed's mother, who was taken there a week ago Sunday on account of a very bad arm fracture. Mother Rauen is now home with Ed. and Nan, having returned from hospital Tuesday afternoon. Although the arm is very painful, it is hoped that she will be able to return to her own home real soon.

Mrs. Harry Gardner has been home with her mother, where the doctor has been calling on her as the result of a very bad cold.

John Rodgers is another person in the community who is under doctor's care suffering from a very painful boil on his face and the flu.

Mrs. Vi Danielson is also under doctor's care, suffering from the effects of a bad cold.

Little Bobby Brownell was home from school for a couple of days with a bad cold.

We wish a very speedy recovery to all of our sick people, and hope to see them all up and around real soon.

Saturday evening Mr. and Mrs. James Jackson gave a dinner party and those who enjoyed a really grand evening were Mr. and Mrs. L. LaSalle, Mr. and Mrs. Robert Vogelsang, Mr. and Mrs. Howard Ullman. The boys of the party put on a show for the ladies and later all enjoyed playing poker. Sunday evening the Jacksons attended their Sunday evening club at the home of Miss Anne Rebl.

Mr. Homer Torreyson drove down to Davenport, Iowa, last Friday evening and returned Sunday evening. Homer visited his mother who is still not feeling very well. We certainly wish her the best of luck and a speedy recovery.

Thursday afternoon Mrs. Torreyson and Jane Ann drove into Edison Park and enjoyed lunch with Mrs. J. A. Langman. During the afternoon Mr. Torreyson arrived in time to enjoy dinner with the Langmans, and a very pleasant evening.

Mrs. Edna Ehrlick enjoyed a grand visit with her mother, Mrs. C. Westhoff and sisters, Mrs. R. Hackell, and Mrs. H. Samp, also her sister-in-law, Mrs. F. Westhoff on Wednesday afternoon.

Mr. and Mrs. Edward Sobwick have Marcella's parents, Mr. and Mrs. Arlove, from Beloit, Wisconsin, staying with them for a few weeks.

Annual Literary Tea To Feature Mrs. Burke Ellis

The annual literary tea, sponsored by the Arlington Heights, Palatine and Mt. Prospect Woman's clubs will be held Thursday, March 13, at 2 p. m. in the Arlington Heights field house.

Mrs. Florence Burke Ellis, noted reader, will review the book "Random Harvest" by James Hilton.

The Fine Arts committees of the three clubs will serve as hostesses following the program, which will include a group of songs to be sung by Florence Ward of the Mt. Prospect Woman's club. The Mt. Prospect Woman's club chorus, under the direction of Mrs. Ward, has also been invited to sing, and the selections of the chorus are dedication by Franz, Waltz of the Flowers, from the Nutcracker Suite by Tschaikowsky, and Three Little Maids by Elliot.

This tea is open to the public and everyone is urged to attend, since it is one of the outstanding events on the club's yearly program.

CLEAN UP DAY MARCH 12

The next regular clean-up day will be on Wednesday, March 12, on which day all trash and rubbish placed in containers at the curb, will be picked up and disposed of.

Residents are requested to place all rubbish in bags or boxes securely tied. No ashes or garbage will be removed.

Notice to Dog Owners

Warning is hereby given to all dog owners to keep their dogs in their own yards or on a leash. Any resident finding a dog trespassing on his property can deal with it as he sees fit.

Old Gardener Says---

There's no time like the present to force shrubbery blooms for real garden beauty in the home.

Crabapples, lilacs, golden bell—all may be brought to bloom indoors by the following procedure, although some seasons produce more abundant blossoms than others.

1—After the shrubs are cut, allow them to reach basement temperature.

2—Submerge whole spray in room temperature water for approximately two or three hours.

3—Place spray in bucket in cool place for week or ten days.

Vigoro or a B-1 solution may be added to the water and the sprays should be sprinkled each day as it is imperative that the buds be kept moist.

Early enthusiasm over our gardens will lead to a bigger and better Mt. Prospect flower show.

Origin of '40 and 8'

Twenty years ago, a Philadelphian, Joseph W. Breen, was reminiscing with buddies, about their mode of travel through France during the World war. And from that recollection, the organization known today as the "40 and 8," the honor society of the American Legion, came into being. Founded in Philadelphia, the organization has grown into a national organization of several thousand legionnaires. Recently, the parent organization honored the founder.

Married at 96

Justus O. Rockwell, 96-year-old Civil war veteran, is married to Hattie E. Alexander by Justice of the Peace William Hoar. This item appeared in the Seattle Post-Intelligencer as of August 21, 1930. Who said "Youth must be served?"

Interesting Discussion Planned for P.-T. A. Meeting

The next regular meeting of the P.-T.A. on March 6 at 8 p. m. in the public school will be an especially interesting one. A panel discussion will take place between Miss Bertha Ehard, of the Camp Fire Girls; Mr. John L. Grose, assistant principal and athletics instructor at Arlington high school; Mr. Russell Smith of the Boy Scouts; Mrs. George B. Payne, a parent; and Mr. Clarence Gallagher, a teacher. The subject will be "Is the Children's Time Being Exploited by Extra-Curricular Activities?"

The mothers of grade 3 will act as hostesses under Mrs. Roy Wilson, room mother.

American Legion Auxiliary

Mrs. D. Budlong will entertain the Mt. Prospect American Legion Auxiliary at her home, 312 So. Emerson st., on Monday evening, March 10. Mrs. Gould, social chairman, will announce the many attractions to be offered at the annual card party to be held on Friday evening, April 18, at the public school building. Among these will be the handsome fur piece received from a loop furrier as a gift for sponsoring a tour through his plant.

BANKING LOOKS AHEAD

America is On the March!

On all sides headlines bear the glad tidings that America is marching forward again. From north, east, south and west comes news of better business, higher wages, more jobs.

Like a trained army that finds a weak spot in the enemy's defense and then attacks in full force, let us bring our united strength to bear against our common enemy — depression.

We believe that a new era lies ahead, one of close cooperation among all groups including government, workers, banks and business men. Our bank is ready to help in every way it can.

Mrs. Roy A. Hartke attended her club at the home of Mrs. V. Viscounti of Chicago, on Thursday evening.

Mr. and Mrs. B. Olson had as their dinner guests on Sunday, Mr. and Mrs. Erwin Behling and daughter, Mr. and Mrs. G. Will of Palatine and Mr. and Mrs. E. Will of Chicago.

Mr. and Mrs. Roy C. Bolt and family were supper guests at the Hartke home on Sunday and in the afternoon the Hartke's were surprised with a visit from Mr. and Mrs. A. Hartke and Mr. and Mrs. V. Viscounti, who were anxious to see how little Heather Joyce had recovered from her tonsilectomy.

Mr. and Mrs. Roy C. Bolt were guests at a birthday party on Saturday evening, where they, and others of their family, had gathered to pay their respects to Mrs. Bolt's aunt, Mrs. E. Josetti, who celebrated her 75th birthday.

On Thursday evening Mrs. Geo. Boerher was summoned to the bedside of her father, Mr. W. Ramspeck, of Escanaba, Mich., who has been ill for the past year. Upon her arrival she found that her mother was very ill with the flu. We hope that both of her parents will soon recover.

Mr. and Mrs. Daniel C. Robertson, Sr., entertained Mr. and Mrs. Chas. Ledyard and Mr. and Mrs. L. Lederer at a pinochle party. Mr. Ledyard and Mrs. Lederer, proved who was the best pinochle players and why, by winning the prizes, while Mr. L. Lederer walked off with the booby prize. There was much fun and laughter and the folks enjoyed a delightful midnight repast. Mr. L. Lederer plans on taking lessons from his wife, might not be such a bad idea, seeing that Harriet walked off with the prize most of the time. Who was it that said, "Women don't have card sense?"

Mr. and Mrs. Jos. F. Orose entertained Mr. and Mrs. Quell of Mt. Prospect, and Mr. and Mrs. Wetzel of Cary, on Friday evening. On Sunday the Orose enjoyed dinner at "Phil Johnson's" on Waukegan rd. Tuesday evening Mrs. Orose attended her bridge club in Chicago.

Sunday evening Mr. and Mrs. J. Burch entertained Mr. and Mrs. Andrew Pape, their daughter, Betty and son, Leonard, of Chicago. On Tuesday Mrs. L. Skibbe, mother of Mrs. Burch, came out for a few days stay, and Miss E. Nelson spent Tuesday visiting with Mrs. Burch and her mother. On Thursday Mrs. Burch attended a tea at the home of her cousin, Mrs. Robert Fick, of Chicago.

PLANS FOR P.H.I.A. SPRING FROLIC FORGING AHEAD

Mr. Roy C. Bolt, chairman and Mr. Roy A. Hartke, co-chairman, report that plans for the Prospect Heights Improvement Association Spring Frolic, to be held at the Arlington Heights field house Saturday evening, April 19, are taking great shape. Tickets will be off the press some time this week and one of the committee will soon be calling at your door with your tickets.

A great deal of fun is in store for those who plan to attend, and there will be plenty judging from the many requests for tickets already. This annual affair is looked forward to by all in the community and the advantage of having a larger place to hold this frolic will make this even a larger success than the parties in the past. Novelties are being planned for your entertainment, refreshments and so many other novel ideas that you will have only yourself to blame if you do not include this date in your schedule. There has been a change in orchestra. Wally Hahnfeldt previously stated, will be unable to play, because of a previous booking, but the committee has procured Gilbert Oldenburg of Mt. Prospect to bring out the Gilbert's Harmony Boys and they're plenty good. So it's a date! We'll be seeing you!

The children of the school received their membership cards in the "Sheriff's Safety Club" of Cook county. On Jan. 9, they were given their list of safety regulations by deputy sheriffs from O'Brien's office, who visited our school, and they were asked to try to keep them. They are to keep their membership card and will lose it only if they violate some law. Their card may be retracted at any time by the teachers on complaint of the bus driver, through their observations, or on authentic reports of violations.

The teachers believe that membership in this club has been a help already in loading and emptying a crowded bus, and hope it will lead to safer bicycle riding this spring. Cook county would like to eliminate night riding of bicycles, but if your child must be on a bicycle at night, he must have a headlight, a rear reflector and wear something white. At no time are there to be two children on a bicycle.

Won't you please cooperate with the teachers in stressing the importance of keeping all safety laws and the honor of keeping their safety cards.

Mabel R. Fowler, Prin.

Wednesday afternoon Mrs. W. E. Abbs attended her bridge club at the home of Mrs. Walter Armbruster.

In the event that a few of the ladies in our community would be interested in attending a dessert luncheon, which will be held March 18, with service commencing at 1:00 p. m. at the Arlington Heights Methodist church, Dunton ave. will they kindly get in touch with Mrs. Mary Meyer by calling Arlington Heights 1435. The guest speakers for the afternoon will be Martha Crane and Helen Joyce of WLS radio fame. A very pleasant afternoon is assured everyone who attends, and the tickets are only 25c.

Mr. and Mrs. Harry Steele drove down to South Bend on Monday with Dick's sister, Mrs. Tad Hyatt, where they had a very pleasant time visiting a very old friend, Mrs. Charles Kuss.

Mr. and Mrs. Jim Nielsen entertained Mr. and Mrs. Charles Bushee, of Oak Park, and their newly married daughter and husband. As usual when the Bushee family and Nielsens get together, they had an exciting evening playing pinochle.

Sunday forenoon Mr. and Mrs. Joseph Maxwell visited with the Nielsens and enjoyed dinner with them.

Mr. and Mrs. Foy were guests Sunday afternoon at the home of Harry and Dick Steele.

Sunday Mr. and Mrs. Rudolph Lhotsky entertained Rudy's parents, Mr. and Mrs. Frank Lhotsky, a brother and his wife, Mr. and Mrs. Jerry Lhotsky, Mr. and Mrs. Joseph Kopeckesky, and Miss Beatrice Fineglass. The folks all had a grand time playing ping pong, cards, and later Marge served a delicious supper.

It seems we never let a week pass in our community that some one does not have to take a trip down to Elmhurst hospital. This week we had two of our folks in the hospital, Mr. Edward Mueller, suffering from a bad arm infection, which has been giving Eddie trouble for some time. Eddie returned from the hospital last Friday, and at this time he is reported getting along very well. The other hospital patient was Heather Hartke, who went in Saturday to have her tonsils and adenoids removed. Heather returned home Saturday evening, and is now feeling pretty good. Mrs. Nan Rauen also had a busy time all of last week driving back and forth to Elmhurst hospital, visiting Ed's mother, who was taken there a week ago Sunday on account of a very bad arm fracture. Mother Rauen is now home with Ed. and Nan, having returned from hospital Tuesday afternoon. Although the arm is very painful, it is hoped that she will be able to return to her own home real soon.

Mrs. Harry Gardner has been home with her mother, where the doctor has been calling on her as the result of a very bad cold.

John Rodgers is another person in the community who is under doctor's care suffering from a very painful boil on his face and the flu.

Mrs. Vi Danielson is also under doctor's care, suffering from the effects of a bad cold.

Little Bobby Brownell was home from school for a couple of days with a bad cold.

We wish a very speedy recovery to all of our sick people, and hope to see them all up and around real soon.

Saturday evening Mr. and Mrs. James Jackson gave a dinner party and those who enjoyed a really grand evening were Mr. and Mrs. L. LaSalle, Mr. and Mrs. Robert Vogelsang, Mr. and Mrs. Howard Ullman. The boys of the party put on a show for the ladies and later all enjoyed playing poker. Sunday evening the Jacksons attended their Sunday evening club at the home of Miss Anne Rebl.

Mr. Homer Torreyson drove down to Davenport, Iowa, last Friday evening and returned Sunday evening. Homer visited his mother who is still not feeling very well. We certainly wish her the best of luck and a speedy recovery.

Thursday afternoon Mrs. Torreyson and Jane Ann drove into Edison Park and enjoyed lunch with Mrs. J. A. Langman. During the afternoon Mr. Torreyson arrived in time to enjoy dinner with the Langmans, and a very pleasant evening.

Mrs. Edna Ehrlick enjoyed a grand visit with her mother, Mrs. C. Westhoff and sisters, Mrs. R. Hackell, and Mrs. H. Samp, also her sister-in-law, Mrs. F. Westhoff on Wednesday afternoon.

Mr. and Mrs. Edward Sobwick have Marcella's parents, Mr. and Mrs. Arlove, from Beloit, Wisconsin, staying with them for a few weeks.

MOUNT PROSPECT

Annual Literary Tea To Feature Mrs. Burke Ellis

The annual literary tea, sponsored by the Arlington Heights, Palatine and Mt. Prospect Woman's clubs will be held Thursday, March 13, at 2 p. m. in the Arlington Heights field house.

Mrs. Florence Burke Ellis, noted reader, will review the book "Random Harvest" by James Hilton.

The Fine Arts committees of the three clubs will serve as hostesses following the program, which will include a group of songs to be sung by Florence Ward of the Mt. Prospect Woman's club. The Mt. Prospect Woman's club chorus, under the direction of Mrs. Ward, has also been invited to sing, and the selections of the chorus are dedication by Franz, Waltz of the Flowers, from the Nutcracker Suite by Tschaikowsky, and Three Little Maids by Elliot.

This tea is open to the public and everyone is urged to attend, since it is one of the outstanding events on the club's yearly program.

CLEAN UP DAY MARCH 12

The next regular clean-up day will be on Wednesday, March 12, on which day all trash and rubbish placed in containers at the curb, will be picked up and disposed of.

Residents are requested to place all rubbish in bags or boxes securely tied. No ashes or garbage will be removed.

Notice to Dog Owners

Warning is hereby given to all dog owners to keep their dogs in their own yards or on a leash. Any resident finding a dog trespassing on his property can deal with it as he sees fit.

Old Gardener Says---

There's no time like the present to force shrubbery blooms for real garden beauty in the home.

Crabapples, lilacs, golden bell—all may be brought to bloom indoors by the following procedure, although some seasons produce more abundant blossoms than others.

1—After the shrubs are cut, allow them to reach basement temperature.

2—Submerge whole spray in room temperature water for approximately two or three hours.

3—Place spray in bucket in cool place for week or ten days.

Vigoro or a B-1 solution may be added to the water and the sprays should be sprinkled each day as it is imperative that the buds be kept moist.

Early enthusiasm over our gardens will lead to a bigger and better Mt. Prospect flower show.

Origin of '40 and 8'

Twenty years ago, a Philadelphian, Joseph W. Breen, was reminiscing with buddies, about their mode of travel through France during the World war. And from that recollection, the organization known today as the "40 and 8," the honor society of the American Legion, came into being. Founded in Philadelphia, the organization has grown into a national organization of several thousand legionnaires. Recently, the parent organization honored the founder.

Married at 96

Justus O. Rockwell, 96-year-old Civil war veteran, is married to Hattie E. Alexander by Justice of the Peace William Hoar. This item appeared in the Seattle Post-Intelligencer as of August 21, 1930. Who said "Youth must be served?"

Interesting Discussion Planned for P.-T. A. Meeting

The next regular meeting of the P.-T.A. on March 6 at 8 p. m. in the public school will be an especially interesting one. A panel discussion will take place between Miss Bertha Ehard, of the Camp Fire Girls; Mr. John L. Grose, assistant principal and athletics instructor at Arlington high school; Mr. Russell Smith of the Boy Scouts; Mrs. George B. Payne, a parent; and Mr. Clarence Gallagher, a teacher. The subject will be "Is the Children's Time Being Exploited by Extra-Curricular Activities?"

The mothers of grade 3 will act as hostesses under Mrs. Roy Wilson, room mother.

American Legion Auxiliary

Mrs. D. Budlong will entertain the Mt. Prospect American Legion Auxiliary at her home, 312 So. Emerson st., on Monday evening, March 10. Mrs. Gould, social chairman, will announce the many attractions to be offered at the annual card party to be held on Friday evening, April 18, at the public school building. Among these will be the handsome fur piece received from a loop furrier as a gift for sponsoring a tour through his plant.

On alleys 1 and 2, the leading Lauterburg & Oehlers won two games from Hank Gaare's Studebakers. Dixie Kehe was high man for Gaare's with a 558 series. Ray Dieball was high for the Undertakers with a 557 series. Carl Huber won the $1.00 on a 202 game.

On 3 and 4 the Arlington Elevators won two games from Vail Tavern. Irv. Kehe came through with the only 600 series of the evening, a nice 610 series and a 216 game which won him the $1.00. "Golf King" Becker was high for the Elevators with a 568 series. Vail Tavern finally broke the ice after losing fourteen games in a row. Here's news, the "Salt King" wasn't high man this week.

On 5 and 6 Hartmann Shoes found the range and took all three games from Park View Tavern. Bill Neumann was high man for Park View with a 591 series. Bud Peters was high for Hartmann's with 585. Herb Hammerl won the $1.00 on a 226 game.

It Happened Here

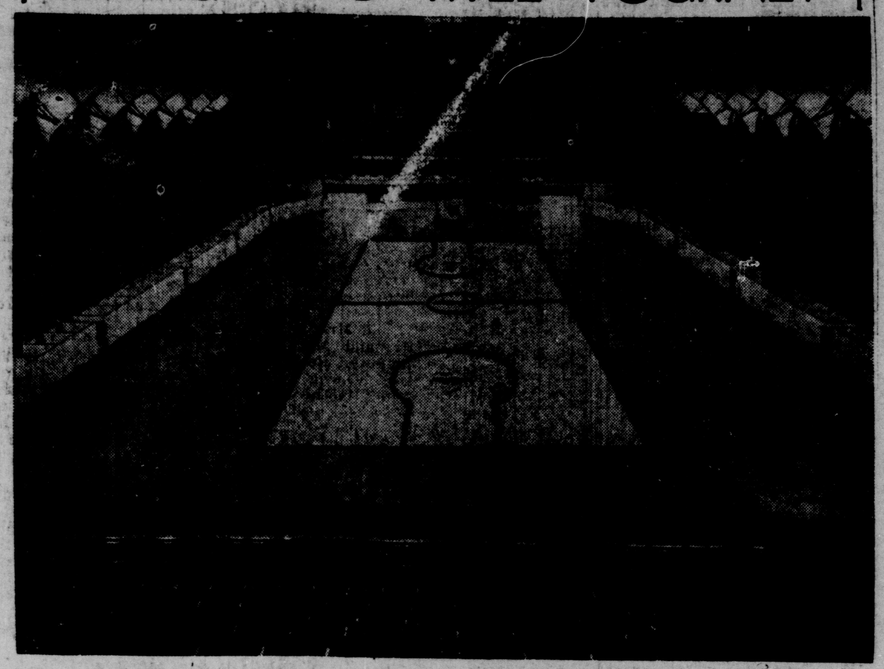

Willow Creek

By dip and rise the old road ran,
As close to the creek as a wood road can;
The moon hung golden above the creek,
An irised nimbus staining her cheek,
And the willows, gilded by moonlight, stood,
Willows in an enchanted wood.
The creek lay in a frozen trance,
No sound from it or the hanging branch
Save only the clink of an icy sliver
Or just the brown leaf's sudden shiver.
The lone wayfarer, tired and lost,
Pitted his wits against the frost
And the silence strange with such portant teemed
His crunching steps a pursuer seemed;
He stopped to listen and lift his head
And an owl flew past with grey wing spread.
Still the moon sailed on her queenly way
Anl the stippled willows were cold and fey.
This is the lale, when the creek frozen lies,
The wraith of the traveler in moonlight will rise.

An inspired scribe, writing a note of thanks to her co-worker: "Aren't you Jan Struther? You must be." A most felicitous compliment to our Peggy-About-The-House.

SITE OF PRO TITLE TOURNEY

INTERNATIONAL AMPHITHEATER SITE OF MEET

3rd Annual Cage 'World Series' to Be Staged in Chicago March 15-16-17-18-19

CHICAGO, March 6. —Basketball's biggest event, the world's championship of Professional basketball, will be settled in a five-day tournament at the International Amphitheater here, March 15 to 19.

The sixteen greatest teams in the country will engage in a straight elimination tournament, with the winner being crowned the official world champions. With the title they also earn the right to oppose the College All-Stars in basketball's annual classic next November.

NATION'S TOP TEAMS.

Leading the field of teams are the Harlem Globe Trotters, defending world champions; the New York Rennaisance, 1939 world champions; Oshkosh Stars, National League champions, and Philadelphia Hebrews, American League champions. 0other top teams in the nation who will make a determined bid for the glory and cash involved are the Chicago Bruins, Detroit Eagles, Sheboygan Red Skins, Rochester Seagrams, Toledo White Huts, Dayton Sucher Wonders, Indianapolis Kautsky's, Davenport Central Turners and Fort Wayne. Playoffs in three sections of the country are now in progress to determine the awarding of the three remaining berths.

The finest display of basketball ever seen on any floor is certain to come out of this clash of the game's greatest teams for the highest honors in the sport. College stars galore will take the floor at each session in a veritable parade of "who's who in basketball" with the game's most famous names in acton. i

The site of the tournament has been chosen for its conveniences and accommodations both for players and spectators. Long known as a convention center where the annual Live Stock and Automobile shows are held, among many others, the International Amphitheater makes its bow in basketball with this tournament.

A brand-new floor, designed for the tournament, has been built for the contenders, with glass backboards affording a view from every seat. And the seates—well, if you'veever sat on a hard bleacher through a session of basketball, you'll appreciate these. Each of the 9,000 seats is a real chair, with a back! Except for a small bleacher to be erected alongside the court, each seat is a permanent, as well as comfortable, one.

KENNEDY TO OFFICIATE.

Another treat for the customers is the FREE parking space. That's right! It's entirely free, lighted by flood lamps and guarded by members of the stockyards mounted police. Even tips are forbidden and there is room for 5,000 automobiles with plenty of exits to eliminate jams as the cars try to leave after the games.

Besides the actual games and the ceremonies connected with them, the customers also are in for another treat. Pat Kennedy, basketball's most famous official, will be back for the third successive season to do some whistle-blowing in his colorful manner.

Kennedy, who hails from New York, was the subject this season of lengthy articles in several national magazines, and those who have seen him in previous tournaments as well as in the All-Star classic, know that his fame is well-justified. He's the gyrating type who goes through the whole routine of tragedy, comedy and action, as he calls a foul. Even so mild an incident as an out-of-bounds ball brings near-hysteria — and a tremendous "kick" for the crowd. Aside from his histrionics, Kennedy is considered one of the country's best officials.

OUT-OF-TOWN TICKET SALE.

A block of tickets have been set aside to accommodate out-of-town fans. Mail orders are now being accepted and fans may obtain tickets by sending check or money orders to the World's Professional Basketball Tournament headquarters, Room 510, 326 W. Madison st., Chicago. Reserved seats will sell for $2.20, $1.65 and $1.10. Four thousand general admission seats at 55 cents each, are also being sold in advance, and are available for maily delivery.

Many Ways To Fight Nazis

United States." Recent testimony further showed that in one plant engaged in national defense, there were 50 employees who were present or past members of the Bund, while in another there were 300. The occurrence of a series of acts of sabotage indicates such plantings are far from casual.

Hitler is making his words come true in America, exactly as he did in the seven recently invaded European countries.

Hundreds of pages of testimony have established as well the fact that the Communist Party is a constituent member of the Communist International and is its agent in the United States. The Communist International in turn is completely dominated by the Communist Party of Soviet Russia.

The evidence clearly proves that the Communist Party is actually functioning as a "border patrol" on our shores for a foreign power, namely the Soviet Union. Since the Communist Party of the United States has the avowed purpose of drastically changing our form of government, it is our opinion that the party's activities constitute a violation of the Treaty of Recognition entered into between the government of the United States and the government of the U. S. S. R. in 1933.

The recommendations contained in this article are therefore in a large measure applicable to the Communist party in the United States. There is urgent need for action on the part of the American Legion to outlaw this foreign controlled party.

Control of the Fifth Column

In the light of the above facts an intelligible people, loving their homes and their country, can do no less than take prompt, decisive action to control the Fifth Column in the United States. Yet, since the people of America are law abiding, they will act only in full co-operation with, and under the leadership of the authorities they have constituted.

The needs then are, first, to increase the legal powers and action of the authorities themselves, second, to increase the interest and action of the people as a whole, under such leadership.

Recommendations

To increase the powers of the authorities, the American Legion recommends prompt consideration by our Federal and State governments of the following:

1. The broadening of the present Federal Sabotage Act to cover the present emergency, to cover the pollution of water and food supplies, to penalize trespassing on forbidden premises.

2. To broaden the act requiring the registration of agents of foreign principles, to cover all persons acting for or on behalf of foreign governments or foreign agencies, as well as individuals supported to any extent by such governments or agencies. This act should require disclosure of their activities and expenditures, with full publicity therefor, and of the names of such agents and agencies.

3. To enact legislation similar to the recently introduced registration of organizations bill, H. R. 10094, broadening its similarly.

4. To prohibit propaganda directed against the welfare of the nation or the government, on the part of any foreign government, foreign agency or foreign citizen, and making such citizen deportable. This general principal was adopted for the entire Western hemisphere, the U. S. included, at the Convention of the American Republics at Havana, Cuba, last August, and stated as a "general rule of internal public law incorporated in the constitutions and laws of states." These representatives of all the Americas, under the leadership of the Secretary of State of the United States, there resolved: "That the governments of the American Republics 'take the necessary measures to eradicate from the Americas the spread of doctrines that tend to place in jeopardy the common inter-American democratic ideal,' " including the "effective prohibition of every political activity by foreign individuals, associations, groups or political parties, no matter what form they use to disguise or cloak such activity."

They further resolved at this meeting at Havana: "To urge the governments of the American Republics to prevent, within the provisions of international law political activities of foreign diplomatic or consular agents, within the territory to which they are accredited, which may endanger the peace and the democratic tradition of America."

5. Requiring all subversive propaganda to bear on its face its source, and its financial or other similar means of support, and authorizing the authorities to make full investigation in that regard.

6. Penalizing intentionally false statements detrimental to the national welfare.

7. Authorizing a Federal agency both to analyze subversive propaganda in foreign languages and otherwise, in print or by radio, and authorizing such agency to issue statements of fact of constructive value for the nation defense.

State

1. Revising, broadening, and increasing the penalty of, the malicious mischief, sabotage, and criminal conspiracy acts, to supplement the Federal legislation as above.

2. Creating state guards to protect crucial industries, and industrial resources such as public utilities and waterworks, essential for the life of the people.

3. Increasing the personnel and equipment of State and other police for such purposes.

4. Increase the control of firearms and explosives in the hands of aliens. Enactment of the Uniform Pistol Act, jointly approved by the Interstate Commission on Crime, the National Conference of Commissioners on Uniform State Laws and the American Bar Association.

5. Requiring the registration of the members of bunds, communists and similar organizations, incorporated or active in the States, to supplement the above Federal legislation.

6. The governor of each state should initiate regular conferences with the press, radio, movies, etc., both to combat subversive propaganda and to protect the national defense and the civil liberties of the people.

Recommendations to increase the interest and action of the people as a whole, under such leadership.

Veterans and civilians generally should be utilized to the fullest in national defense, particularly in a country where the people rule. Hence our citizens generally should:

1. Be ever on the alert to note spies and saboteurs and to report them at once to the authorities.

2. Promptly volunteer at the call of the authorities to guard against sabotage. Take immediate steps, if owners of property, to survey their own plants and personnel, if there is danger of sabotage.

3. Be alert to detect the insidious falsity of subversive propaganda, and to destroy its affect, by exposing it and disseminating the truth by every means. Our outstanding publicity agencies, the press, radio, movies, etc., should utilize their great powers for the public good, both to combat subversive propaganda and to publish the true facts.

Thus in the midst of a troubled world, the American people, with united purpose, will stand firm and unshaken, for God and Country.

MUSIC NEWS AND VIEWS

by ELMER D. HERRICK

Most people, when it comes to buying an instrument, must depend on the judgment of someone else, either a teacher, a friend or a salesman. And, of course, there are many who buy from a catalog without having a chance to compare instruments and make sure they are getting a good buy. In this situation there are a number of things to consider.

First of all, never buy an instrument without seeing it first. If you order from a catalog, you may have the privilege of returning it and getting your money back; but the chances are you won't do that, even if you aren't quite satisfied with it; and if you do return it, it means wasted time when you can't be playing while you are waiting for the replacement.

Second, don't be high-pressured into anything. I know of one firm in Chicago, which advertises accordions over the radio, selling a twelve bass instrument for $18.00, a rock-bottom price that few dealers will even try to duplicate. The instrument, of course, is made as cheaply as possible and the price is practically cost; but the average retail price of every sale they make is $300. Very few people buy the $18.00 outfit in the first place and they sell a higher priced 12 bass or larger; and any instrument they sell may be returned on a trade at full value so that the majority of sales lead to the sale of a large accordion; and they really cash in on that because their higher priced instruments are marked up from 30% to 50% above actual market prices. Unless you are forewarned you're as good as sold when you enter their store.

Third, don't think you are getting a bargain because you get a discount on a "sample" instrument. Sample instruments are fairly rare. Large distributors, who have factories make up instruments for them to resell, very frequently give the factory specifications for certain jobs and ask them to make up one of each to see if it meets their requirements. A sample guitar, for example, may be a first class guitar; or it may be one that failed to come up to requirements; you can't tell. The salesman, of course, gives you the impression that you're getting a real buy; but frequently the sample costs more to make than the regular run of guitars so there would be no discount on it unless it was a discarded item.

My advice is to shop around. Find out all you can about the instrument, not from one store, but from a lot of them, check one make against another, one price against another, and select the one best fitting your needs. This will take a lot of time, but it will save you a lot of grief. And if you can, buy locally. Your local dealer can give you better service and is anxious to please you so you'll come back again; after all, your support is his living.

News about the BMI-ASCAP feud continues to come in. We understand that BMI is now publishing an average of two popular tunes a day in an effort to create enough real hits to supply the demand. Songs from each are selling through my retail outlets on about a 50-50 basis with BMI songs tending to get into the lead. Cowboy tunes and hill billy numbers are being heard much more because the majority are not written by ASCAP writers.

Lyle and Melvin Boeckenhauer are two Des Plaines boys who play the Hawaiian guitar; they are Paddock subscribers, too. Last fall they got together with Raymond Gaitsch, also of Des Plaines and have worked up a competent trio for program playing; they have played several times for various events in Arlington Heights and are always glad to help out. If you need some good Hawaiian music contact me, or get in direct touch with the boys. They'll be glad to oblige.

One of the features of the Chicago Tribune Musicland Festival in August this coming summer will be a guitar orchestra of over 2,000 instruments. Members will gather from all over the United States and some of my students, of course, will be included. More news will be given later about this.

On alleys 1 and 2, the leading Lauterburg & Oehlers won two games from Hank Gaare's Studebakers. Dixie Kehe was high man for Gaare's with a 558 series. Ray Dieball was high for the Undertakers with a 557 series. Carl Huber won the $1.00 on a 202 game.

On 3 and 4 the Arlington Elevators won two games from Vail Tavern. Irv. Kehe came through with the only 600 series of the evening, a nice 610 series and a 216 game which won him the $1.00. "Golf King" Becker was high for the Elevators with a 568 series. Vail Tavern finally broke the ice after losing fourteen games in a row. Here's news, the "Salt King" wasn't high man this week.

On 5 and 6 Hartmann Shoes found the range and took all three games from Park View Tavern. Bill Neumann was high man for Park View with a 591 series. Bud Peters was high for Hartmann's with 585. Herb Hammerl won the $1.00 on a 226 game.

It Happened Here

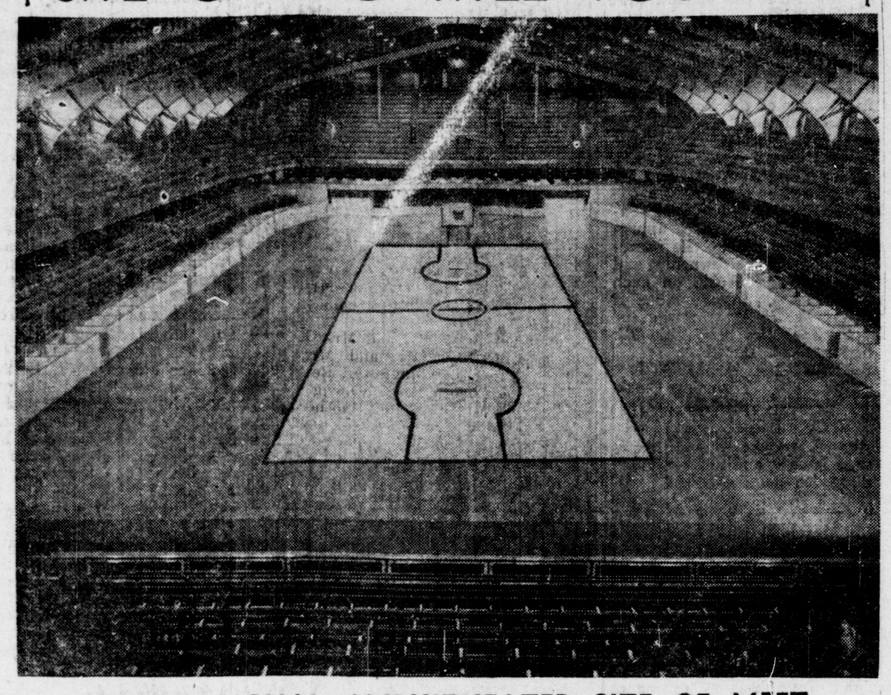

Willow Creek

By dip and rise the old road ran,
As close to the creek as a woo. road can;
The moon hung golden above the creek,
An irised nimbus staining her cheek,
And the willows, gilded by moonlight, stood,
Willows in an enchanted wood.
The creek lay in a frozen trance,
No sound from it or the hanging branch
Save only the clink of an icy sliver
Or just the brown leaf's sudden shiver.
The lone wayfarer, tired and lost,
Pitted his wits against the frost
And the silence strange with such portant teemed
His crunching steps a pursuer seemed;
He stopped to listen and lift his head
And an owl flew past with grey wing spread.
Still the moon sailed on her queenly way
Anl the stippled willows were cold and fey.
This is the lale, when the creek frozen lies,
The wraith of the traveler in moonlight will rise.

An inspired scribe, writing a note of thanks to her co-worker: "Aren't you Jan Struther? You must be." A most felicitous compliment to our Peggy-About-The-House.

SITE OF PRO TITLE TOURNEY

INTERNATIONAL AMPHITHEATER SITE OF MEET

3rd Annual Cage 'World Series' to Be Staged in Chicago March 15-16-17-18-19

CHICAGO, March 6.—Basketball's biggest event, the world's championship of Professional basketball, will be settled in a five-day tournament at the International Amphitheater here, March 15 to 19.

The sixteen greatest teams in the country will engage in a straight elimination tournament, with the winner being crowned the official world champions. With the title they also earn the right to oppose the College All-Stars in basketball's annual classic next November.

NATION'S TOP TEAMS.

Leading the field of teams are the Harlem Globe Trotters, defending world champions; the New York Rennaisance, 1939 world champions; Oshkosh Stars, National League champions, and Philadelphia Hebrews, American League champions. 0other top teams in the nation who will make a determined bid for the glory and cash involved are the Chicago Bruins, Detroit Eagles, Sheboygan Red Skins, Rochester Seagrams, Toledo White Huts, Dayton Sucher Wonders, Indianapolis Kautsky's, Davenport Central Turners and Fort Wayne. Playoffs in three sections of the country are now in progress to determine the awarding of the three remaining berths.

The finest display of basketball ever seen on any floor is certain to come out of this clash of the game's greatest teams for the highest honors in the sport. College stars galore will take the floor at each session in a veritable parade of "who's who in basketball" with the game's most famous names in acton. i

The site of the tournament has been chosen for its conveniences and accommodations both for players and spectators. Long known as a convention center where the annual Live Stock and Automobile shows are held, among many others, the International Amphitheater makes its bow in basketball with this tournament.

A brand-new floor, designed for the tournament, has been built for the contenders, with glass backboards affording a view from every seat. And the seates—well, if you'veever sat on a hard bleacher through a session of basketball, you'll appreciate these. Each of the 9,000 seats is a real chair, with a back! Except for a small bleacher to be erected alongside the court, each seat is a permanent, as well as comfortable, one.

KENNEDY TO OFFICIATE.

Another treat for the customers is the FREE parking space. That's right! It's entirely free, lighted by flood lamps and guarded by members of the stockyards mounted police. Even tips are forbidden and there is room for 5,000 automobiles with plenty of exits to eliminate jams as the cars try to leave after the games.

Besides the actual games and the ceremonies connected with them, the customers also are in for another treat. Pat Kennedy, basketball's most famous official, will be back for the third successive season to do some whistle-blowing in his colorful manner.

Kennedy, who hails from New York, was the subject this season of lengthy articles in several national magazines, and those who have seen him in previous tournaments as well as in the All-Star classic, know that his fame is well-justified. He's the gyrating type who goes through the whole routine of tragedy, comedy and action, as he calls a foul. Even so mild an incident as an out-of-bounds ball brings near-hysteria — and a tremendous "kick" for the crowd. Aside from his histrionics, Kennedy is considered one of the country's best officials.

OUT-OF-TOWN TICKET SALE.

A block of tickets have been set aside to accommodate out-of-town fans. Mail orders are now being accepted and fans may obtain tickets by sending check or money orders to the World's Professional Basketball Tournament headquarters, Room 510, 326 W. Madison st., Chicago. Reserved seats will sell for $2.20, $1.65 and $1.10. Four thousand general admission seats at 55 cents each, are also being sold in advance, and are available for maily delivery.

Many Ways To Fight Nazis

(Continued from Page 1)

United States." Recent testimony further showed that in one plant engaged in national defense, there were 50 employees who were present or past members of the Bund, while in another there were 300. The occurrence of a series of acts of sabotage indicates such plantings are far from casual.

Hitler is making his words come true in America, exactly as he did in the seven recently invaded European countries.

Hundreds of pages of testimony have established as well the fact that the Communist Party is a constituent member of the Communist International and is its agent in the United States. The Communist International in turn is completely dominated by the Communist Party of Soviet Russia.

The evidence clearly proves that the Communist Party is actually functioning as a "border patrol" on our shores for a foreign power, namely the Soviet Union. Since the Communist Party of the United States has the avowed purpose of drastically changing our form of government, it is our opinion that the party's activities constitute a violation of the Treaty of Recognition entered into between the government of the United States and the government of the U. S. S. R. in 1933.

The recommendations contained in this article are therefore in a large measure applicable to the Communist party in the United States. There is urgent need for action on the part of the American Legion to outlaw this foreign controlled party.

Control of the Fifth Column

In the light of the above facts an intelligible people, loving their homes and their country, can do no less than take prompt, decisive action to control the Fifth Column in the United States. Yet, since the people of America are law abiding, they will act only in full co-operation with, and under the leadership of the authorities they have constituted.

The needs then are, first, to increase the legal powers and action of the authorities themselves, second, to increase the interest and action of the people as a whole, under such leadership.

Recommendations

To increase the powers of the authorities, the American Legion recommends prompt consideration by our Federal and State governments of the following:

1. The broadening of the present Federal Sabotage Act to cover the present emergency, to cover the pollution of water and food supplies, to penalize trespassing on forbidden premises.

2. To broaden the act requiring the registration of agents of foreign principles, to cover all persons acting for or on behalf of foreign governments or foreign agencies, as well as individuals supported to any extent by such governments or agencies. This act should require disclosure of their activities and expenditures, with full publicity therefor, and of the names of such agents and agencies.

3. To enact legislation similar to the recently introduced registration of organizations bill, H. R. 10094, broadening its similarly.

4. To prohibit propaganda directed against the welfare of the nation or the government, on the part of any foreign government, foreign agency or foreign citizen, and making such citizen deportable. This general principal was adopted for the entire Western hemisphere, the U. S. included, at the Convention of the American Republics at Havana, Cuba, last August, and stated as a "general rule of internal public law incorporated in the constitutions and laws of states." These representatives of all the Americas, under the leadership of the Secretary of State of the United States, there resolved: "That the governments of the American Republics 'take the necessary measures to eradicate from the Americas the spread of doctrines that tend to place in jeopardy the common inter-American democratic ideal,' " including the "effective prohibition of every political activity by foreign individuals, associations, groups or political parties, no matter what form they use to disguise or cloak such activity."

They further resolved at this meeting at Havana: "To urge the governments of the American Republics to prevent, within the provisions of international law political activities of foreign diplomatic or consular agents, within the territory to which they are accredited, which may endanger the peace and the democratic tradition of America."

5. Requiring all subversive propaganda to bear on its face its source, and its financial or other similar means of support, and authorizing the authorities to make full investigation in that regard.

6. Penalizing intentionally false statements detrimental to the national welfare.

7. Authorizing a Federal agency both to analyze subversive propaganda in foreign languages and otherwise, in print or by radio, and authorizing such agency to issue statements of fact of constructive value for the nation defense.

State

1. Revising, broadening, and increasing the penalty of, the malicious mischief, sabotage, and criminal conspiracy acts, to supplement the Federal legislation as above.

2. Creating state guards to protect crucial industries, and industrial resources such as public utilities and waterworks, essential for the life of the people.

3. Increasing the personnel and equipment of State and other police for such purposes.

4. Increase the control of firearms and explosives in the hands of aliens. Enactment of the Uniform Pistol Act, jointly approved by the Interstate Commission on Crime, the National Conference of Commissioners on Uniform State Laws and the American Bar Association.

5. Requiring the registration of the members of bunds, communists and similar organizations, incorporated or active in the States, to supplement the above Federal legislation.

6. The governor of each state should initiate regular conferences with the press, radio, movies, etc., both to combat subversive propaganda and to protect the national defense and the civil liberties of the people.

Recommendations to increase the interest and action of the people as a whole, under such leadership.

Veterans and civilians generally should be utilized to the fullest in national defense, particularly in a country where the people rule. Hence our citizens generally should:

1. Be ever on the alert to note spies and saboteurs and to report them at once to the authorities.

2. Promptly volunteer at the call of the authorities to guard against sabotage. Take immediate steps, if owners of property, to survey their own plants and personnel, if there is danger of sabotage.

3. Be alert to detect the insidious falsity of subversive propaganda, and to destroy its affect, by exposing it and disseminating the truth by every means. Our outstanding publicity agencies, the press, radio, movies, etc., should utilize their great powers for the public good, both to combat subversive propaganda and to publish the true facts.

Thus in the midst of a troubled world, the American people, with united purpose, will stand firm and unshaken, for God and Country.

Music News And Views

by ELMER D. HERRICK

Most people, when it comes to buying an instrument, must depend on the judgment of someone else, either a teacher, a friend or a salesman. And, of course, there are many who buy from a catalog without having a chance to compare instruments and make sure they are getting a good buy. In this situation there are a number of things to consider.

First of all, never buy an instrument without seeing it first. If you order from a catalog, you may have the privilege of returning it and getting your money back; but the chances are you won't do that, even if you aren't quite satisfied with it; and if you do return it, it means wasted time when you can't be playing while you are waiting for the replacement.

Second, don't be high-pressured into anything. I know of one firm in Chicago, which advertises accordions over the radio, selling a twelve bass instrument for $18.00, a rock-bottom price that few dealers will even try to duplicate. The instrument, of course, is made as cheaply as possible and the price is practically cost; but the average retail price of every sale they make is $300. Very few people buy the $18.00 outfit in the first place and they sell a higher priced 12 bass or larger; and any instrument they sell may be returned on a trade at full value so that the majority of sales lead to the sale of a large accordion; and they really cash in on that because their higher priced instruments are marked up from 30% to 50% above actual market prices. Unless you are forewarned you're as good as sold when you enter their store.

Third, don't think you are getting a bargain because you get a discount on a "sample" instrument. Sample instruments are fairly rare. Large distributors, who have factories make up instruments for them to resell, very frequently give the factory specifications for certain jobs and ask them to make up one of each to see if it meets their requirements. A sample guitar, for example, may be a first class guitar; or it may be one that failed to come up to requirements; you can't tell. The salesman, of course, gives you the impression that you're getting a real buy; but frequently the sample costs more to make than the regular run of guitars so there would be no discount on it unless it was a discarded item.

My advice is to shop around. Find out all you can about the instrument, not from one store, but from a lot of them, check one make against another, one price against another, and select the one best fitting your needs. This will take a lot of time, but it will save you a lot of grief. And if you can, buy locally. Your local dealer can give you better service and is anxious to please you so you'll come back again; after all, your support is his living.

News about the BMI-ASCAP feud continues to come in. We understand that BMI is now publishing an average of two popular tunes a day in an effort to create enough real hits to supply the demand. Songs from each are selling through my retail outlets on about a 50-50 basis with BMI songs tending to get into the lead. Cowboy tunes and hill billy numbers are being heard much more because the majority are not written by ASCAP writers.

Lyle and Melvin Boeckenhauer are two Des Plaines boys who play the Hawaiian guitar; they are Paddock subscribers, too. Last fall they got together with Raymond Gaitsch, also of Des Plaines and have worked up a competent trio for program playing; they have played several times for various events in Arlington Heights and are always glad to help out. If you need some good Hawaiian music contact me, or get in direct touch with the boys. They'll be glad to oblige.

One of the features of the Chicago Tribune Musicland Festival in August this coming summer will be a guitar orchestra of over 2,000 instruments. Members will gather from all over the United States and some of my students, of course, will be included. More news will be given later about this.

Lieut. Willert Busse Called to Temporary Active Duty

Lt. Willert Busse, son of Mr. and Mrs. Albert Busse, Mt. Prospect, has been called to temporary active duty at Camp Grant, Rockford, and left for his post on Tuesday.

Mr. Busse entered upon army work when he attended the Northwestern Military Academy at Lake Geneva, where he graduated in 1933.

He attended various camps and continued the army work and upon reaching his majority in 1937 received his commission as a second lieutenant.

Home Bureau Unit Is Formed in Wheeling Township

Wheeling township now has a Home Bureau unit in cooperation with the extension service of the University of Illinois. An organization meeting was held at the home of Mrs. Alfred Busse when Mrs. Butner, home advisor at large, spoke on the organization of home bureau and conducted the election of officers that resulted as follows:

Mrs. Victor Reed, chairman; Mrs. George Kirckhoff. vice chairman; Mrs. Albert F. Meyer, secretary.

Mrs. Mary Wright, new home advisor of Cook county, gave an inspirational talk on home making as a profession. Mrs. Wright was formerly with WLS. Many, no doubt, remember her from "Home Makers Hour."

The next meeting, March 19, will be at the home of Mrs. George Kirchhoff, when there will be a most interesting talk on salads and their place in the diet, accompanied by a demonstration.

Bensenville Lions Quint To be Host to Champion Harlem Globetrotters

by TOMMY KOUZMANOFF

Bensenville basketball fans are elated at the news that the Harlem Globetrotters, world's champions, will meet the Bensenville Lions Friday night, March 14, in the community high school's spacious 1,000 seat gym on South York street.

Thirteen years of sensational play, fine sportsmanship and a record of having kept every appointment despite blizzards and at times impaired transportation, has culminated in the Grobetrotters ascending to the pinnacle of all cagedom. They won the world's title in the tournament held in Chicago last March.

Without a peer in the field of ball-handling, clever all-around play and star-studded personnel, the Globetrotters are now in their fourteenth season, continuing a record that grows in lustre with every game played. All this despite the fact that they barnstorm thru out the United States and Canada, playing a different team nightly on opponent's courts exclusively, and traveling through all sorts of wintry weather to keep every date.

And yet, in thirteen full seasons, they have won 1,868 games and lost only 131, a winning percentage of .939. Last year their record was 158 victories and only 3 setbacks, the latter sustained at the hands of teams the Globetrotters managed to defeat several times during the course of the season.

The Trotters average over six feet in height and are an assemblage of the nation's outstanding colored players. No team has been able to duplicate the "sleight-of-hand" tricks they perform with a basketball.

Clown Game Preliminary

"A laugh every minute," say the Bensenville Lions club, of their proposed inter-club clown basketball game, to be staged as a preliminary next Friday night at the Bensenville high school gym. Two picked teams to be made up of members of the Lions club, will go through the "movements" of a basketball game. Chairman John Spanley says: "If you have a weak constitution — beware! You will laugh 'till you split and the referee will know he had a workout."

The special twin-bill is a benefit affair. Tickets are selling in advance at 35 cents. Donation at the door is 40 cents. Bensesville high school pupils will be admitted at 20 cents (each).

Volunteer Applies for Motorcycle Corps; Ends Up in Coast Artillery

Taking a test to be a mechanic in Uncle Sam's motorcycle corps doesn't have anything to do with what he will be doing, a young man who volunteered recently found out. He wound up in the coast artillery in just about the farthest point west in the U. S.

Bill Gerhardt, son of Mr. and Mrs. ..... Gerhardt, route 2, Palatine, was one married man who decided not to wait until the draft. He volunteered and has already spent a few weeks in training at Ft. Custer, Mich., and is now stationed at Ft. Casey, Washington, on an island about 50 miles from Seattle.

In a letter to his family which also includes Mr. and Mrs. Elmer Mess of Barrington, and Mr. and Mrs. Art Haldeman, of Palatine, Mrs. Mess and Mrs. Haldeman are sisters, Dorothy and Edna, of Mr. Gerhardt, he tells about some of his experiences at the fort on Whidby island:

"There are 300 other fellows here from Chicago, Detroit, and in between from city and farm, married and single. We're well fed, finding every kind of vegetable and meat on the table. For breakfast we have almost every kind of cereal, coffee and milk, eggs, soft, hard and soft boiled, and every sort of fruit.

"The day begins at 5:50. We dress in full uniform in about ten minutes and appear for roll call. Until breakfast at 7 o'clock, we wash and shave, and make up our bunks.

"After breakfast we change to work clothes and go out for exercise, practicing on the cannon, no shells, just aim and say "boom." This lasts until 10:00 and then we go to classes on first aid, hygiene, school of the soldier, and a lot of other things that last until 11:45, when it's back into uniform again with dinner at 12:00.

"We then march and hold rifle drill for two hours, 'Outside school' begins which gives us gas mask drill, teaches us the parts of the rifle, the cannon, and anti-aircraft guns, pitch tents, make packs, and how to perform guard duty.

"Supper is at 6 o'clock and we have until 9 o'clock to do what we like. But at nine everyone hits the bunk until 5:50 the following morning.

"The weather here is grand, never turning too hot or too cold, so they say. It never snows although there is occasional frost in the winter. The water doesn't change 4 degrees in temperature from summer to winter. That's because of some stream that starts in Japan or somewhere. It's quite damp and rains a lot.

"Everything is kept very secreted here, we cannot get off the island and visitors cannot get on the post. It is guarded day and night. We can't take pictures as they took our cameras away from us when we arrived. In about three months some of us may be shifted to Alaska, Panama, or any of our island possessions or harbor defense posts. Only one fellow is still with me from the group that left Chicago. Many of them are at Ft. Warden across the bay on the mainland.

"The grass and vines are green on the parade grounds and the only noticeable difference with me is that my face is sunburned.

"BILL"

Scouters Training Session Is March 16

Scouters of the Northwest Suburban Council will have the opportunity of learning more about Scouting Sunday, March 16, when an all-day training session will be held at the Des Plaines junior high school starting at 9:00 o'clock in the morning.

The program which has been prepared by William Forrest of Arlington Heights, Feld Commissioner for Training, and K. R. Behnke of Mount Prospect, Field Commissioner for Senior Scouting, will include Introduction to Scouting, Troop Operations and Senior Scouting and is particularly adapted for new men in the movement and those who have not previously received this training.

A scout religious service will be held as a part of the program or members may attend the church services of their choice during the morning.

Dinner and supper will be served in the cafeteria at the school and the only charge for the course is the cost of the meals which will not exceed 75c. Considerable mimeographed material and pamphlets will be furnished free to all those taking the training.

It is hoped that every scouter will take advantage of this opportunity and also any father of a scout or any other men interested in learning about scouting is cordially invited to attend.

Announce Examinations For Postmaster at Schiller Park

The United States civil service commission announces an open competitive examination to fill the position of postmaster at Schiller Park, Ill., a third class office, paying a salary of $1,100 per year. Applications for the examination will be accepted up to and including March 14. For further information inquire of Elnora Quadep, secretary civil service commission, ost office, Franklin Park.

Obituaries

Mrs. Clara Tepper Katz

Mrs. Clara Tepper Katz, 1008 Prairie avenue, Des Plaines, died Friday morning at St. Mary's hospital in Chicago. She was born November 1, 1896.

Services were held Monday afternoon from the Lauterburg & Oehler Des Plaines chapel with Rev. Nordsic of the Trinity Lutheran church, officiating. Burial was at Ridgewood.

Mrs. Katz is survived by her husband, Alfred, two sisters and two brothers.

IN MEMORIAM

In fond memory of our dear husband and father, Hans Ellerbrock, who passed away so suddenly one year ago March 6.

Now is the time to investigate this brand new burner!

Detachable Automatic Spring-Fall House Heater

★ Provides uniform temperature in uncertain weather
★ Ends furnace fussing
★ Fits in door of warm air furnace or hot water boiler
★ Hundreds of homes now use it

CONVENIENT! Ideal for Spring and Fall days when the weather is changeable—warm one day, chilly the next. In most cases, supplies heat for more than half the heating season.

AUTOMATIC! No draft to watch. No fires to kindle. No ashes to haul. Just set the thermostat for the temperature you want and clean, automatic gas does the rest.

HEALTHFUL! Provides clean, even heat—no cold, chilly rooms in early morning. No overheated rooms on warm Spring days. Temperature is always uniform—no extremes.

LIGHTWEIGHT! If the temperature tumbles into the "twenties", entire unit can be removed in one piece and a regular hard fuel fire started. Weighs less than 12 lbs.—a woman can remove or replace it. No wrenches required. No nuts, bolts, screws. No pipes to disconnect.

ECONOMICAL! Takes special low home-heating gas rate. No wasted fuel—provides heat only when necessary. Can be used as little or as much as you want.

THERMOSTAT CONTROL

Lieut. Willert Busse Called to Temporary Active Duty

Lt. Willert Busse, son of Mr. and Mrs. Albert Busse, Mt. Prospect, has been called to temporary active duty at Camp Grant, Rockford, and left for his post on Tuesday.

Mr. Busse entered upon army work when he attended the Northwestern Military Academy at Lake Geneva, where he graduated in 1933.

He attended various camps and continued the army work and upon reaching his majority in 1937 received his commission as a second lieutenant.

Home Bureau Unit Is Formed in Wheeling Township

Wheeling township now has a Home Bureau unit in cooperation with the extension service of the University of Illinois. An organization meeting was held at the home of Mrs. Alfred Busse when Mrs. Butner, home advisor at large, spoke on the organization of home bureau and conducted the election of officers that resulted as follows:

Mrs. Victor Reed, chairman; Mrs. George Kirckhoff. vice chairman; Mrs. Albert F. Meyer, secretary.

Mrs. Mary Wright, new home advisor of Cook county, gave an inspirational talk on home making as a profession. Mrs. Wright was formerly with WLS. Many, no doubt, remember her from "Home Makers Hour."

The next meeting, March 19, will be at the home of Mrs. George Kirchhoff, when there will be a most interesting talk on salads and their place in the diet, accompanied by a demonstration.

Bensenville Lions Quint To be Host to Champion Harlem Globetrotters

by TOMMY KOUZMANOFF

Bensenville basketball fans are elated at the news that the Harlem Globetrotters, world's champions, will meet the Bensenville Lions Friday night, March 14, in the community high school's spacious 1,000 seat gym on South York street.

Thirteen years of sensational play, fine sportsmanship and a record of having kept every appointment despite blizzards and at times impaired transportation, has culminated in the Grobetrotters ascending to the pinnacle of all cagedom. They won the world's title in the tournament held in Chicago last March.

Without a peer in the field of ball-handling, clever all-around play and star-studded personnel, the Globetrotters are now in their fourteenth season, continuing a record that grows in lustre with every game played. All this despite the fact that they barnstorm thru out the United States and Canada, playing a different team nightly on opponent's courts exclusively, and traveling through all sorts of wintry weather to keep every date.

And yet, in thirteen full seasons, they have won 1,868 games and lost only 131, a winning percentage of .939. Last year their record was 158 victories and only 3 setbacks, the latter sustained at the hands of teams the Globetrotters managed to defeat several times during the course of the season.

The Trotters average over six feet in height and are an assemblage of the nation's outstanding colored players. No team has been able to duplicate the "sleight-of-hand" tricks they perform with a basketball.

Clown Game Preliminary

"A laugh every minute," say the Bensenville Lions club, of their proposed inter-club clown basketball game, to be staged as a preliminary next Friday night at the Bensenville high school gym. Two picked teams to be made up of members of the Lions club, will go through the "movements" of a basketball game. Chairman John Spanley says: "If you have a weak constitution — beware! You will laugh 'till you split and the referee will know he had a workout."

The special twin-bill is a benefit affair. Tickets are selling in advance at 35 cents. Donation at the door is 40 cents. Bensesville high school pupils will be admitted at 20 cents (each).

Volunteer Applies for Motorcycle Corps; Ends Up in Coast Artillery

Taking a test to be a mechanic in Uncle Sam's motorcycle corps doesn't have anything to do with what he will be doing, a young man who volunteered recently found out. He wound up in the coast artillery in just about the farthest point west in the U. S.

Bill Gerhardt, son of Mr. and Mrs. ..... Gerhardt, route 2, Palatine, was one married man who decided not to wait until the draft. He volunteered and has already spent a few weeks in training at Ft. Custer, Mich., and is now stationed at Ft. Casey, Washington, on an island about 50 miles from Seattle.

In a letter to his family which also includes Mr. and Mrs. Elmer Mess of Barrington, and Mr. and Mrs. Art Haldeman, of Palatine, Mrs. Mess and Mrs. Haldeman are sisters, Dorothy and Edna, of Mr. Gerhardt, he tells about some of his experiences at the fort on Whidby island:

"There are 300 other fellows here from Chicago, Detroit, and in between from city and farm, married and single. We're well fed, finding every kind of vegetable and meat on the table. For breakfast we have almost every kind of cereal, coffee and milk, eggs, soft, hard and soft boiled, and every sort of fruit.

"The day begins at 5:50. We dress in full uniform in about ten minutes and appear for roll call. Until breakfast at 7 o'clock, we wash and shave, and make up our bunks.

"After breakfast we change to work clothes and go out for exercise, practicing on the cannon, no shells, just aim and say "boom." This lasts until 10:00 and then we go to classes on first aid, hygiene, school of the soldier, and a lot of other things that last until 11:45, when it's back into uniform again with dinner at 12:00.

"We then march and hold rifle drill for two hours, 'Outside school' begins which gives us gas mask drill, teaches us the parts of the rifle, the cannon, and anti-aircraft guns, pitch tents, make packs, and how to perform guard duty.

"Supper is at 6 o'clock and we have until 9 o'clock to do what we like. But at nine everyone hits the bunk until 5:50 the following morning.

"The weather here is grand, never turning too hot or too cold, so they say. It never snows although there is occasional frost in the winter. The water doesn't change 4 degrees in temperature from summer to winter. That's because of some stream that starts in Japan or somewhere. It's quite damp and rains a lot.

"Everything is kept very secreted here, we cannot get off the island and visitors cannot get on the post. It is guarded day and night. We can't take pictures as they took our cameras away from us when we arrived. In about three months some of us may be shifted to Alaska, Panama, or any of our island possessions or harbor defense posts. Only one fellow is still with me from the group that left Chicago. Many of them are at Ft. Warden across the bay on the mainland.

"The grass and vines are green on the parade grounds and the only noticeable difference with me is that my face is sunburned.

"BILL"

Scouters Training Session Is March 16

Scouters of the Northwest Suburban Council will have the opportunity of learning more about Scouting Sunday, March 16, when an all-day training session will be held at the Des Plaines junior high school starting at 9:00 o'clock in the morning.

The program which has been prepared by William Forrest of Arlington Heights, Feld Commissioner for Training, and K. R. Behnke of Mount Prospect, Field Commissioner for Senior Scouting, will include Introduction to Scouting, Troop Operations and Senior Scouting and is particularly adapted for new men in the movement and those who have not previously received this training.

A scout religious service will be held as a part of the program or members may attend the church services of their choice during the morning.

Dinner and supper will be served in the cafeteria at the school and the only charge for the course is the cost of the meals which will not exceed 75c. Considerable mimeographed material and pamphlets will be furnished free to all those taking the training.

It is hoped that every scouter will take advantage of this opportunity and also any father of a scout or any other men interested in learning about scouting is cordially invited to attend.

Public Achievement Meeting Attracts Many

The annual public achievement club meeting of Wheeling school was well attended last Friday evening. The program opened with a business meeting of the club conducted by the president, William Reitz and his fellow officers, William Lee vice president., Betty June Graff, secretary and Selma Kraus, treasurer.

Committee reports were made by the various chairmen. An announcement which brought a round of applause told of the recent election of Edward Welflin, a 1940 Wheeling school graduate, as president of the freshman class of Northbrook high school.

Following the business meeting the first and second graders entertained with numbers by the rhythm band. After this a pageant depicting "America in the Making" was presented by the other six grades of the school. The various episodes were interpreted by Peggy Kruse as Miss America.

The grand finale included the entire cast and the audience in the salute and pledge of allegiance to the American flag. The large flag hung on the stage wall had been presented to the community by M. C. Balling, president of the Community Center Board, earlier in the evening.

The program closed with the singing of taps by members of the girl scout and boy scout troops of Wheeling.

Rev. and Mrs. D. C. Morrison and Mrs. John Nielsen attended a Folkerth Cooperative dinner at Northbrook last Wednesday, which was sponsored by a circle of the Northbrook Presbyterian church.

Mrs. Edward Gieseke, Sr. was the guest of honor at a surprise birthday party, planned by her son, John, and daughter, Mrs. Hy. Mayer, and held at the latter's home last Friday evening.

Ted Scanlon left the hospital last week and is convalescing from his recent operation, while staying with his parents. Ted has been employed at a drug store in Glencoe and hopes to get back to work soon.

Private Dale Somsel surprised his family when he arrived home on Sunday on a fifteen day leave. Dale has been stationed with the anti-aircraft division of the 122nd coast artillery at Fort Bliss, Texas. He expects to be detailed to service in the Panama Canal Zone, soon after his return to camp.

The mixed 500 club met with the Gemmills at Mt. Prospect last week. First prizes were won by Mrs. Otto Utpadel and Mr. Gemmill while second places went to Mrs. Henry Grandt and Mr. F. Utpadel.

Mrs. J. A. Schminke called on Wheeling friends last Saturday afternoon.

Miss Deborah Port paid a brief visit to her sister, Mrs. Victor Haben last week. Deborah is busy winding up her nursing duties at Billings hospital and making arrangements to go to Manila where she will marry Lincoln Clark, Jr. Mr. Clark is a lieutenant in the army and has been assigned for two years service in the Philippines. Miss Port plans to sail about March 20 and the wedding will take place soon after her arrival in Manila.

PUBLIC CARD PARTY FOR P.-T.A. BENEFIT

A public card and bunco party and raffle will be held in the community hall Friday evening, March 14, for the benefit of the parents and teachers association of Wheeling school. Beautiful prizes that promise to be something different, have been selected by the committee, and there will be one prize for each table.

Between games other attractive large prizes will be raffled off. Admission will be 25c for adults and 10c for grade school chillren. Refreshments will be served. Come and enjoy a social evening with neighbors and friends and help support the work of the school.

A baby girl was born to Mr. and Mrs. Elmer Larson at Evanston hospital on Monday morning, Mar. 3. The Larsons are newcomers in the community, having come from Ladysmith, Wisconsin last fall. The baby is their first child.

Mr. and Mrs. Martin Lemke are new tenants in the R. Utpadel flat.

Mrs. John E. Barrett received word from Normal, Illinois, of the death of her only brother, James S. Courtright, who passed away on Friday night at the age of 82 years. Mr. Courtright formerly was prominent in civic affairs of that city, having served as mayor, postmaster, city clerk, school board member and tax collector at different periods, and was employed for 10 years in the secretary of state's office.

Mr. and Mrs. Robert Utpadel visited wth relatives at Summitt, Ill., last week-end.

Mrs. E. L. Carpenter and Mrs. V. Haben vsited Mrs. Ann Bennett and baby Pamella in Chicago on Sunday.

Little Joyce Scanlon celebrated her seventh birthlay on Sunday, with relatives and friends as dinner guests, and a huge birthday cake to top the occasion.

Mr. and Mrs. Fred Utpadel held open house on the afternoon and evening of February 25, when friends and relatives dropped in with congratulations for their 30th wedding anniversary.

Plans for a Penny Social and card party are being made by Wheeling Camp R. N. A. to be held in the community hall on Thursday, March 27.

A group of Wheeling young people were guests of the young people's society of Arlington Heights Presbyterian church on Sunday evening.

Paul (Shonny) Scharringhausen has written from Alemedo, California, to tell his friends that he is in the ranks of the army, and after several weeks of experience is convinced that his year of service will be of real value to him.

Dr. and Mrs. E. E. Gieske, who recently returned from a two week auto trip to Florida, tell of a very pleasant tour. On the way down they visited a sister's family at Coleman, Alabama. At Vero Beach in Florida, they enjoyed a visit with the Scents, who formerly operated a restaurant here. At Miami Beach they spent several days with the Rollin Blairs. Mr. Blair is a pilot of the Goodyear Blimp stationed at Miami. The Gieskes spent much time in sightseeing and were favored with good weather throughout.

Only a Miracle Can Save U. S. from War, Asserts Dr. W. A. Maier

Asserting only a miracle can save the United States from war, Dr. Walter A. Maier of Concordia Seminary asked in his Lutheran Hour broadcast Sunday that Christians do their share in spiritual preparation for any eventualities.

Speaking over a coast-to-coast network, the internationally-known radio evangelist said ceaseless vigilance will be required to counteract attempts to restrict Christian liberty incidental to every large-scale war. Atheistic attacks upon the church may be expected to increase in intensity with the widening destruction of war, he added, and doubled watchfulness will be needed to preserve the church.

The Church of England, according to Dr. Maier, has been almost paralyzed by the stress of war, which has caused its workers to be transferred from the pulpit to the army, its income drastically reduced and its buildings damaged or destroyed. Similar conditions, he said, exist in other war-ridden lands and there is no reason to presume that the cause of religion will not suffer as a result of war involving the United States.

The theologian emphasized that prayer still could avert many of the destructive dangers to which we now appear headed, and he asked that Christians throughout the nation unite in persistent, penetrating prayers in the name of Christ.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

We just received a card from "Chief" Weiherman, chairman of the G.A.F., asking that each society report before March 15 the status of that League in the drive. He states that the lot has been purchased and that they are anxious to begin building. In order to reach the goal of $100,000 it is necessary that each and every member of each society cooperate and submit his share so if you have not already turned in your envelope, please strive a little harder to fill it so that our entire zone may have a 100 per cent response.

The Arlington seniors will enjoy the broadcast of "Wings of Destiny" at the Merchandise Mart tomorrow (Friday) evening. Those that work downtown are planning to have dinner together, and those who are in town plan to go by train in a body. It is still early enough for you who have not already made reservations to do so—call either Mildred Behrens or Carl Schlomann this evening.

On the same evening a group of the Zone operetta cast will drive down to Whiting, Indiana, to see a performance of "A Waltz Dream" to get some valuable points for our own production. By the way, the cast has been chosen and they will begin practicing their individual parts on March 23. Next Sunday, the 9th, will be the last practice for the entire chorus for several weeks, but when we are recalled, please don't fail to reappear. The chorus is, after all, a very important phase of the operetta. We do not have an accurate or official roster of the cast, but as soon as we get one we will let you know.

The Arlington seniors are planning to go to River Forest next Tuesday to hear Prof. Klinck's lecture on Old Testament history. Those who have already heard it will testify that it is very interesting, and the little articles and trinkets he has from the Holy Land are really intriguing. There is still room for more, so you seniors, bring guests. In order to have room for all, let either your society president or secretary know how many of you are going.

MARJORIE VAN WORMER, nutritionist, the Milk Foundation, Chicago, who will demonstrate buffet entertaining on the afternoon program for women, March 11.

Two good mixers are better than one

THERE you sit, watching the long road ahead as it dips and rises.

Under your feet there's a quiet whispering, to let you know that all eight able Buick cylinders are happily on the job.

You're giving not a single thought to what's happening under that long bonnet nosing out in front, but here's what's going on:

Instead of the single, compromise-size carburetor you find on most cars, this Buick FIREBALL eight with Compound Carburetion* has *two* good mixers on the job.

A single one of them—the front one—keeps you rolling smoothly, easily, quietly, on the very minimum rationing of gasoline.

But the other carburetor is alert and ready for any sudden need. Just tramp down on that accelerator pedal—it goes into instant action, giving you *more* fuel and *more* power for *any* emergency purpose!

It's almost like having *two* engines—one to handle normal requirements thriftily, another to team up with the first for extra oomph and wallop when you want it.

That kind of teamwork pays.

And owners by the thousand will tell you *it's more economical too*—as much as 10% to 15% more economical.

If you haven't experienced what it feels like to have that under the bonnet of your automobile, better go have that Buick demonstration now.

*Standard on all Buick SUPER, CENTURY, ROADMASTER and LIMITED models, available at slight extra cost on all Buick SPECIAL models.

Only a Miracle Can Save U. S. from War, Asserts Dr. W. A. Maier

Asserting only a miracle can save the United States from war, Dr. Walter A. Maier of Concordia Seminary asked in his Lutheran Hour broadcast Sunday that Christians do their share in spiritual preparation for any eventualities.

Speaking over a coast-to-coast network, the internationally-known radio evangelist said ceaseless vigilance will be required to counteract attempts to restrict Christian liberty incidental to every large-scale war. Atheistic attacks upon the church may be expected to increase in intensity with the widening destruction of war, he added, and doubled watchfulness will be needed to preserve the church.

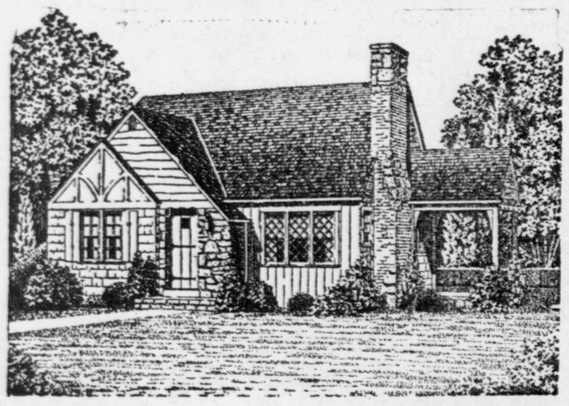

The Church of England, according to Dr. Maier, has been almost paralyzed by the stress of war, which has caused its workers to be transferred from the pulpit to the army, its income drastically reduced and its buildings damaged or destroyed. Similar conditions, he said, exist in other war-ridden lands and there is no reason to presume that the cause of religion will not suffer as a result of war involving the United States.

The theologian emphasized that prayer still could avert many of the destructive dangers to which we now appear headed, and he asked that Christians throughout the nation unite in persistent, penetrating prayers in the name of Christ.

WALTHER LEAGUE

Northern Illinois District

News items for this department should be mailed not later than Monday to Arlene Nagel, publicity chairman, 804 N. Douglas St., Arlington Heights.

We just received a card from "Chief" Weiherman, chairman of the G.A.F., asking that each society report before March 15 the status of that League in the drive. He states that the lot has been purchased and that they are anxious to begin building. In order to reach the goal of $100,000 it is necessary that each and every member of each society cooperate and submit his share so if you have not already turned in your envelope, please strive a little harder to fill it so that our entire zone may have a 100 per cent response.

The Arlington seniors will enjoy the broadcast of "Wings of Destiny" at the Merchandise Mart tomorrow (Friday) evening. Those that work downtown are planning to have dinner together, and those who are in town plan to go by train in a body. It is still early enough for you who have not already made reservations to do so—call either Mildred Behrens or Carl Schlomann this evening.

On the same evening a group of the Zone operetta cast will drive down to Whiting, Indiana, to see a performance of "A Waltz Dream" to get some valuable points for our own production. By the way, the cast has been chosen and they will begin practicing their individual parts on March 23. Next Sunday, the 9th, will be the last practice for the entire chorus for several weeks, but when we are recalled, please don't fail to reappear. The chorus is, after all, a very important phase of the operetta. We do not have an accurate or official roster of the cast, but as soon as we get one we will let you know.

The Arlington seniors are planning to go to River Forest next Tuesday to hear Prof. Klinck's lecture on Old Testament history. Those who have already heard it will testify that it is very interesting, and the little articles and trinkets he has from the Holy Land are really intriguing. There is still room for more, so you seniors, bring guests. In order to have room for all, let either your society president or secretary know how many of you are going.

Two good mixers are better than one

THERE you sit, watching the long road ahead as it dips and rises.

Under your feet there's a quiet whispering, to let you know that all eight able Buick cylinders are happily on the job.

You're giving not a single thought to what's happening under that long bonnet nosing out in front, but here's what's going on:

Instead of the single, compromise-size carburetor you find on most cars, this Buick FIREBALL eight with Compound Carburetion* has *two* good mixers on the job.

A single one of them—the front one—keeps you rolling smoothly, easily, quietly, on the very minimum rationing of gasoline.

But the other carburetor is alert and ready for any sudden need. Just tramp down on that accelerator pedal—it goes into instant action, giving you *more* fuel and *more* power for *any* emergency purpose!

It's almost like having *two* engines—one to handle normal requirements thriftily, another to team up with the first for extra oomph and wallop when you want it.

That kind of teamwork pays.

And owners by the thousand will tell you *it's more economical too*—as much as 10% to 15% more economical.

If you haven't experienced what it feels like to have that under the bonnet of your automobile, better go have that Buick demonstration now.

*Standard on all Buick SUPER, CENTURY, ROADMASTER and LIMITED models, available at slight extra cost on all Buick SPECIAL models.

SECOND FLYING COURSE STARTED AT MAINE

A second flying course, the first having been completed, started this week at Maine junior college with ten students reporting. Lyle Brown will again give the ground instruction of the seventy-two hour course with the flying instruction given at Sky Harbor airport.

Rifle at High School

That the high school students are also becoming national defense minded is evidenced by the turnout for the first rifle instruction class to be given at Maine high school. Lack of sufficient space has limited the enrollment for the course. About 100 students, many of them girls, have indicated a desire to take the course.

SKOKIE CAUCUS SLATE IS REVISION OF COMMITTEE SELECTIONS

In Skokie the caucus slate has been announced and was presented to the public Tuesday night. Joseph F. Urbanus has been named to head the ticket. The others nominated are Agnes Harte for clerk, and William Warren Meyer, George Wilson and William Blackham for trustees.

WISE MAN NOT SO WISE AT SKOKIE, TOWER ROADS

Russell Wise of Evanston didn't appear to be quite so wise Sunday evening when he struck the rear of a waiting car at the junction of Skokie and Tower rds.

Einer Ek of Waukegan had stopped at the junction to allow another autoist to make a left turn when he was hit by the Wise auto. Only apparent injury was a sore neck suffered by Mrs. Ek.

SLIGHT COLLISION AT MANNHEIM, LAKE STREET

A slight collision occurred at the junction of Mannheim rd. and Lake st. Sunday afternoon, when Ray Howard, living at that corner, backed onto the highway and into the waiting auto of Andrew Jedding of Chicago. Jedding had been driving south on rte. 45 when he stopped for the traffic light and was struck.

CHICAGOAN LOSES CONTROL OF AUTO IN UNDERPASS

Dr. Fred Dencer, Chicago, was driving west on Dempster st. thru the Milwaukee ave. underpass early Sunday morning when he lost control of his car and ran into the concrete wall. He escaped injury.

CAUCUS COMMITTEE PICKS WIN NOMINATIONS FOR GLENVIEW CAUCUS SLATE

The list of candidates designated at a meeting last February of the caucus committee won nominations on the caucus slate for the coming village election in Glenview.

A town meeting was held recently in which Renneckar was nominated for president, Meng village clerk, Bennett, Hibben and Palmgren trustees, and Charles Mead for police magistrate. All of these candidates had been approved by the caucus committee.

It has been rumored that the very purpose of the caucus will be defeated because of an opposition ticket being formed.

WOMAN DRIVES THROUGH LIGHT, STRIKES AUTO

Mrs. Grace Tufts, Winnetka, allegedly drove through a stop light at the junction of River and Central rds. Saturday afternoon and ran into the northbound vehicle of John Gieseke of Deerfield.

Gieseke had noticed that the car was apparently not going to stop and had swerved in an attempt to avoid the accident. Both cars collided, however, and ran through the fence of St. Mary's school.

Dr. Fahey of Des Plaines took Mrs. Tufts to his office for first aid. She was later taken to the St. Francis hospital in Evanston.

SEEKS JUDGMENT FOR BUILDING MATERIALS

Suit has been filed in Circuit court by Lageschulte & Hager, of Barrington, against F. A. Dohmeyer and wife and H. W. Peterson & Co., of Barrington to secure judgment for $1,019 of building materials allegedly supplied for a new house in Barrington for the Dohmeyers and which plaintiffs claim has not been paid for yet.

Suits have been filed in Circuit court at Waukegan against the Barrington Flour & Feed Co., by Lageschulte and Hager and Emil C. Wetten on confessions and by William Hartjen for attachment.

ASK DAMAGES FOR COLLISION IN FRONT OF OLD PEOPLES HOME

A collision of automobiles that took place in front of the Lutheran Old People's Home on Northwest Highway in Arlington Heights July 20, is reason for a damage suit filed in Circuit court by A. L. and Frieda Vallaly against Robert Page. They allege he drove his car so recklessly that it ran into their car injuring Frieda Vallaly and damaging the car. She asks $2,500 damages and A. L. Vallaly asks $450 for damage to his car.

Dante, the World's Greatest Magician, At the Erlanger

The sensational amusement treat of the entire season comes to the Erlanger Theatre, Chicago, for a limited engagement commencing Monday night, March 17, when the master of magic, Dante, with his excellent company of 35 mystifiers, presided over by Miss Moi-Yo Miller, the greatest female illusionist in the world and one of the most beautiful women before the public — will present his magnificent fantasmic revue entitled "Sim Sala Bim."

This startling two and a half hours performance of mirth, melody, magic and mystery embroidered with a wealth of gorgeous costumes, elaborate scenery and bewildering accessories, has been acclaimed all over the world as the most colorful, expert and entertaining revue ever witnessed in the annals of amusement.

Dante, who was associated for several years with the beloved Howard Thurston, carries upon his manly shoulders the mantle of mystery and illusion so gracefully worn by the expert Thurston.

Dante has just returned to this country after 13 years touring in every section of the world, where the white man lives; and inaugurated a transcontinental tour in New York City at the Morosco Theatre, where for six weeks he played to absolute capacity—at every performance. This approbation has been duplicated in all the eastern cities: Philadelphia, Pittsburgh, Cleveland, Toronto, etc.

Among the 50 spectacular illusions presented by the gifted Dante in addition to his marvelous exhibition of card-billiard ball-flower and animal manipulating and disappearing, conspicuously prominent are his: "Mystery of the Stratosphere," "The Human Target," "Crushing a Woman In Two," "The Enchanted Cottage," "The Magic Bartender," and "Fun In a Barber's Shop." All these illusions are synchronized with music, so accurately and artistically that every gesture, trick and mystery is accompanied with an embellishment of melody that fits together with the nicety of the proverbial glove.

During the Dante engagement, the following prices will prevail: evenings, 50c to $2.00, with 350 seats in the orchestra at $1.50; Wednesday, Saturday and Sunday matinees, 50c to $1.00, plus tax.

Special features are introduced that appeal to children under 15 years of age, with other specialties appropriate for patrons from 15 to 85.

W. C. Fields Plays Role Of Bank Detective

W. C. Fields is starred in the character of a bank detective in his new Universal laughmaker, "The Bank Dick," which comes to the Catlow Theatre Friday and Saturday.

The comedian has always desired to portray this character on the screen.

With Sabu, Conrad Veidt, June Duprez and John Justin heading a cast of thousands, Alexander Korda's mighty Technicolor spectacle, "The Thief of Bagdad," will have its first showing at the Catlow Theatre on Sunday. This picture, which was nearly two years in the making, was photographed entirely in natural color and represents an outlay of more than $2,000,000. Started before the war and completed in America's Grand Canyon, "The Thief of Bagdad" is said to be marked for a place among the film achievements of all time.

Revealing for the first time on the screen the thrills and dangers of the most hazardous phase of civilian aviation, aerial crop-dusting, Universal's "Give Us Wings" will come to the Catlow Theatre Tuesday.

A dramatic story, interspersed with spectacular action scenes and comedy moments, the film reportedly provides the popular Dead End Kids and the Little Tough Guys with one of their best vehicles to date.

Billy Halop, Huntz Hall, Gabriel Dell, Bernard Punsly and Bobby Jordan comprise the Dead End group featured in the production. Wallace Ford, Victor Jory and Anne Gwynne and Shemp Howard are seen in other top roles.

Double featured on Tuesday with "Give Us Wings," is "Romance of the Rio Grande," with Cesar Romero as "The Cisco Kid," and featuring Patricia Morison, Lynne Roberts, Ricardo Cortez and Chris-Pin Martin.

Cooper and Carroll Top Stars In DeMille's Epic of 'Mounted'

Cecil B. DeMille, master producer-director, has assembled the greatest cast of stars ever to appear in any of his productions for his picture for Paramount, "North West Mounted Police," which will show Sunday, Monday, Tuesday and Wednesday at the Palatine Theatre, with Gary Cooper and Madeleine Carroll in the top starring roles.

An epic-sized tale of blazing and indomitable courage, De Mille has seen fit to place such starring players as Paulette Goddard, Preston Foster, Robert Preston, Akim Tamiroff, Lynne Overman, George Bancroft, Lon Chaney, Jr. and Walter Hampden in important roles, rounding out a top cast which ranks with any ever seen in one motion picture. Moreover, because of the backgrounds and the importance of the story, he has filmed the picture entirely in Technicolor, the first time DeMille has ever made a complete picture in the medium.

"No No Nanette" at Des Plaines Sunday

Anna Neagle returns to the Des Plaines Theatre screen on Sunday in "No No Nanette." Taken from the highly popular Broadway success, the picture is said to be even gayer and more tuneful than Miss Neagle's recent "Irene," and to reveal new facets of this star's talents. The never-to-be-forgotten melodies, "Tea For Two," "I Want To Be Happy," and the title number are sung by Miss Neagle and other principals in spectacular modern settings. Richard Carlson, Victor Mature, and Roland Young are featured in the picture with Miss Neagle. "Texas Rangers Ride Again," starring John Howard, is double featured with "No No Nanette."

"South Of Suez" co-starring Geo. Brent and Brenda Marshall, plus "Hawaiian Nights" is the double feature currently showing at the Des Plaines Theatre through Saturday.

SECOND FLYING COURSE STARTED AT MAINE

A second flying course, the first having been completed, started this week at Maine junior college with ten students reporting. Lyle Brown will again give the ground instruction of the seventy-two hour course with the flying instruction given at Sky Harbor airport.

Rifle at High School

That the high school students are also becoming national defense minded is evidenced by the turnout for the first rifle instruction class to be given at Maine high school. Lack of sufficient space has limited the enrollment for the course. About 100 students, many of them girls, have indicated a desire to take the course.

SKOKIE CAUCUS SLATE IS REVISION OF COMMITTEE SELECTIONS

In Skokie the caucus slate has been announced and was presented to the public Tuesday night. Joseph F. Urbanus has been named to head the ticket. The others nominated are Agnes Harte for clerk, and William Warren Meyer. George Wilson and William Blackham for trustees.

WISE MAN NOT SO WISE AT SKOKIE, TOWER ROADS

Russell Wise of Evanston didn't appear to be quite so wise Sunday evening when he struck the rear of a waiting car at the junction of Skokie and Tower rds.

Einer Ek of Waukegan had stopped at the junction to allow another autoist to make a left turn when he was hit by the Wise auto. Only apparent injury was a sore neck suffered by Mrs. Ek.

SLIGHT COLLISION AT MANNHEIM, LAKE STREET

A slight collision occurred at the junction of Mannheim rd. and Lake st. Sunday afternoon when Ray Howard, living at that corner, backed onto the highway and into the waiting auto of Andrew Jedding of Chicago. Jedding had been driving south on rte. 45 when he stopped for the traffic light and was struck.

CHICAGOAN LOSES CONTROL OF AUTO IN UNDERPASS

Dr. Fred Dencer, Chicago, was driving west on Dempster st. thru the Milwaukee ave. underpass early Sunday morning when he lost control of his car and ran into the concrete wall. He escaped injury.

CAUCUS COMMITTEE PICKS WIN NOMINATIONS FOR GLENVIEW CAUCUS SLATE

The list of candidates designated at a meeting last February of the caucus committee won nominations on the caucus slate for the coming village election in Glenview.

A town meeting was held recently in which Renneckar was nominated for president, Meng village clerk, Bennett, Hibben and Palmgren trustees, and Charles Mead for police magistrate. All of these candidates had been approved by the caucus committee.

It has been rumored that the very purpose of the caucus will be defeated because of an opposition ticket being formed.

WOMAN DRIVES THROUGH LIGHT, STRIKES AUTO

Mrs. Grace Tufts, Winnetka, allegedly drove through a stop light at the junction of River and Central rds. Saturday afternoon and ran into the northbound vehicle of John Gieseke of Deerfield.

Gieseke had noticed that the car was apparently not going to stop and had swerved in an attempt to avoid the accident. Both cars collided, however, and ran through the fence of St. Mary's school.

Dr. Fahey of Des Plaines took Mrs. Tufts to his office for first aid. She was later taken to the St. Francis hospital in Evanston.

SEEKS JUDGMENT FOR BUILDING MATERIALS

Suit has been filed in Circuit court by Lageschulte & Hager, of Barrington, against F. A. Dohmeyer and wife and H. W. Peterson & Co., of Barrington to secure judgment for $1,019 of building materials allegedly supplied for a new house in Barrington for the Dohmeyers and which plaintiffs claim has not been paid for yet.

Suits have been filed in Circuit court at Waukegan against the Barrington Flour & Feed Co., by Lageschulte and Hager and Emil C. Wetten on confessions and by William Hartjen for attachment.

ASK DAMAGES FOR COLLISION IN FRONT OF OLD PEOPLES HOME

A collision of automobiles that took place in front of the Lutheran Old People's Home on Northwest Highway in Arlington Heights July 20, is reason for a damage suit filed in Circuit court by A. L. and Frieda Vallaly against Robert Page. They allege he drove his car so recklessly that it ran into their car injuring Frieda Vallaly and damaging the car. She asks $2,500 damages and A. L. Vallaly asks $450 for damage to his car.

Dante, the World's Greatest Magician, At the Erlanger

The sensational amusement treat of the entire season comes to the Erlanger Theatre, Chicago, for a limited engagement commencing Monday night, March 17, when the master of magic, Dante, with his excellent company of 35 mystifiers, presided over by Miss Moi-Yo Miller, the greatest female illusionist in the world and one of the most beautiful women before the public — will present his magnificent fantasmic revue entitled "Sim Sala Bim."

This startling two and a half hours performance of mirth, melody, magic and mystery embroidered with a wealth of gorgeous costumes, elaborate scenery and bewildering accessories, has been acclaimed all over the world as the most colorful, expert and entertaining revue ever witnessed in the annals of amusement.

Dante, who was associated for several years with the beloved Howard Thurston, carries upon his manly shoulders the mantle of mystery and illusion so gracefully worn by the expert Thurston.

Dante has just returned to this country after 13 years touring in every section of the world, where the white man lives; and inaugurated a transcontinental tour in New York City at the Morosco Theatre, where for six weeks he played to absolute capacity—at every performance. This approbation has been duplicated in all the eastern cities: Philadelphia, Pittsburgh, Cleveland, Toronto, etc.

Among the 50 spectacular illusions presented by the gifted Dante in addition to his marvelous exhibition of card-billiard ball-flower and animal manipulating and disappearing, conspicuously prominent are his: "Mystery of the Stratosphere," "The Human Target," "Crushing a Woman In Two," "The Enchanted Cottage," "The Magic Bartender," and "Fun In a Barber's Shop." All these illusions are synchronized with music, so accurately and artistically that every gesture, trick and mystery is accompanied with an embellishment of melody that fits together with the nicety of the proverbial glove.

During the Dante engagement, the following prices will prevail: evenings, 50c to $2.00, with 350 seats in the orchestra at $1.50; Wednesday, Saturday and Sunday matinees, 50c to $1.00, plus tax.

Special features are introduced that appeal to children under 15 years of age, with other specialties appropriate for patrons from 15 to 85.

W. C. Fields Plays Role Of Bank Detective

W. C. Fields is starred in the character of a bank detective in his new Universal laughmaker, "The Bank Dick," which comes to the Catlow Theatre Friday and Saturday.

The comedian has always desired to portray this character on the screen.

With Sabu, Conrad Veidt, June Duprez and John Justin heading a cast of thousands, Alexander Korda's mighty Technicolor spectacle, "The Thief of Bagdad," will have its first showing at the Catlow Theatre on Sunday. This picture, which was nearly two years in the making, was photographed entirely in natural color and represents an outlay of more than $2,000,000. Started before the war and completed in America's Grand Canyon, "The Thief of Bagdad" is said to be marked for a place among the film achievements of all time.

Revealing for the first time on the screen the thrills and dangers of the most hazardous phase of civilian aviation, aerial crop-dusting, Universal's "Give Us Wings" will come to the Catlow Theatre Tuesday.

A dramatic story, interspersed with spectacular action scenes and comedy moments, the film reportedly provides the popular Dead End Kids and the Little Tough Guys with one of their best vehicles to date.

Billy Halop, Huntz Hall, Gabriel Dell, Bernard Punsly and Bobby Jordan comprise the Dead End group featured in the production. Wallace Ford, Victor Jory and Anne Gwynne and Shemp Howard are seen in other top roles.

Double featured on Tuesday with "Give Us Wings," is "Romance of the Rio Grande," with Cesar Romero as "The Cisco Kid," and featuring Patricia Morison, Lynne Roberts, Ricardo Cortez and Chris-Pin Martin.

Cooper and Carroll Top Stars In DeMille's Epic of 'Mounted'

Cecil B. DeMille, master producer-director, has assembled the greatest cast of stars ever to appear in any of his productions for his picture for Paramount, "North West Mounted Police," which will show Sunday, Monday, Tuesday and Wednesday at the Palatine Theatre, with Gary Cooper and Madeleine Carroll in the top starring roles.

An epic-sized tale of blazing and indomitable courage, De Mille has seen fit to place such starring players as Paulette Goddard, Preston Foster, Robert Preston, Akim Tamiroff, Lynne Overman, George Bancroft, Lon Chaney, Jr. and Walter Hampden in important roles, rounding out a top cast which ranks with any ever seen in one motion picture. Moreover, because of the backgrounds and the importance of the story, he has filmed the picture entirely in Technicolor, the first time DeMille has ever made a complete picture in the medium.

"No No Nanette" at Des Plaines Sunday

Anna Neagle returns to the Des Plaines Theatre screen on Sunday in "No No Nanette." Taken from the highly popular Broadway success, the picture is said to be even gayer and more tuneful than Miss Neagle's recent "Irene," and to reveal new facets of this star's talents. The never-to-be-forgotten melodies, "Tea For Two," "I Want To Be Happy," and the title number are sung by Miss Neagle and other principals in spectacular modern settings. Richard Carlson, Victor Mature, and Roland Young are featured in the picture with Miss Neagle. "Texas Rangers Ride Again," starring John Howard, is double featured with "No No Nanette."

"South Of Suez" co-starring Geo. Brent and Brenda Marshall, plus "Hawaiian Nights" is the double feature currently showing at the Des Plaines Theatre through Saturday.

Buying Farm Now On Price Hopes Is A Risky Venture

This is not the time for a farm family to buy a farm unless it can be carried without too large a debt in relation to long-time earnings, is the opinion of L. J. Norton, professor of agricultural economics, University of Illinois College of Agriculture.

Although at the present time the outlook for agriculture in its relationship to the defense program indicates that farmers will have better incomes, this extra money can best be diverted into lines which will bring more security at less risk in the long run. A wise use of any extra income would be to pay off debts in cases where they are excessive, to make needed and essential improvements such as buying limestone or phosphate fertilizers to step up the productivity of the farm, to secure articles needed for better living or for operating the farm more advantageously.

"Higher incomes will naturally cause the price of land to rise," said Norton. "Reports are coming in that quite a few farms are now being bought on rather small down payments. Any increase in farm incomes caused by war-time demands will be temporary and should not be capitalized into land prices on the assumption that the increase will be permanent.

"For example, how much more is a farm worth if an increase of $1,500 is anticipated in total farm earnings during the next three years because of war-time prices?" Obviously, something less than $1,500, he reports, but if the extra $500 in annual income is capitalized at 5 percent, it would increase the value of the farm by $10,000. Paying $10,000 for the chance to collect $1,500 would be a poor investment for anyone.

"It is better for the family to reduce its debts than to spread out its capital in a thin equity on land with the economic outlook as uncertain as it is at the present time."

Program for PMA Women Planned at Annual Meeting

The six hundred or more Pure Milk Association women who attend the Association's annual meeting on Tuesday, March 11, have been promised an especially interesting day according to information from the central office in Chicago.

In addition to Mary Cononr Myers who will come from Washington to explain "How the Government Represents You in Keeping the Milk Market Right-Side-Up," Gladys Blair, feature editor of Prairie Farmer, will speak on the luncheon program — her subject, "These Are Our Years." Miss Blair wrote the fine account of pioneer women which appeared in the centennial issue of Prairie Farmer and her background of research for that story coupled with her day-to-day contact with farm women particularly qualifies her to talk about "Our Years."

A buffet demonstration — "The Easy Way to Entertain" is scheduled for the afternoon program for women. What to serve and how to serve a silver wedding anniversary buffet, for an evening "fiesta" party, and a St. Patrick's afternoon party will be shown by Marjorie Van Wormer, nutritionist of the Milk Foundation, Chicago.

Local correspondents for Pure Milk, the Association's membership publication, will be honor guests at the annual women's luncheon, to be held in the gold room of the Congress Hotel. Among other special guests will be newspaper women and home economists from Chicago and the milk shed territory, home advisers and home demonstration agents, and extension workers. Wives of the directors from each of PMA's fifteen districts will serve as hostesses for women from their districts who go to Chicago for the all-day meeting.

Musical entertainment for the women's luncheon and in between business sessions throughout the day will be furnished by the WLS Rangers.

Some three thousand Pure Milk Association members from Illinois, southern Wisconsin and northern Indiana are expected to attend the 16th annual meeting. The morning session will be devoted to organization reports, including talks by president Gerhard H. Ekhoff and general manager Arthur H. Lauterbach. Earl C. Smith, president of the Illinois Agricultural Association and vice president of the American Farm Bureau Federation, will be guest speaker on the afternoon program.

IAA Examines Bills Affecting Farm Employment

In studying the 200 bills which have been introduced in the House of Representatives at Springfield and some 80 bills which have been introduced in the state senate, the legislative committee of the Illinois Agricultural Association points out that particularly two bills, if enacted into law, would have widespread effect upon agriculture and agricultural employment.

House bill 80 and senate bill 24 would amend the Illinois unemployment compensation act to bring all employers of one or more persons under the act. It now applies only to employers of six or more persons. Agriculture and certain other employment is now exempt under the act, but under the proposed amendments the unemployment compensation law would apply to farmers and farm help. They would require the farmer-employer to pay the taxes and would qualify farm help for benefits.

House bills 123 and 124 require employers to pay a minimum of 30 cents an hour and require time and one-half for overtime in excess of 40 hours per week. They would apply to all occupations and do not contain any exemption for agriculture or other industries which are exempt for the federal wage and hour act.

In general, the IAA has in the past opposed the inclusion of agriculture in such legislation. The public relations committee of the Association will meet in Chicago Feb. 24, to study this and other legislation affecting farmers, and the IAA board of directors is expected to discuss these bills at its regular monthly meeting, Feb. 25.

Carefully Chosen Wallpaper Makes Good in Any Room

"Bedroom wallpaper" and "living room wallpaper" are on their way out, for wallpaper these days is being chosen for the effect it can create. Hence if formal stripes are desired in the bedroom and light floral designs are just the thing a homemaker needs for living room, the choice is hers.

Miss Dorothy Iwig, extension specialist in home furnishings at the University of Illinois College of Agriculture, says that the general trend in wallpapers is toward widely spaced designs that have light backgrounds showing. These give a feeling of space. Stripes, either plain or floral, will also be popular, since they give height and quiet dignity to a room.

Colors, said Miss Iwig, will vary from the vivid primary colors to the very grey muted tones.

The forecast for curtains is that they will be more washable, more practical and of better quality for the money than ever before. Embroidered voiles and organdies are now on the market, some with and some without flounces and ruffles. From the standpoint of practicality, most of these curtains are being given a permanent finish to prevent that "wilted" look.

Other practical pointers to know are that curtains now can be purchased in any length desired from 1¾ yards to 3 yards; that rayon, because of its ability to retain its shape when laundered, is making a strong bid for popularity, and that bathroom and kitchen curtains are made so they can be reversed from top to bottom when the material starts to show wear.

Vegetable-Type Soybean Showing Promise in State

For home gardens in Illinois and other states with similar climates, vegetable-type soybeans have now proved to be one of the most reliable vegetables, according to J. W. Lloyd, chief in fruit and vegetable marketing at the University of Illinois College of Agriculture.

Successful Culture of edible soybeans is reported from 75 Illinois counties in "Range of Adaptation of Certain Varieties of Vegetable-type Soybeans," written by Lloyd. A copy of the publication, Bulletin No. 471, may be obtained from farm advisers or the university.

Of the 232 Illinois growers reporting their experiences with this new crop, 184 were successful in its production. Counties successfully growing the crop were well distributed over the state, 17 being in the northern district, 32 in central Illinois, and 26 in the Southern district.

In the majority of cases one of the early varieties was mentioned as the best yielder. Giant Green, which was included in the assortments of seed sent to northern and southern Illinois, was reported as the best-yielding variety by a number of persons in both these areas. Higan, a late variety able to withstand heat, also was a high-yielding variety in southern Illinois.

Bansei, which was included in the seed sent to northern Illinois, was mentioned as the highest yielding variety in many northern counties. No. 80494, an early variety similar to Bansei, was the highest yielding variety in central Illinois.

Other varieties included in the tests were Fuji and Willomi, in northern Illinois; Jogun, Illington and Imperial, central Illinois, No. 80490-1 and Emperor, southern Illinois.

Growers found that this type of vegetable can be depended upon to produce a crop even under rather adverse conditions. Furthermore th crop is available for use as a green vegetable at a season of the year when other garden crops on the farm are likely not to be abundant. The vegetable-type soybean constitutes an additional cannery crop available for processing at a season when the pea-canning equipment might otherwise be idle.

Preservation of the green shell soybeans by the quick-freezing process has been highly successful in experiments. As a stored dry bean the vegetable-type soybean may be made available at any time during the winter, and constitutes a highly concentrated protein food.

1941 Clothes Take On Pro-American Look for Easter

Thoroughly American in color, in sentiment and in design are clothes for the 1941 wardrobe, according to Mrs. Helen Eades Stutsman, associate in home economics, University of Illinois College of Agriculture.

The surge of militarism has brought redoubled interest in Navy or Army inspired outfits. American sympathy for China and Greece has inspired American clothing designers, who are dressing Mrs. America these days, to give new frocks a touch of the coolie-coat characteristic or a draped look in the Grecian manner. South America also lends its colorful personality to the fashions of the hour.

Popular colors being shown are Pueblo brown, a color of New Mexican cliff dwellings; Palomino beige, the color of the beautiful Palomino horses of Arizona and California; Arizona pink a dusty desert hue; fog grey, a dull-blue-green-grey, and daffodil, a fresh clear yellow. The green range includes greenback, salad, jealous, pilot and sagebrush, while the beige-to-brown group includes skywriter's beige, sandstone and down-to-earth tan. Pinwheel purple, pursuit red and tricycle red are other American-inspired colors.

The basic fact to remember about the 1941 silhouette is that it is slender in outline rather than fitted and flared, Mrs. Stutsman pointed out. The principal changes have occurred in the shoulder and sleeve and waistline. Straight narrow lines, smooth or sloping shoulders and longer jackets are being seen. The straight narrow lines are not taut or tight, but flow from shoulder to hem with only a belt or inset waistline to break them. This straight cut is seen in coats and suits as well as in dresses.

American women this year will come to realize that fashions and fabrics needn't have the "imported" stamp to be good, Mrs. Stutsman said. They will find that good American designs and fabrics, springing out of the customs of Americans, can be had.

Buying Farm Now On Price Hopes Is A Risky Venture

This is not the time for a farm family to buy a farm unless it can be carried without too large a debt in relation to long-time earnings, is the opinion of L. J. Norton, professor of agricultural economics, University of Illinois College of Agriculture.

Although at the present time the outlook for agriculture in its relationship to the defense program indicates that farmers will have better incomes, this extra money can best be diverted into lines which will bring more security at less risk in the long run. A wise use of any extra income would be to pay off debts in cases where they are excessive, to make needed and essential improvements such as buying limestone or phosphate fertilizers to step up the productivity of the farm, to secure articles needed for better living or for operating the farm more advantageously.

"Higher incomes will naturally cause the price of land to rise," said Norton. "Reports are coming in that quite a few farms are now being bought on rather small down payments. Any increase in farm incomes caused by war-time demands will be temporary and should not be capitalized into land prices on the assumption that the increase will be permanent.

"For example, how much more is a farm worth if an increase of $1,500 is anticipated in total farm earnings during the next three years because of war-time prices?" Obviously, something less than $1,500, he reports, but if the extra $500 in annual income is capitalized at 5 percent, it would increase the value of the farm by $10,000. Paying $10,000 for the chance to collect $1,500 would be a poor investment for anyone.

"It is better for the family to reduce its debts than to spread out its capital in a thin equity on land with the economic outlook as uncertain as it is at the present time."

Program for PMA Women Planned at Annual Meeting

The six hundred or more Pure Milk Association women who attend the Association's annual meeting on Tuesday, March 11, have been promised an especially interesting day according to information from the central office in Chicago.

In addition to Mary Cononr Myers who will come from Washington to explain "How the Government Represents You in Keeping the Milk Market Right-Side-Up," Gladys Blair, feature editor of Prairie Farmer, will speak on the luncheon program — her subject, "These Are Our Years." Miss Blair wrote the fine account of pioneer women which appeared in the centennial issue of Prairie Farmer and her background of research for that story coupled with her day-to-day contact with farm women particularly qualifies her to talk about "Our Years."

A buffet demonstration — "The Easy Way to Entertain" is scheduled for the afternoon program for women. What to serve and how to serve a silver wedding anniversary buffet, for an evening "fiesta" party, and a St. Patrick's afternoon party will be shown by Marjorie Van Wormer, nutritionist of the Milk Foundation, Chicago.

Local correspondents for Pure Milk, the Association's membership publication, will be honor guests at the annual women's luncheon, to be held in the gold room of the Congress Hotel. Among other special guests will be newspaper women and home economists from Chicago and the milk shed territory, home advisers and home demonstration agents, and extension workers. Wives of the directors from each of PMA's fifteen districts will serve as hostesses for women from their districts who go to Chicago for the all-day meeting.

Musical entertainment for the women's luncheon and in between business sessions throughout the day will be furnished by the WLS Rangers.

Some three thousand Pure Milk Association members from Illinois, southern Wisconsin and northern Indiana are expected to attend the 16th annual meeting. The morning session will be devoted to organization reports, including talks by president Gerhard H. Ekhoff and general manager Arthur H. Lauterbach. Earl C. Smith, president of the Illinois Agricultural Association and vice president of the American Farm Bureau Federation, will be guest speaker on the afternoon program.

IAA Examines Bills Affecting Farm Employment

In studying the 200 bills which have been introduced in the House of Representatives at Springfield and some 80 bills which have been introduced in the state senate, the legislative committee of the Illinois Agricultural Association points out that particularly two bills, if enacted into law, would have widespread effect upon agriculture and agricultural employment.

House bill 80 and senate bill 24 would amend the Illinois unemployment compensation act to bring all employers of one or more persons under the act. It now applies only to employers of six or more persons. Agriculture and certain other employment is now exempt under the act, but under the proposed amendments the unemployment compensation law would apply to farmers and farm help. They would require the farmer-employer to pay the taxes and would qualify farm help for benefits.

House bills 123 and 124 require employers to pay a minimum of 30 cents an hour and require time and one-half for overtime in excess of 40 hours per week. They would apply to all occupations and do not contain any exemption for agriculture or other industries which are exempt for the federal wage and hour act.

In general, the IAA has in the past opposed the inclusion of agriculture in such legislation. The public relations committee of the Association will meet in Chicago Feb. 24, to study this and other legislation affecting farmers, and the IAA board of directors is expected to discuss these bills at its regular monthly meeting, Feb. 25.

Carefully Chosen Wallpaper Makes Good in Any Room

"Bedroom wallpaper" and "living room wallpaper" are on their way out, for wallpaper these days is being chosen for the effect it can create. Hence if formal stripes are desired in the bedroom and light floral designs are just the thing a homemaker needs for living room, the choice is hers.

Miss Dorothy Iwig, extension specialist in home furnishings at the University of Illinois College of Agriculture, says that the general trend in wallpapers is toward widely spaced designs that have light backgrounds showing. These give a feeling of space. Stripes, either plain or floral, will also be popular, since they give height and quiet dignity to a room.

Colors, said Miss Iwig, will vary from the vivid primary colors to the very grey muted tones.

The forecast for curtains is that they will be more washable, more practical and of better quality for the money than ever before. Embroidered voiles and organdies are now on the market, some with and some without flounces and ruffles. From the standpoint of practicality, most of these curtains are being given a permanent finish to prevent that "wilted" look.

Other practical pointers to know are that curtains now can be purchased in any length desired from 1¾ yards to 3 yards; that rayon, because of its ability to retain its shape when laundered, is making a strong bid for popularity, and that bathroom and kitchen curtains are made so they can be reversed from top to bottom when the material starts to show wear.

Vegetable-Type Soybean Showing Promise in State

For home gardens in Illinois and other states with similar climates, vegetable-type soybeans have now proved to be one of the most reliable vegetables, according to J. W. Lloyd, chief in fruit and vegetable marketing at the University of Illinois College of Agriculture.

Successful Culture of edible soybeans is reported from 75 Illinois counties in "Range of Adaptation of Certain Varieties of Vegetable-type Soybeans," written by Lloyd. A copy of the publication, Bulletin No. 471, may be obtained from farm advisers or the university.

Of the 232 Illinois growers reporting their experiences with this new crop, 184 were successful in its production. Counties successfully growing the crop were well distributed over the state, 17 being in the northern district, 32 in central Illinois, and 26 in the Southern district.

In the majority of cases one of the early varieties was mentioned as the best yielder. Giant Green, which was included in the assortments of seed sent to northern and southern Illinois, was reported as the best-yielding variety by a number of persons in both these areas. Higan, a late variety able to withstand heat, also was a high-yielding variety in southern Illinois.

Bansei, which was included in the seed sent to northern Illinois, was mentioned as the highest yielding variety in many northern counties. No. 80494, an early variety similar to Bansei, was the highest yielding variety in central Illinois.

Other varieties included in the tests were Fuji and Willomi, in northern Illinois; Jogun, Illington and Imperial, central Illinois, No. 80490-1 and Emperor, southern Illinois.

Growers found that this type of vegetable can be depended upon to produce a crop even under rather adverse conditions. Furthermore th crop is available for use as a green vegetable at a season of the year when other garden crops on the farm are likely not to be abundant. The vegetable-type soybean constitutes an additional cannery crop available for processing at a season when the pea-canning equipment might otherwise be idle.

Preservation of the green shell soybeans by the quick-freezing process has been highly successful in experiments. As a stored dry bean the vegetable-type soybean may be made available at any time during the winter, and constitutes a highly concentrated protein food.

1941 Clothes Take On Pro-American Look for Easter

Thoroughly American in color, in sentiment and in design are clothes for the 1941 wardrobe, according to Mrs. Helen Eades Stutsman, associate in home economics, University of Illinois College of Agriculture.

The surge of militarism has brought redoubled interest in Navy or Army inspired outfits. American sympathy for China and Greece has inspired American clothing designers, who are dressing Mrs. America these days, to give new frocks a touch of the coolie-coat characteristic or a draped look in the Grecian manner. South America also lends its colorful personality to the fashions of the hour.

Popular colors being shown are Pueblo brown, a color of New Mexican cliff dwellings; Palomino beige, the color of the beautiful Palomino horses of Arizona and California; Arizona pink a dusty desert hue; fog grey, a dull-blue-green-grey, and daffodil, a fresh clear yellow. The green range includes greenback, salad, jealous, pilot and sagebrush, while the beige-to-brown group includes skywriter's beige, sandstone and down-to-earth tan. Pinwheel purple, pursuit red and tricycle red are other American-inspired colors.

The basic fact to remember about the 1941 silhouette is that it is slender in outline rather than fitted and flared, Mrs. Stutsman pointed out. The principal changes have occurred in the shoulder and sleeve and waistline. Straight narrow lines, smooth or sloping shoulders and longer jackets are being seen. The straight narrow lines are not taut or tight, but flow from shoulder to hem with only a bel or inset waistline to break them This straight cut is seen in coat and suits as well as in dresses.

American women this year wil come to realize that fashions an fabrics needn't have the "import ed" stamp to be good, Mrs. Stuts man said. They will find that goo American designs and fabrics springing out of the customs o Americans, can be had.

Pirate Five 'Wallops' Lake Forest In Cage Finals Of District Tourney

Pirates Win 52-28; Meet Libertyville In Regional Thurs.

Palatine won the district championship last Saturday night by defeating Lake Forest 52-28 in the finals of the Wauconda tournament. It was the second tournament championship won by Palatine in the history of the school and qualified the Pirates for the regional tournament at Waukegan this week. Their first opponent will be Libertyville on Thursday night at 7:30. Back in 1938 Palatine won the Wauconda district. Last year the Pirates lost the district final to Lake Forest 26-24.

Palatine's playing in the first two tournament games in which they trounced Northbrook 42-25 and disposed of Warren 31-19 indicated a slump as compared with regular season's performances but Saturday's final left little to be desired. The Pirates played good ball. Their passing was fast and accurate and their shooting jumped from a 15% against Warren to a strong 28.8%. After the first quarter reserves made up part of the lineup during the remainder of the game without any decrease in the playing efficiency.

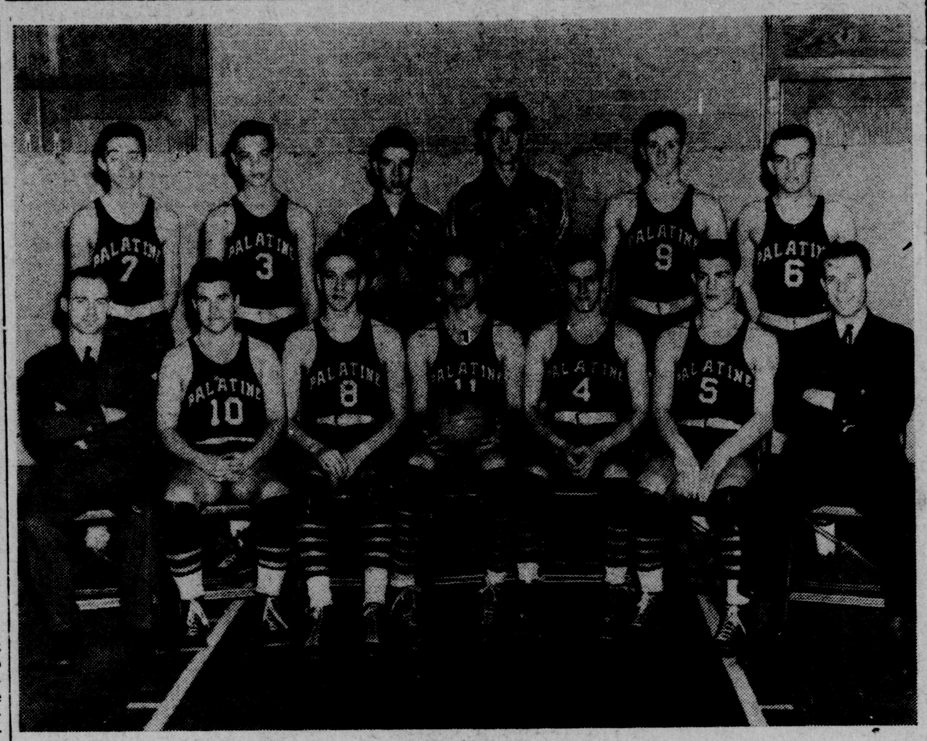

Pirates Lead All the Way

Palatine was off to a 12-6 lead in the first quarter as DeBerge hit three consecutive one hand shots to lead the attack. In the second period it was Hollinger who hit tnree times on pivot shots as Palatine increased the margin to 24-15. DeBerge and Snyder sat on the sidelines with three fouls in the third period while Birks and Schwolow took over their positions.

Eleven more points were racked up for Palatine as Hildebrandt scored six points and Hahnfeldt four to make the count 35-19. Seven Palatine boys scored as Palatine bombarded the net for 17 last quarter points. Howes and Hollinger scored two baskets apiece in this closing streak of hot shooting. Hahnfeldt and Hildebrandt sat out most of the last period as subs took over their positions.

Hollinger Stars

Hollinger was the consistent shooter for Palatine with seven goals in 19 shots. Shifted from forward to floor guard in the last half, his ball handling and rebounding were the best seen in the tournament. Hahnfeldt, always dependable, played his usual outstanding all round game. He led tourney scorers with 40 points. DeBerge came back to his previous form as a guard and had a great night of shooting with four difficult goals in six attempts. Hildebrandt came back for a strong third quarter of seven points after a slow first half. His best tournament work was on defense. Snyder who played his best ball of the season in the tournament had another good night. Schwolow, Birks, Howes and Harris took over in place of starters and came through in fine style.

DISTRICT CHAMPS PLAY IN REGIONAL TONIGHT

Back row, left to right: Golden, Schwolow, Harris, Howes, Birks, McCombs.
Front row: Gerald McElroy, head coach; Snyder, De Berge, Hildebrandt, Hollinger, Hahnfeldt, Wayne Wipert, Assistant Coach.

This is the Palatine tournament squad which won the Wauconda District tournament handily last week and will play Libertyville tonight in the Waukegan Regional. The boys wearing the dark suits along with Godknecht, not in the picture, made up the squad which copped an undefeated Northwest Conference championship this year for their second undisputed title in a row. The team has won 22 out of 24 games to date this season and has 40 victories in 45 games over a two year period.

Tournament Summary

FIRST ROUND

Palatine 42, Northbrook 25

Palatine's 42-25 victory over Northbrook was made possible by Hahnfeldt's great 21 point scoring performance and Snyder's fine ball handling and passing. Aside from these boys the team was definitely not up to par. Snyder had eight points and Hildebrandt seven. Klein scored nine and H. Strauss seven for Northbrook. The Vikings put up a real fight all the way.

Warren 30, Grant 27

McNally's 21 points were not enough to give Grant a victory as Warren's better balanced team held a slight advantage all the way. The score was tied with a few minutes to play. Grant's fouling cost them the game as Warren cashed in on free throws for the winning margin.

Lake Forest 28, Barrington 22

The Bronchos had an off night, failing to hit a field goal until after 22 minutes of play. Then DeWitz started hitting, but the rally was halted when Fullerton broke his glasses. Schumacher who hit consistently from the free throw line sparked the second half rally after Barrington trailed 15-5 at the half. Larson and Lohman led the Lake Forest quintet.

Wauconda 33, Ela 31

After piling up a 23-11 first half lead on brilliant shooting by Werden, Wauconda's playing fell off and Ela rallied to tie the score with four minutes to play. Ela went ahead at one time in the closing minutes, but Werden provided the winning margin on a last minute rebound goal. Kropp and Gleason were outstanding for Ela.

SEMI-FINALS

Palatine 31, Warren 19

The Pirates had one of their worst nights of the season. Warren's aggressive playing bottled up a sluggish Palatine offense, but it cost them both regular guards on fouls in the first half and the Pirates gained a half time lead of 18-11 on free throws. Warren was charged with 16 fouls in the first half. Palatine had 15 free throw opportunities in the second quarter.

Schwolow Revives Pirates

It was Schwolow, a reserve forward, who entered the game in the second period with the score 5-4 and gave the team new life and pep which resulted in a fairly safe lead at the half. Schwolow scored six points and did some nice rebounding. His team work with Hahnfeldt enabled the latter to get free for seven points in the second period. Hahnfeldt scored 11 points and Hildebrandt who was off on shooting finally got two last quarter goals after 18 misses anl totaled seven points for the game. Birks took over the back guard duties for three quarters in a very capable manner.

Lake Forest 24, Wauconda 21

Lake Forest took advantage of Wauconda's passing mistakes and lack of height on rebounds to gain the edge. Herrmann's Bulldogs played good ball, but failed to hit on enough set up shots to have won by 10 points. The loss of Porten on fouls in the first half was one of the deciding factors. Larson and Eul stood out for Lake Forest. Wauconda's scoring was rather evenly divided among Oswald, Froehlke, Werden, and Porten.

"TEXAS RANGERS RIDE AGAIN"

Here's a veteran of the world's champion Harlem Globetrotters. Playing his fifth season as guard, Ford's better than ever and is a steadying influence on the younger men with the team. The Globetrotters will meet the Bensenville Lions Friday night, March 14, at the Bensenville high school gym.

Injuries Beset Arlington During Cage Season

The Cardinals and the Green Tornadoes, Arlington Heights high school's varsity and junior varsity basketball teams, finished their regular season Feb. 21. Since then a squad made up of players from both teams has been working in preparation for the regional tournament at Woodstock. The Arlington team met Hebron Wednesday night.

Members of the Arlington tournament squad were: Herman Becker, Orville Bolte, Tom Coleman, Henry Dorband, John Harth, Ralph Hauptly, Charles Hamburg, Tom Jarvis, Lief Maseng, Paul Merrill, Jim Millay, Joe Morici, Ed. Mueller, and Bob Schwolow. Ten of these boys made up the team which played Wednesday. Illness and injury among the squad members made it impossible to name the team until the day of the opening game.

The Cardinals won three of their twelve conference games and might, under the circumstances, have lost even those had it not been for their willingness to try for a victory every time they went on the floor. There was never a week during the entire season when the squad was completely free from injuries, and usually the line-up was shifted from game to game because of this factor.

The permanent loss of Ed. Schulenburg and Bob Heinze before the season began was the first blow. Ed. Mueller, Jim Millay, Ralph Hauptly, John Harth, and Bob Schwolow were out of games at one time or another. Despite these handicaps, the Arlington team played every game with determination and spirit.

The Cardinals set up some good marks both individually and as a team. Becker hit 26 points in the closing game at Skokie. Mueller hit 22 against Libertyville, 18 against Leyden, and 17 against Warren. The team hit 47 points on two occasions, winning one and losing the other in overtime. In the first Libertyville game the team hit 51 per cent of its shots, which is unusual even for teams with consistently better shooting than the Cardinals had.

Becker and Millay will be the only varsity players to return for another year of competition. Prospects are favorable, however, chiefly because of Roy Campbell's excellent work with the younger players. Losers of their first four conference starts, his Green Tornadoes set the pace after the holidays. They won seven of their eight remaining games, losing only to Woodstock after a good rally had apparently won the game.

Several boys on this team could have been in varsity uniforms at times, but for the sake of steady play they were kept together in the green suits. Orville Bolte, a junior, led the team in scoring, with Tom Coleman, a sophomore, second. Joe Morici and Paul Merrill, two sophomores, and Lief Maseng, a junior, were closely grouped in the next three positions. Other members of the squad as it finished the season were: Charles Hamburg, Henry Dorband, Wayne Kleiner, Royce McWharter, Ted Hauer, Jack Aldrich, and Don Peeters. All but two of these are sophomores.

These younger players, who have had to learn virtually all of their fundamentals since coming to high school, are ready to move into varsity play with a good foundation in shooting, passing, pivoting, and floor work. Their defensive record has been excellent and their team play even better. They may need a few games against varsity competition before they are completely ready to go, but they give promise of competing on even terms with the other teams of the Northeast conference for the better part of the next two years.

Cards, Pirates In Regional Tournaments

Regional tournaments in the state series opened play last night (Wednesday) with the games at Waukegan and Woodstock having the most local interest. Arlington met the vaunted Hebron five last night in the opening round at Woodstock while Crystal Lake faced Elgin. Tonight it is Woodstock versus Huntley and Dundee meeting Harvard. Semi-finals are Friday and finals Saturday with two teams moving on to the sectionals. According to the dope Hebron and Dundee will clash in the final just as they did last year.

At Waukegan the Wednesday games found Niles meeting Lake Forest, the district loser and Waukegan taking on a weak Maine township team. Tonight (Thursday) at 7:30 Palatine meets Libertyville and at 8:30 New Trier battles Zion-Benton.

Friday Games Outstanding

If the dope runs true to form Niles should clash with Waukegan at 7:30 in the semi-finals Friday while Palatine should engage New Trier at 8:45. Thees games should be real class with the outcome a toss up. Waukegan sports writers feel that the Palatine-New Trier winner wil cop the tournament and are inclined to feel that Palatine will be that winner if they play as they did in the district final.

New Trier The Team to Beat

New Trier is without question superior to Waukegan this year though the latter ranked higher in the Suburban League standings. Loss of players by mid year graduation and illness has weakened Waukegan of late. New Trier with six won and six lost in the league has a good club which beat Waukegan recently 40-24 and lost four one or two point decisions at the beginning of the season. Niles holds a 28-25 overtime victory over New Trier at 8:45. These games should giving week-end, but Coach Grater's five has improved since then.

Trojans Average Over Six Feet

Niles has a good rangy team that has lost only to Evanston and Woodstock during the regular season. The Trojans are a strong possibility for the regional finals. Six boys have seen most of the action for Coach Galitz's team. The regulars are Jarret (6 ft.) and Podrazza (6 ft. 1 in.), juniors; and Williams (6 ft. 4 in.), Thulstrup (6 ft. 3 in.), Domas (6 ft. 1 in.), and Peterson (5 ft 7 in.), seniors.

Waukegan Lost Reilly

Waukegan, as usual, plays a long passing, fast breaking game. Coach Brown has a team of small fast boys who try to wear down the opposition by their fire ball tactics. The loss of Reilly who graduated in January has greatly weakened the Waukegan team.

Palatine's tournament squad for the regional will be the same as the district except that Golden will go to Waukegan while McCombs played at Wauconda. These boys are seniors and are sharing a position on the squad to make way for the sophomores Howes (6 ft. 3½ in.) and Harris (5 ft. 10½ in.) who have been promoted from the lightweights. The seven more or less regular players on the Pirates varsity are DeBerge (6 ft. 1 in.) Hahnfeldt (5 ft. 9 in.) Hollinger (5 ft. 10½ in.), Hildebrandt (6 ft. 4 in.), Snyder (5 ft. 6½ in.), Birks (6 ft.), and Schwolow (6 ft. ½ in.).

Third Regional Attempt In Four Years

The Pirates have won 22 out of 24 games to date with no defeats in the last 14 contests. On two previous occasions, 1938 and 1940, Palatine advanced through the district tournament and into the regional semi-finals, but failed by one game to qualify for the sectional tournament. In 1938 with O'Brien and Nangle leading the team, Palatine beat Wauconda, Ela, and Niles in the district, defeated Libertyville in the regional opener and then lost to New Trier by eight points after leading at the half. Fatigue from exceptionally hard district games told the story that year. Last season the Pirates beat Highland Park, but fell before the speed and wearing down methods employed by Waukegan in the semi-finals though they outscored the winners in three quarters. This year Palatine has the same schedule as in '38, with Libertyville and New Trier as likely opponents and with high hopes of a different outcome.

Mac Says-

by GERALD A. MC ELROY

Three of the four small schools with hopes of going far in the state tournament series are still going strong after the opening week of tournament plays. Wheaton, considered by some authorities as the strongest of the quartet, was dropped by Leyden 33-32 in the opening tournament game. Waterman did not play last week, being advanced straight into the De Kalb Regional where they are prime favorites with their only serious opposition being Sycamore. Hebron took their own district handily by disposing of Huntley 33-14 in the final and opens the Woodstock Regional by meeting Arlington Heights. They rate the edge over Hayes team and ought to beat Elgin in the semi-finals for a sure trip to the sectional. Palatine, the fourth of the small school hopefuls, took the Wauconda district in full stride and meets Libertyville this Thursday night at the Waukegan Regional. The Pirates rate the edge over Bergstrom's giants and would then meet New Trier for a chance to advance into the sectional.

New Trier The Team to Beat

Al Grosche, Waukegan baseball coach and veteran referee, stated in an article in the Waukegan News-Sun that the winner of the Palatine-New Trier game will win the Waukegan tournament. He says that Palatine has better ball handling and New Trier better rebounding and picks the Pirates to win by a narrow margin. Grosche called the games correctly in the district and we hope his dope works out.

Predicts Upset

Coach Art Bergstrom has the distinction of predicting the upset of Wheaton by Leyden. A note appeared in the Wheaton paper before the district stating that Bergstrom had told Coach Bob Horsley that he thought Leyden would beat them.

Spoiled a Few Records

Palatine's 52-28 victory over Lake Forest in the district finals was an unusual score for an opponent of the Scouts to tally. Looking over the records we find that Lake Forest held their Northeast Conference opponents to a 26 point average in 12 games, just half as much as the Pirates scored. Also no team this past season scored over 35 points against Lake Forest and their worst previous beating was 32-24 at the hands of Warren. The Scouts coached by Tom Short lost to Niles 29-27 and 34-30, to Woodstock 31-26 and 35-30 and to Leyden 26-23. These three opponents finished in the top conference positions.

Reserves Prove Worth

One of the bright spots in the tournament from the Palatine view point was the work of the reserves. Birks and Schwolow looked especially good and the way they played makes it appear that Palatine has seven first stringers and not just five. This pair are juniors and with Howes and Harris, sophomores on the tourney squad, should form the nucleus for a team that will not be half bad next year.

Notes About Individuals

When it comes to consistent all round playing the honors go to Hahnfeldt of Palatine. He was high scorer of the district tournament by a wide margin, getting 40 points in three games. Werden, small speedy Wauconda guard, would certainly rate all tournament honors. His dribbling and shooting made him the ace of his team. McNally put on a great individual scoring performance for Grant in a losing cause with 21 points against Warren tying Hahnfeldt's record made an hour earlier. Larson was without question the most consistent boy on Tom Short's Lake Forest quintet. This lad is a junior and so is Lightbody, regular guard. Sorenson, sophomore flash who had been scoring well in recent games, did not appear in the district tourney due to weekly eligibility rules, but is likely to help Lake Forest against Niles this week at Waukegan.

All Tournament Team

As an all tournament team based on consistent all round playing we would name Hahnfeldt of Palatine and McNally of Grant as forwards, Larson of Lake Forest, center; and Snyder of Palatine and Werden of Wauconda, guards. Hollinger and DeBerge of Palatine were brilliant in the final game, but less consistent for the whole tournament. DeWitz and Schumacher of Barrington, Kropp and Gleason of Ela, Hall and McCann of Warren, Lohman and Eul of Lake Forest, Oswald and Froehlke of Wauconda, and Klein and H. Strauss of Northbrook were other boys who looked good.

Pirate Five 'Wallops' Lake Forest In Cage Finals Of District Tourney

Pirates Win 52-28; Meet Libertyville In Regional Thurs.

Palatine won the district championship last Saturday night by defeating Lake Forest 52-28 in the finals of the Wauconda tournament. It was the second tournament championship won by Palatine in the history of the school and qualified the Pirates for the regional tournament at Waukegan this week. Their first opponent will be Libertyville on Thursday night at 7:30. Back in 1938 Palatine won the Wauconda district. Last year the Pirates lost the district final to Lake Forest 26-24.

Palatine's playing in the first two tournament games in which they trounced Northbrook 42-25 and disposed of Warren 31-19 indicated a slump as compared with regular season's performances but Saturday's final left little to be desired. The Pirates played good ball. Their passing was fast and accurate and their shooting jumped from a 15% against Warren to a strong 28.8%. After the first quarter reserves made up part of the lineup during the remainder of the game without any decrease in the playing efficiency.

Pirates Lead All the Way

Palatine was off to a 12-6 lead in the first quarter as DeBerge hit three consecutive one hand shots to lead the attack. In the second period it was Hollinger who hit tnree times on pivot shots as Palatine increased the margin to 24-15. DeBerge and Snyder sat on the sidelines with three fouls in the third period while Birks and Schwolow took over their positions.

Eleven more points were racked up for Palatine as Hildebrandt scored six points and Hahnfeldt four to make the count 35-19. Seven Palatine boys scored as Palatine bombarded the net for 17 last quarter points. Howes and Hollinger scored two baskets apiece in this closing streak of hot shooting. Hahnfeldt and Hildebrandt sat out most of the last period as subs took over their positions.

Hollinger Stars

Hollinger was the consistent shooter for Palatine with seven goals in 19 shots. Shifted from forward to floor guard in the last half, his ball handling and rebounding were the best seen in the tournament. Hahnfeldt, always dependable, played his usual outstanding all round game. He led tourney scorers with 40 points. DeBerge came back to his previous form as a guard and had a great night of shooting with four difficult goals in six attempts. Hildebrandt came back for a strong third quarter of seven points after a slow first half. His best tournament work was on defense. Snyder who played his best ball of the season in the tournament had another good night. Schwolow, Birks, Howes and Harris took over in place of starters and came through in fine style.

DISTRICT CHAMPS PLAY IN REGIONAL TONIGHT

Back row, left to right: Golden, Schwolow, Harris, Howes, Birks, McCombs.
Front row: Gerald McElroy, head coach; Snyder, De Berge, Hildebrandt, Hollinger, Hahnfeldt, Wayne Wipert, Assistant Coach.

This is the Palatine tournament squad which won the Wauconda District tournament handily last week and will play Libertyville tonight in the Waukegan Regional. The boys wearing the dark suits along with Godknecht, not in the picture, made up the squad which copped an undefeated Northwest Conference championship this year for their second undisputed title in a row. The team has won 22 out of 24 games to date this season and has 40 victories in 45 games over a two year period.

Tournament Summary

FIRST ROUND

Palatine 42, Northbrook 25

Palatine's 42-25 victory over Northbrook was made possible by Hahnfeldt's great 21 point scoring performance and Snyder's fine ball handling and passing. Aside from these boys the team was definitely not up to par. Snyder had eight points and Hildebrandt seven. Klein scored nine and H. Strauss seven for Northbrook. The Vikings put up a real fight all the way.

Warren 30, Grant 27

McNally's 21 points were not enough to give Grant a victory as Warren's better balanced team held a slight advantage all the way. The score was tied with a few minutes to play. Grant's fouling cost them the game as Warren cashed in on free throws for the winning margin.

Lake Forest 28, Barrington 22

The Bronchos had an off night, failing to hit a field goal until after 22 minutes of play. Then DeWitz started hitting, but the rally was halted when Fullerton broke his glasses. Schumacher who hit consistently from the free throw line sparked the second half rally after Barrington trailed 15-5 at the half. Larson and Lohman led the Lake Forest quintet.

Wauconda 33, Ela 31

After piling up a 23-11 first half lead on brilliant shooting by Werden, Wauconda's playing fell off and Ela rallied to tie the score with four minutes to play. Ela went ahead at one time in the closing minutes, but Werden provided the winning margin on a last minute rebound goal. Kropp and Gleason were outstanding for Ela.

SEMI-FINALS

Palatine 31, Warren 19

The Pirates had one of their worst nights of the season. Warren's aggressive playing bottled up a sluggish Palatine offense, but it cost them both regular guards on fouls in the first half and the Pirates gained a half time lead of 18-11 on free throws. Warren was charged with 16 fouls in the first half. Palatine had 15 free throw opportunities in the second quarter.

Schwolow Revives Pirates

It was Schwolow, a reserve forward, who entered the game in the second period with the score 5-4 and gave the team new life and pep which resulted in a fairly safe lead at the half. Schwolow scored six points and did some nice rebounding. His team work with Hahnfeldt enabled the latter to get free for seven points in the second period. Hahnfeldt scored 11 points and Hildebrandt who was off on shooting finally got two last quarter goals after 18 misses anl totaled seven points for the game. Birks took over the back guard duties for three quarters in a very capable manner.

Lake Forest 24, Wauconda 21

Lake Forest took advantage of Wauconda's passing mistakes and lack of height on rebounds to gain the edge. Herrmann's Bulldogs played good ball, but failed to hit on enough set up shots to have won by 10 points. The loss of Porten on fouls in the first half was one of the deciding factors. Larson and Eul stood out for Lake Forest. Wauconda's scoring was rather evenly divided among Oswald, Froehlke, Werden, and Porten.

"TEXAS RANGERS RIDE AGAIN"

Here's a veteran of the world's champion Harlem Globetrotters. Playing his fifth season as guard, Ford's better than ever and is a steadying influence on the younger men with the team. The Globetrotters will meet the Bensenville Lions Friday night, March 14, at the Bensenville high school gym.

Injuries Beset Arlington During Cage Season

The Cardinals and the Green Tornadoes, Arlington Heights high school's varsity and junior varsity basketball teams, finished their regular season Feb. 21. Since then a squad made up of players from both teams has been working in preparation for the regional tournament at Woodstock. The Arlington team met Hebron Wednesday night.

Members of the Arlington tournament squad were: Herman Becker, Orville Bolte, Tom Coleman, Henry Dorband, John Harth, Ralph Hauptly, Charles Hamburg, Tom Jarvis, Lief Maseng, Paul Merrill, Jim Millay, Joe Morici, Ed. Mueller, and Bob Schwolow. Ten of these boys made up the team which played Wednesday. Illness and injury among the squad members made it impossible to name the team until the day of the opening game.

The Cardinals won three of their twelve conference games and might, under the circumstances, have lost even those had it not been for their willingness to try for a victory every time they went on the floor. There was never a week during the entire season when the squad was completely free from injuries, and usually the line-up was shifted from game to game because of this factor.

The permanent loss of Ed. Schulenburg and Bob Heinze before the season began was the first blow. Ed. Mueller, Jim Millay, Ralph Hauptly, John Harth, and Bob Schwolow were out of games at one time or another. Despite these handicaps, the Arlington team played every game with determination and spirit.

The Cardinals set up some good marks both individually and as a team. Becker hit 26 points in the closing game at Skokie. Mueller hit 22 against Libertyville, 18 against Leyden, and 17 against Warren. The team hit 47 points on two occasions, winning one and losing the other in overtime. In the first Libertyville game the team hit 51 per cent of its shots, which is unusual even for teams with consistently better shooting than the Cardinals had.

Becker and Millay will be the only varsity players to return for another year of competition. Prospects are favorable, however, chiefly because of Roy Campbell's excellent work with the younger players. Losers of their first four conference starts, his Green Tornadoes set the pace after the holidays. They won seven of their eight remaining games, losing only to Woodstock after a good rally had apparently won the game.

Several boys on this team could have been in varsity uniforms at times, but for the sake of steady play they were kept together in the green suits. Orville Bolte, a junior, led the team in scoring, with Tom Coleman, a sophomore, second. Joe Morici and Paul Merrill, two sophomores, and Lief Maseng, a junior, were closely grouped in the next three positions. Other members of the squad as it finished the season were: Charles Hamburg, Henry Dorband, Wayne Kleiner, Royce McWharter, Ted Hauer, Jack Aldrich, and Don Peeters. All but two of these are sophomores.

These younger players, who have had to learn virtually all of their fundamentals since coming to high school, are ready to move into varsity play with a good foundation in shooting, passing, pivoting, and floor work. Their defensive record has been excellent and their team play even better. They may need a few games against varsity competition before they are completely ready to go, but they give promise of competing on even terms with the other teams of the Northeast conference for the better part of the next two years.

Cards, Pirates In Regional Tournaments

Regional tournaments in the state series opened play last night (Wednesday) with the games at Waukegan and Woodstock having the most local interest. Arlington met the vaunted Hebron five last night in the opening round at Woodstock while Crystal Lake faced Elgin. Tonight it is Woodstock versus Huntley and Dundee meeting Harvard. Semi-finals are Friday and finals Saturday with two teams moving on to the sectionals. According to the dope Hebron and Dundee will clash in the final just as they did last year.

At Waukegan the Wednesday games found Niles meeting Lake Forest, the district loser and Waukegan taking on a weak Maine township team. Tonight (Thursday) at 7:30 Palatine meets Libertyville and at 8:30 New Trier battles Zion-Benton.

Friday Games Outstanding

If the dope runs true to form Niles should clash with Waukegan at 7:30 in the semi-finals Friday while Palatine should engage New Trier at 8:45. Thees games should be real class with the outcome a toss up. Waukegan sports writers feel that the Palatine-New Trier winner wil cop the tournament and are inclined to feel that Palatine will be that winner if they play as they did in the district final.

New Trier The Team to Beat

New Trier is without question superior to Waukegan this year though the latter ranked higher in the Suburban League standings. Loss of players by mid year graduation and illness has weakened Waukegan of late. New Trier with six won and six lost in the league has a good club which beat Waukegan recently 40-24 and lost four one or two point decisions at the beginning of the season. Niles holds a 28-25 overtime victory over New Trier at 8:45. These games should giving week-end, but Coach Grater's five has improved since then.

Trojans Average Over Six Feet

Niles has a good rangy team that has lost only to Evanston and Woodstock during the regular season. The Trojans are a strong possibility for the regional finals. Six boys have seen most of the action for Coach Galitz's team. The regulars are Jarret (6 ft.) and Podrazza (6 ft. 1 in.), juniors; and Williams (6 ft. 4 in.), Thulstrup (6 ft. 3 in.), Domas (6 ft. 1 in.), and Peterson (5 ft 7 in.), seniors.

Waukegan Lost Reilly

Waukegan, as usual, plays a long passing, fast breaking game. Coach Brown has a team of small fast boys who try to wear down the opposition by their fire ball tactics. The loss of Reilly who graduated in January has greatly weakened the Waukegan team.

Palatine's tournament squad for the regional will be the same as the district except that Golden will go to Waukegan while McCombs played at Wauconda. These boys are seniors and are sharing a position on the squad to make way for the sophomores Howes (6 ft. 3½ in.) and Harris (5 ft. 10½ in.) who have been promoted from the lightweights. The seven more or less regular players on the Pirates varsity are DeBerge (6 ft. 1 in.) Hahnfeldt (5 ft. 9 in.) Hollinger (5 ft. 10½ in.), Hildebrandt (6 ft. 4 in.), Snyder (5 ft. 6½ in.), Birks (6 ft.), and Schwolow (6 ft. ½ in.).

Third Regional Attempt In Four Years

The Pirates have won 22 out of 24 games to date with no defeats in the last 14 contests. On two previous occasions, 1938 and 1940, Palatine advanced through the district tournament and into the regional semi-finals, but failed by one game to qualify for the sectional tournament. In 1938 with O'Brien and Nangle leading the team, Palatine beat Wauconda, Ela, and Niles in the district, defeated Libertyville in the regional opener and then lost to New Trier by eight points after leading at the half. Fatigue from exceptionally hard district games told the story that year. Last season the Pirates beat Highland Park, but fell before the speed and wearing down methods employed by Waukegan in the semi-finals though they outscored the winners in three quarters. This year Palatine has the same schedule as in '38, with Libertyville and New Trier as likely opponents and with high hopes of a different outcome.

Mac Says-

by GERALD A. MC ELROY

Three of the four small schools with hopes of going far in the state tournament series are still going strong after the opening week of tournament plays. Wheaton, considered by some authorities as the strongest of the quartet, was dropped by Leyden 33-32 in the opening tournament game. Waterman did not play last week, being advanced straight into the De Kalb Regional where they are prime favorites with their only serious opposition being Sycamore. Hebron took their own district handily by disposing of Huntley 33-14 in the final and opens the Woodstock Regional by meeting Arlington Heights. They rate the edge over Hayes team and ought to beat Elgin in the semi-finals for a sure trip to the sectional. Palatine, the fourth of the small school hopefuls, took the Wauconda district in full stride and meets Libertyville this Thursday night at the Waukegan Regional. The Pirates rate the edge over Bergstrom's giants and would then meet New Trier for a chance to advance into the sectional.

New Trier The Team to Beat

Al Grosche, Waukegan baseball coach and veteran referee, stated in an article in the Waukegan News-Sun that the winner of the Palatine-New Trier game will win the Waukegan tournament. He says that Palatine has better ball handling and New Trier better rebounding and picks the Pirates to win by a narrow margin. Grosche called the games correctly in the district and we hope his dope works out.

Predicts Upset

Coach Art Bergstrom has the distinction of predicting the upset of Wheaton by Leyden. A note appeared in the Wheaton paper before the district stating that Bergstrom had told Coach Bob Horsley that he thought Leyden would beat them.

Spoiled a Few Records

Palatine's 52-28 victory over Lake Forest in the district finals was an unusual score for an opponent of the Scouts to tally. Looking over the records we find that Lake Forest held their Northeast Conference opponents to a 26 point average in 12 games, just half as much as the Pirates scored. Also no team this past season scored over 35 points against Lake Forest and their worst previous beating was 32-24 at the hands of Warren. The Scouts coached by Tom Short lost to Niles 29-27 and 34-30, to Woodstock 31-26 and 35-30 and to Leyden 26-23. These three opponents finished in the top conference positions.

Reserves Prove Worth

One of the bright spots in the tournament from the Palatine view point was the work of the reserves. Birks and Schwolow looked especially good and the way they played makes it appear that Palatine has seven first stringers and not just five. This pair are juniors and with Howes and Harris, sophomores on the tourney squad, should form the nucleus for a team that will not be half bad next year.

Notes About Individuals

When it comes to consistent all round playing the honors go to Hahnfeldt of Palatine. He was high scorer of the district tournament by a wide margin, getting 40 points in three games. Werden, small speedy Wauconda guard, would certainly rate all tournament honors. His dribbling and shooting made him the ace of his team. McNally put on a great individual scoring performance for Grant in a losing cause with 21 points against Warren tying Hahnfeldt's record made an hour earlier. Larson was without question the most consistent boy on Tom Short's Lake Forest quintet. This lad is a junior and so is Lightbody, regular guard. Sorenson, sophomore flash who had been scoring well in recent games, did not appear in the district tourney due to weekly eligibility rules, but is likely to help Lake Forest against Niles this week at Waukegan.

All Tournament Team

As an all tournament team based on consistent all round playing we would name Hahnfeldt of Palatine and McNally of Grant as forwards, Larson of Lake Forest, center; and Snyder of Palatine and Werden of Wauconda, guards. Hollinger and DeBerge of Palatine were brilliant in the final game, but less consistent for the whole tournament. DeWitz and Schumacher of Barrington, Kropp and Gleason of Ela, Hall and McCann of Warren, Lohman and Eul of Lake Forest, Oswald and Froehlke of Wauconda, and Klein and H. Strauss of Northbrook were other boys who looked good.
